Allah: the Concept of God in Islam a Selection

"How can I prepare her for this new phase? I wanted to find a resource that can explain the details of this special stage while also integrating the important aspects of it from the Islamic religion. Being from the West, most books I found only explained the physiological changes. But I found that Muslim girls, especially ones from Western countries, need to know more about the religious implications of this stage. So I decided to write this guide to help young girls understand the basic things a Muslim girl should know about puberty, including the religious aspects that come along with it. However, this guide is just a starter to the journey ahead. I encourage parents to

talk with your teens and pre-teens about this important stage of life to have a full and thorough understanding." - Natalia Nabil Includes: What is puberty and its stages. Hygiene tips. Religious duties to perform. And ones to stay away from. And much more

The Most Beautiful Names of Allah

Divine Names is a unique contribution to understanding life and oneself on a deeper level. It draws on original Arabic literature and on the author's many year of personal practice, teaching, and guiding

others on their spiritual paths to healing, to become whole. It focuses on the use of the Divine Names in dhikr, individual meditations, and healing practices. The Sufi tradition centers on the opening of the heart and nothing touches the heart as much as beauty. The author's unique style of writing is coupled with ornamental Arabic calligraphy of each of the 99 Divine Names, making a stunning tribute to this tradition. It will be enjoyed regardless of religious beliefs.

The World of the Jinn and Devils

"The Islamic, Adult Coloring Book" was compiled in an effort to teach the non-Muslim about Islam and to combat the rising tide of stress in the modern Muslim's life, while still being beneficial in this world and the hereafter. The designs chosen for the book are intricate works that the adult colorer will find both challenging and soothing. The pages include detailed mosque architecture, calligraphy, hadith, dua, Quranic verses, and quotes all to allow Muslims to relax and refocus on deen. Each coloring page has a corresponding short, descriptive page for non-Muslims who want to join in on the relaxation and learn something about Islam along the way.

Gardens of the Righteous

Struggling to survive in a world ravaged by pollution, a teenage girl begins to experience visions of a solitary man living in a pristine paradise. Recognised as the Chosen One of her time, Eira embarks on a

journey of self-discovery that will not only transform her, but the whole planet. Uroboros is a visionary tale of hope, balance, and renewal. Speaking to the growing awareness of the Sacred Feminine and the ecological crisis of our times, Uroboros will inspire a new generation of spiritually awake women and men.

The Islamic Adult Coloring Book: 2nd Edition

In any theistic religion, the concept of God rests at the core of its beliefs, tenets and practices, and it determines what its adherents regard as admissible or otherwise. It shapes their attitudes towards others

whom they label as "unbelievers." It inspires their perceptions, formulating how they conceive their role in life, how they should treat one another, what they should do when they sin or fall into error. It determines the extent of their humanity and provides them with a yardstick to measure that of others.

Arabic Colouring Book

This book discusses the common principles of morality and ethics derived from divinely endowed intuitive reason through the creation of al-fitr' a (nature) and human intellect (al-'aql). Biomedical

topics are presented and ethical issues related to topics such as genetic testing, assisted reproduction and organ transplantation are discussed. Whereas these natural sources are God's special gifts to human beings, God's revelation as given to the prophets is the supernatural source of divine guidance through which human communities have been guided at all times through history. The second part of the book concentrates on the objectives of Islamic religious practice - the maqa' sid - which include: Preservation of Faith, Preservation of Life, Preservation of Mind (intellect and reason), Preservation of Progeny (al-nasl) and Preservation of Property. Lastly, the third part of the book discusses selected topical issues, including abortion, assisted reproduction devices, genetics, organ transplantation, brain death and end-of-life aspects. For each topic, the current medical evidence is followed by a detailed discussion of the ethical issues involved.

Prophet Stories from the Quran with Mini Activities

The third part of this popular series provides fully differentiated versions of the same book for true mixed ability teaching. This edition is aimed at students with a higher ability. Structured closely around the key topics in the KS3 model syllabus, it presents discussion of aspects of the Islamic faith in an informative, accessible way.

Islam

The Five Pillars of Islam is a comprehensive and practical manual on the fundamental beliefs and practices of a Muslim and provides an understanding of the true spirit of worship in Islam. Written by a noted Muslim scholar and educationist with a contemporary Muslim audience in mind, this is an invaluable reference for every home and classroom. Musharraf Hussain, PhD, is the director of the Karimia Institute in the United Kingdom. In 2009 he was awarded the Order of the British Empire for his services to community relations in Britain.

Muslim Devotional Art in India

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation

of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (B) uses the word "God" to refer to the Creator. Edition (A) uses the word "Allah". Quran Sura 81. The Rolling. at-Takwir. In the name of God, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever

of you wills to go straight. 29. But you cannot will, unless God wills-The Lord of the Worlds. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Shameema's Colouring for Kids!

This book highlights the history of Islamic popular devotional art and visual culture in 20th-century India, weaving the personal narrative of the author's journey through his understanding of the faith. It begins with an introductory exploration of how the basic and universal image of Mecca and Medina may

have been imported into Indian popular print culture and what variants it resulted in here. Besides providing a historical context of the pre-print culture of popular Muslim visuality, the book also explores the impact the 1947 Partition of India may have made on the calendar art in South Asia. A significant portion of the book focuses on the contemporary prints of different localised images found in India and what role these play in the users' lives, especially in the augmentation of their popular faith and cultural practices. The volume also compares the images published in India with some of those available in Pakistan to reflect different socio-political trajectories. Finally, it discusses why such a vibrant visual culture continues to thrive among South Asian Muslims despite the questions raised by the orthodoxy on its legitimacy in Islam, and why images and popular visual cultures are inevitable for popular piety despite the orthodox Muslims' increasing dissociation from them. This work is one of the first books on Indian Muslim poster art, with rare images and simple narratives, anecdotes about rituals, ceremonies and cultural traditions running parallel to research findings. This second edition contains a new Afterword that discusses challenges to religious plurality arising on account of changing political landscapes, economic liberalisation, technology and new media, and socio-religious developments. It will appeal to the lay reader as well as the specialist and will be especially useful to researchers and scholars in popular culture, media and cultural studies, visual art and performance studies, and sociology and social anthropology.

The 99 Names of God

Islamic Manners Activity Book

As a stained glass artist it is exciting to experience and learn about other cultures and faiths through their art. In learning about Islam and Muslims we discover the tradition of the 99 Most Beautiful Names from the Qur'an; the 99 Names are an index of God's infinite characteristics, attributes of God which help the faithful navigate their place in the universe and provide direction for worship and emulation. They are a good starting point from which to begin the exploration of another faith because they represent ideals, aspirations and hopes common to us all. This is the first of 4 books, and collects the first 25 glass sculptures of my personal response to each of the 99 Names - a synthesis of research and discussion with members of many Muslim communities coupled with prayerful consideration and contemplation on what each Name means to me as a Christian. These sculptures are a record of my personal journey towards appreciation and understanding, and are shared in hopes that others will also find the beauty I discover in the faith of my fellow travelers in our human family.

99 Names

"Allah's are the names most beautiful. Whatever is in the heavens and earth extols His glory."—The Qur'an (Al-Hashr 59:24) "Allah has 99 names. He who remembers these will certainly enter Paradise."—Prophet Muhammad (Bukharhi Hadith Kitab Ad-Dawat, 2,949) Remembering the Names of Allah is a sacred tradition in Islam. Both the Qur'an and sayings of the Prophet (Hadiths) state the importance of learning them and promise reward for reciting them in supplications and prayers. This beautiful presentation of Allah's most revered ninety-nine names draws the reader nearer to the Divine through contemplation and reflection of Allah's names, their meaning, and how each impacts our daily lives. They help to conceptualize Allah, Whose limitless greatness and glory is impossible to grasp. Each name is presented in the original Arabic and its translation into English. Accompanying each name is a commentary that is concise and easy to understand but rich in meaning. Abdur Raheem Kidwai (b. 1956) is a professor of English at the Aligarh Muslim University, India, and a visiting fellow at the School of English, University of Leicester, United Kingdom. He earned his two PhDs in English from the Aligarh Muslim University and the University of Leicester. He is a well-known author of many works on the Qur'an and Islam, including: *The Qur'an: Essential Teachings*; *Daily Wisdom: Islamic Prayers and Supplications*; *Daily Wisdom: Selections from the Holy Qur'an*; and *What Should We Say?*
