### From Plassey to Partition

Enjoy and prepare simple raw foods, the healthiest foods nature has to offer, while living a busy lifestyle! This book is perfect for raw food beginners, busy people, health-conscious slackers, and those on temporary cleansing programs. It makes a great gift for the raw-curious as well, since it's the simplest and least intimidating raw food recipe book on the market. It includes over 120 recipes and variations, over half of which include machine-free options. With "40,000 copies in print," this classic bestseller has been helping people explore the rejuvenating health benefits of raw foods since 2004. This is the "5th Anniversary, expanded edition" of the recipe book, featuring more recipes, transition tips, and updated resources. Recipe categories include salads, marinades, soups, dips, desserts and snacks, and the basics of dehydration and grain-free veggie pastas. Additional topics include raw food basics, menu planning, common ingredients and kitchen gadgets, transition strategies, and tips for busy people. "BRAVO! Jordan Maerin's personal experience in changing her life for the better with raw foods is both educational and inspiring. "Raw Foods For Busy People" can help you to do the same. Best of all, Jordan makes it simple by offering practical recipes for busy people that are great tasting, healthy, and easy-to-prepare." - Raymond Francis, M.Sc., R.N.C., Author of "Never Be Sick Again: Health is a Choice, Learn How to Choose It " "The name of this book says it all. [Jordan has] squeezed out the very essence of raw food preparation. I found in this book several useful tips even for myself, despite the fact that I have been teaching classes about raw food for many years." - Victoria Boutenko, Author of "Green for Life" and "12 Steps to Raw Food " ""Raw Foods for Busy People" is invaluable in helping me practice all I learned from the Optimum Health Institute. Raw foods have improved my health challenge of Fibromyalgia. Thanks to this book, I can make fast, appetizing meals even when I don't feel that well!" - Nancy Gordon,

LCSW, OHI Graduate and Director of Paws for Comfort "JORDAN MAERIN IS A GENIUS!" - Kimberly Dark, performance artist

## **Science for Tenth Class(Pt-I) - PHYSICS**

### **Coordinate Geometry**

Writing journals for people who love their job. careers related notebooks gift for coworkers and employees who are motivated and happy with their job

### **Organic Chemistry**

### **History of Modern India**

### **Vedic Mathematics, Or Sixteen Simple Mathematical Formulae from the Vedas**

In this lively, informative and insightful book, Shashi Tharoor brilliantly demonstrates how Indian diplomacy has come of age and forecasts where it will need to focus in the new millennium. He surveys India's major international relationships in detail, evokes the country's soft power and offers his thoughts on a new 'grand strategy' for the nation, arguing that India must move beyond non-alignment to multi-alignment. Stimulating, reflective, elegantly written and passionately engaged, Pax Indica is another substantial achievement from one of the finest Indian authors of our times.

### **Pediatric Clinical Methods**

### **Modern Approach To Chemical Calculations An Introduction To The Mole Concept**

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for

freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

## **Plane Trigonometry**

## **Problems In General Physics**

Have you ever had your feelings hurt? When feelings hurt it is not like a sore that you can see and put a bandage on. But it can hurt just the same! A puzzle has many different pieces, but each piece is important to complete the puzzle. Join Waldo and his friends as they learn about their own puzzling differences and how, by working together, they can become a powerful team. But will it be enough to save the president?

## **Statics and Kinematics of Granular Materials**

## **Elliott's Golf Form**

This comprehensive, up-to-date book describes and details the wide range of modern radar systems and methods currently in use today. From system fundamentals to functional descriptions of their subsystems, the reference covers radar principles, radar technology, and successful applications of that technology, and includes solved examples to illustrate critical principles. Appropriate for radar engineers, electrical engineers, flight test engineers, and those in related disciplines.

## **The Oxford Companion to Politics in India**

"An easy to understand, Physics Book for high school students covering the following: Contents: - Energy - Energy(A Supplement) - The Sun and Nuclear Energy - The Universe - The Earth System - Space Exploration "

## **Concise Inorganic Chemistry**

Warning May Spontaneously Talk About ZUMBA Notebook ZUMBA Lovers OBSESSION Notebook A beautiful Notebook Birthday Gift is a 120 pages Simple and elegant Notebook on a Matte-finish cover, Perfect Journal for ZUMBA Lovers Diary, ZUMBA Obsessed Gift Idea for friend, sister, brother, grandparents, kids, boys, girls, youth and teens. Great for taking notes in class, journal writing and essays, Perfect gift for parents, grandparents, kids, boys, girls, youth and teens as a Birthday gift. 120 pages Size 6 x 9 (15.24 x 22.86 cm)- the ideal size for all purposes, fitting perfectly into your bag White-color paper Soft, glossy cover Matte Finish Cover for an elegant look and feel Do You Love ZUMBA ? Looking for ZUMBA NoteBook? Are you looking for a gift for your friend, parents or relatives ? Then you need to buy this Cute Warning May Spontaneously Talk About ZUMBA Notebook ZUMBA Lovers OBSESSION Notebook A beautiful gift Journal for your brother, sister, Auntie

## **Certificate Physics And Human Geography; Indian Edition**

### **Numerical Chemistry**

An up-to-date, easy-to-understand manual for IIT-JEE entrance exam. It contains large number of solved examples, especially in physical chemistry and exhaustively covers the syllabus of IIT-JEE.

### **University Chemistry**

Features Most authoritative and comprehensive reference work of its kind on Indian politics More than forty eminent contributors from India, USA, UK, and Europe Covers key issues like federalism, parliamentary democracy, judicial system, political economy of reforms, ethnicity and politics, party system, ideological contestations, social movements, and policies

### **India Since Independence**

### **23 years AIIMS Chapter-wise Solved Papers (1997-2019) 13th Edition**

Presents a cutting edge overview of tackling and adapting to climate change, written by a lead member of the IPCC.

### **ISC Mathematics book 1 for Class- 11**

From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as From Plassey to Partition.

## **Radar**

This beautiful baptismal anthem from Patricia Mock and Faye López reflects on the significance of following Christ into streams of living water. Optional parts for acoustic bass and guitar enhance the delicate folk-like sound. Here the water awaits each confession of faith. Come dip your robe in His mercy and His grace.

MADE IN THE UNITED STATES. CONVENIENT SIZE: Our 6x9 notebook is great for note-taking and scheduling on the go!  
MAKE IT PERSONAL: A notebook with the name gives your gift that extra special touch . Take as your own or give as a gift to someone you like. This is an adorable gift for your loved ones ☺☺☺. Suitable as a gift for: Birthday Christmas Gifts. New Job Gift. Colleague/ Co-worker/ Boss Gifts. Journals & Planners. Doodle Diaries. Homeschool Planners for Kids. Creative Writing Notebooks. Gifts for Mom, Dad, Grandma, Grandpa, Cousins, Brother, Sister, and friends as well. Retirement Gifts. School Notebooks. Student Graduation Gifts. Teacher Thank You Gifts. Mom Daughter Journal. Journaling For Kids. Book Lover Souvenir. Novelty Blank Scrapbook. Monthly Project Tracker. Practical Plan Checklist. and More

## **Atomic And Molecular Physics**

## **Pax Indica**

History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

## **Chemistry for IIT-JEE**

AIIMS 23 years Chapter-wise Solved Papers consists of past years (memory based) solved papers from 1997 onwards till date, distributed in 29, 31, 38 & 6 topics in Physics, Chemistry, Biology & General Knowledge respectively. The book contains around 4580 straight MCQs - 3200 MCQs and 1380 Assertion-Reason type questions.

## **Complete Mathematics**

## **Weird Waldo**

This book outlines the basic science underlying the prediction of stress and velocity distributions in granular materials. The nature of a rigid-plastic material is discussed and a comparison is made between the Coulomb and conical (extended Von Mises) models. The methods of measuring material properties are described and an interpretation of the experimental results is considered in the context of the Critical State Theory. Exercises and solutions are provided that will be particularly useful for the reader.

## **Sainik School Digest**

## **Concepts Of Physics**

S Chand's ISC Mathematics is structured according to the latest syllabus as per the new CISCE(Council for the Indian School Certificate Examinations), New Delhi, for ISC students taking classes XI & XII examinations.
