A Shade of Vampire

In the explosive third volume of The Hundredth Queen Series, the queen of fire faces off against a demon of ice. Despite the odds, Kalinda has survived it all: Marriage to a tyrant. Tournaments to the death. The forbidden power to rule fire. The icy touch of a demon. That same demon now disguises itself as Rajah Tarek, Kalinda's late husband and a man who has never stopped haunting her. Upon taking control of the palace and the army, the demon brands Kalinda and her companions as traitors to the empire. They flee across the sea, seeking haven in the Southern Isles. In Lestari, Kalinda's powers are not condemned, as they are in her land. Now free to use them to protect those she loves, Kalinda soon realizes that the demon has tainted her with a cold poison, rendering her fire uncontrollable. But the lack of control may be just what she needs to send the demon back to the darkest depths of the Void. To take back the empire, Kalinda will ally with those she distrusts--and risk losing those most loyal to her--to defeat the demon and bring peace to a divided nation.

A Shade of Vampire 22

One of the most popular role-playing properties in the world gets new life with this trio of horror novellas set in Vampire: The Masquerade's World of Darkness by three brilliant talents: Genevieve Gornichec, Cassandra Khaw, and Caitlin Starling. The subtle horror and infernal politics of the World of Darkness are shown in a new light in Vampire: The Masquerade: Walk Among Us, an audio-first collection of three novellas that show the terror, hunger, and power of the Kindred as you've never seen them before. In Genevieve Gornichec's A SHEEP AMONG WOLVES, performed by Erika Ishii, depression and radicalization go hand-in-hand as a young woman finds companionship in the darkness. In Cassandra Khaw's FINE PRINT, performed by Neil Kaplan, an arrogant tech bro learns the importance of reading the fine print in the contract for immortality. And in Caitlin Starling's THE LAND OF MILK AND HONEY, performed by Xe Sands, ideals and ethics bump heads with appetite on a blood farm. Three very different stories from three amazing, distinct voices, but all with one thing in common: the hunger never stops, and for someone to experience power, many others are going to have to feel pain.

A Gate of Night

FOREWORD BY JANE FONDA A timeless collection of philosophies from renaissance performer and the world's most famous shape-shifter RuPaul, whose sage outlook has created an unprecedented career for more than thirty-five years. GuRu is packed with more than 80 beautiful photographs that illustrate the concept of building the life you want from the outside in and the inside out. "You're born naked and the rest is drag." As someone who has deconstructed life's hilarious facade, RuPaul has broken "the fourth wall" to expand on the concept of mind, body, and spirit. This unique perspective has allowed RuPaul to break the shackles of self-imposed limitations, but reader beware, this is a daily practice that requires diligence and touchstones to keep you walking in the sunshine of the spirit. Once you're willing to look beyond the identity that was given to you, a hidden world of possibilities will open its doors. Throughout the history of humans on this planet, there've always been shaman, seers, and mediums who are able to interpret both

high and low frequencies and remind humans to look beyond the surface for the truth of who we really are. And who we really are is an extension of the power that created the universe (aka: God in drag). FYI: most people are not willing to hear or accept that. That is RuPaul's secret for success, not only in show business, but in all aspects of life, especially in navigating the emotional landmines that inhibit most sweet, sensitive souls. If you think this book is just about "doing drag," you are sorely mistaken because for RuPaul, drag is merely a device to deactivate the identity-based ego and allow space for the unlimited.
