A Century of Dishonor

We love the local. From the cherries we buy, to the grocer who sells them, to the school where our child unpacks them for lunch, we express resurgent faith in decentralizing the institutions and businesses that arrange our daily lives. But the fact is that huge, bureaucratic organizations often still shape the character of our jobs, schools, the groceries where we shop, and even the hospitals we entrust with our lives. So how, exactly, can we work small, when everything around us is so big, so global and standardized? In *Organizing Locally*, Bruce Fuller shows us, taking stock of America's rekindled commitment to localism across an illuminating range of sectors, unearthing the crucial values and practices of decentralized firms that work. Fuller first untangles the economic and cultural currents that have eroded the efficacy of—and our trust in—large institutions over the past half century. From there we meet intrepid leaders who have been doing things differently. Traveling from a charter school in San Francisco to a veterans service network in Iowa, from a Pennsylvania health-care firm to the Manhattan branch of a Swedish bank, he explores how creative managers have turned local staff loose to craft inventive practices, untethered from central rules and plain-vanilla routines. By holding their successes and failures up to the same analytical light, he vividly reveals the key cornerstones of social organization on which motivating and effective decentralization depends. Ultimately, he brings order and evidence to the often strident debates about who has the power—and on what scale—to structure how we work and live locally. Written for managers, policy makers, and reform activists, *Organizing Locally* details the profound decentering of work and life inside firms, unfolding across postindustrial societies. Its fresh theoretical framework explains resurging faith in decentralized organizations and the ingredients that

deliver vibrant meaning and efficacy for residents inside. Ultimately, it is a synthesizing study, a courageous and radical new way of conceiving of American vitality, creativity, and ambition.

The American Pageant

An inspiring collection of the personal philosophies of a group of remarkable men and women Based on the National Public Radio series of the same name, This I Believe features eighty essayists—from the famous to the unknown—completing the thought that begins the book's title. Each piece compels readers to rethink not only how they have arrived at their own personal beliefs but also the extent to which they share them with others. Featuring a well-known list of contributors—including Isabel Allende, Colin Powell, Gloria Steinem, William F. Buckley Jr., Penn Jillette, Bill Gates, and John Updike—the collection also contains essays by a Brooklyn lawyer; a part-time hospital clerk from Rehoboth, Massachusetts; a woman who sells Yellow Pages advertising in Fort Worth, Texas; and a man who serves on the state of Rhode Island's parole board. The result is a stirring and provocative trip inside the minds and hearts of a diverse group of people whose beliefs—and the incredibly varied ways in which they choose to express them—reveal the American spirit at its best.

American Pageant

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wealth Against Commonwealth

China's Second Continent

THE AMERICAN PAGEANT, 14th EDITION, enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 14th Edition places an even greater emphasis on the global context of American history through a new feature, Thinking Globally. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: chronologies in each chapter provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. To meet the demand for a low-cost, high-quality survey text, CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, COMPACT 14e, offers readers the complete text in an economically priced format. All volumes feature a paperbound, two-color format that appeals to those seeking a comprehensive, trade-sized history text. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, COMPACT Fourteenth Edition (Chapters 1-42), ISBN: 978-0-495-90346-8; Volume I: To 1877, Fourteenth Edition (Chapters 1-22), ISBN: 978-0-495-90347-5; Volume II: Since 1865, Fourteenth Edition (Chapters 22-42), ISBN: 978-0-495-90348-2. This I Believe

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

The Language of Composition: Student edition

This book reveals the human dimension of the story of the Erie Canal. The author's extensive, innovative archival research shows the varied responses of ordinary people - farmers, businessmen, government officials, tourists, workers - to this major environmental, social, and cultural transformation in the early life of the Republic.

Beautiful Souls

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

Principles of Microeconomics 2e

The History of London

Empire of Liberty

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Organizing Locally

This fascinating biography of one of the world's most famous cities was originally published in the early 20th Century. It chronicles the life of London from its days as an early settlement through to more modern times. Including over 60 images, photographs, engravings and drawings, this excellent book is a must-have for those who live in the city, have visited - or plan to visit - at some point, or those who want to know the story of England's capital.

Organic, Inc.

"For those who like their history rich in vivid details, Derek Beck has served up a delicious brew in this book. This may soon become everyone's favorite." —Thomas Fleming, author of *Liberty! The American Revolution* A sweeping, provocative new look at the pivotal years leading up to the American Revolution The Revolutionary War did not begin with the Declaration of Independence, but several years earlier in 1773. In this gripping history, Derek W. Beck reveals the full story of the war before American independence—from both sides. Spanning the years 1773-1775 and drawing on new material from meticulous research and previously unpublished documents, letters, and diaries, *Igniting the American Revolution* sweeps readers from the rumblings that led to the Boston Tea Party to the halls of Parliament—where Ben Franklin was almost run out of England for pleading on behalf of the colonies—to that fateful Expedition to Concord which resulted in the shot heard round the world. With exquisite detail and keen insight, Beck brings revolutionary America to life in all its enthusiastic and fiery patriotic fervor, painting a nuanced portrait of the perspectives, ambitions, people, and events on both the British and the American sides that eventually would lead to the convention in Philadelphia on July 4, 1776. Captivating, provocative and inspiring, *Igniting the American Revolution* is the definitive history of these landmark years in our nation's history, whose events irrevocably altered the future not only of the United States and England, but the whole world. " Integrating compelling personalities with grand strategies, political maneuverings on both sides of the Atlantic, and vividly related incidents, *Igniting the American Revolution* pulls the reader into a world rending the British Empire asunder." Samuel A. Forman, author of the biography *Dr. Joseph Warren*

Our Country

Born Round

The Oxford History of the United States is by far the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, two New York Times bestsellers, and winners of the Bancroft and Parkman Prizes. Now, in the newest volume in the series, one of America's most esteemed historians, Gordon S. Wood, offers a brilliant account of the early American Republic, ranging from 1789 and the beginning of the national government to the end of the War of 1812. As Wood reveals, the period was marked by tumultuous change in all aspects of American life--in politics, society, economy, and culture. The men who founded the new government had high hopes for the future, but few of their hopes and dreams worked out quite as they expected. They hated political parties but parties nonetheless emerged. Some wanted the United States to become a great fiscal-military state like those of Britain and France; others wanted the country to remain a rural agricultural state very different from the European states. Instead, by 1815 the United States became something neither

group anticipated. Many leaders expected American culture to flourish and surpass that of Europe; instead it became popularized and vulgarized. The leaders also hope to see the end of slavery; instead, despite the release of many slaves and the end of slavery in the North, slavery was stronger in 1815 than it had been in 1789. Many wanted to avoid entanglements with Europe, but instead the country became involved in Europe's wars and ended up waging another war with the former mother country. Still, with a new generation emerging by 1815, most Americans were confident and optimistic about the future of their country. Named a New York Times Notable Book, *Empire of Liberty* offers a marvelous account of this pivotal era when America took its first unsteady steps as a new and rapidly expanding nation.

Fast Track to A 5 Preparing for the AP United States History

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Keyed to the 12th and 13th editions of *The American Pageant*, this book includes a diagnostic test, practice questions, full-length practice tests as well as graphs and tables to help students learn to analyze data.

Primary Source Readings in Christian Morality

"The Impending Crisis of the South" by Hinton Rowan Helper. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

American History: Connecting with the Past

This detailed primary source reader focuses on political, diplomatic, and social history, presenting documents that include travel literature, religious sermons, newspaper articles, court testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

United States History: Preparing for the Advanced Placement Examination, 2018 Edition

On the Swiss border with Austria in 1938, a police captain refuses to enforce a law barring Jewish refugees from entering his country. In the Balkans half a century later, a Serb from the war-blasted city of Vukovar defies his superiors in order to save the lives of Croats. At the height of the Second Intifada, a member of Israel's most elite military unit informs his commander he doesn't want to serve in the occupied territories. Fifty years after Hannah Arendt examined the dynamics of conformity in her seminal account of the Eichmann trial, Beautiful Souls explores the flipside of the banality of evil, mapping out what impels ordinary people to defy the sway of authority and convention. Through the dramatic stories of unlikely resisters who feel the flicker of conscience when thrust into morally compromising situations, Eyal Press shows that the boldest acts of dissent are often carried out not by radicals seeking to overthrow the system but by true believers who cling with unusual fierceness to their convictions. Drawing on groundbreaking research by moral psychologists and neuroscientists, Beautiful Souls culminates with the story of a financial industry whistleblower who loses her job after refusing to sell a toxic product she rightly suspects is being misleadingly advertised. At a time of economic calamity and political unrest, this deeply reported work of narrative journalism examines the choices and dilemmas we all face when our principles collide with the loyalties we harbor and the duties we are expected to fulfill.

The Impending Crisis of the South

The American Pageant

The leading United States History survey text, now available in a brief, full-color edition.

Igniting the American Revolution

Documents the burgeoning Chinese presence in Africa to examine China's potentially world-changing role in reshaping Africa's culture and economy.

Glencoe Precalculus Student Edition

A “lively, comprehensive, and . . . definitive account of organic food’s rise” from a “first-rate business journalist” (Michael Pollan). Who would have thought that a natural food supermarket could have been a financial refuge from the dot-com bust? But it had. Sales of organic food had shot up about 20 percent per year since 1990, reaching \$11 billion by 2003 . . . Whole Foods managed to sidestep that fray by focusing on, well, people like me. Organic food has become a juggernaut in an otherwise sluggish food industry, growing at twenty percent a year as products like organic ketchup and corn chips vie for shelf space with conventional comestibles. But what is organic food? Is it really better for you? Where did it come from, and why are so many of us buying it? Business writer Samuel Fromartz set out to get the story behind this surprising success after he noticed that his own food choices were changing with the times. In *Organic, Inc.*, Fromartz traces organic food back to its anti-industrial origins more than a century ago. Then he follows it forward again, casting a spotlight on the innovators who created an alternative way of producing food that took root and grew beyond their wildest expectations. In the process he captures how the industry came to risk betraying the very ideals that drove its success in a classically complex case of free-market triumph.

the Dominion of New England

Give Me Liberty! An American History

The New York Times restaurant critic's heartbreaking and hilarious account of how he learned to love food just enough Frank Bruni was born round. Round as in stout, chubby, and always hungry. His relationship with eating was difficult and his struggle with it began early. When named the restaurant critic for The New York Times in 2004, he knew he would be performing one of the most watched tasks in the epicurean universe. And with food his friend and enemy both, his jitters focused primarily on whether he'd finally made some sense of that relationship. A captivating story of his unpredictable journalistic odyssey as well as his lifelong love-hate affair with food, *Born Round* will speak to everyone who's ever had to

rein in an appetite to avoid letting out a waistband.

The American Pageant Guidebook

Perfect for students preparing to take the 2018 AP U.S. History Examination. -- Publisher's website.

The American Spirit: United States History as Seen by Contemporaries

Principles of Microeconomics 2e covers the scope and sequence of most introductory microeconomics courses. The text includes many current examples, which are handled in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The second edition has been thoroughly revised to increase clarity, update data and current event impacts, and incorporate the feedback from many reviewers and adopters. The text and images in this book are grayscale. The first (previous) edition of Principles of Microeconomics via OpenStax is available via ISBN 9781680920093.

The Artificial River

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Advanced Placement United States History, 2020 Edition

THE AMERICAN PAGEANT, International Edition enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 14th edition places an even greater emphasis on the global context of American history through a new feature, "Thinking Globally." Revised primary source features excite student interest and help them learn to examine documents the way historians do. Additional pedagogical features make THE AMERICAN PAGEANT, International Edition accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis.
