This book traces the history of the New York Mets from the franchise's inauspicious beginnings—the 1962 team, led by Casey Stengel and made up of players like Rod Kanehl and Jay Hook, lost 120 games—through the miraculous championship season of 1969. Based on interviews with more than one hundred former players and extensive research by one of the more highly regarded baseball historians writing today, the book covers the era in unprecedented detail. Any Met fan from the 1960s will find some familiar stories along with some they've probably never read before. Presented in an easy-to-read, narrative style, this book traces the rapid ascent of the Mets and explores the reasons for their early failure and dramatic success.

'I felt lucky. I was heading for the U.S.A., Hollywood and a million dollars. "Deal the cards, Jess," I said.' But not all the cards dealt to Browning turn up trumps. And Richard Browning has a marvelous talent for mucking up even lucky breaks. In fact, he's only really good at one thing; that is, getting away. Sure the would-be Aussie movie star makes it to the U. S. of A., but San Francisco proves to be a long way from the starlets, palm trees and swimming pools of Hollywood, at least by the route only he could choose, through Mexico. And then, when he gets to Beverly Hills, he finds bootleggers in the swimming pools, anarchists on the movie sets and starlets just too hot to handle. Not to mention making an enemy of the 'king' of Hollywood, Douglas Fairbanks - the 'city of dreams' becomes nightmare land. 'Beverly Hills' Browning is the second volume of Richard Browning's memoirs, transcribed from the tapes found among his papers and edited by Peter Corris.

they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.
