Learning to Teach Science in the Secondary School

For those who want the ease of not printing this yourself here it is! The extended edition includes 4 books in total, so you can buy them cheaper and have everything in one place. In here there is Maths and Calculator skills for science students; Maths (the chemistry bits) for science students; Maths (the physics bits) for science students; knowledge checklists for each topic in easy to understand language so you can check you haven't missed anything out; links to YouTube video that explain parts you don't understand; quick fire questions for each topic with links to a YouTube video working through the answers; lists of equations and units that are essential to learn for physics; lists of ions, equations and formula that are essential to learn for chemistry; diagrams to label; key word lists and crosswords. This will be updated July 2018

IGCSE Biology

AQA GCSE Science Revision Guide - Extended Edition

Study Less, Study Smart

Combined Science Trilogy - Foundation

Develop and learn to apply your knowledge, progressing from basic concepts to more complicated Chemistry, with worked examples, practical activities and mathematical support in this updated, all-in-one textbook for Years 1 and 2. Written for the AQA A-level Chemistry specification, this revised textbook will: - Provide support for all 12 required practicals with activities that introduce practical work and other experimental investigations in Chemistry. - Offer detailed examples to help you get to grips with difficult concepts such as physical chemistry calculations. - Helps to improve mathematical skills with support throughout, examples of method and a dedicated 'Maths for chemistry' chapter. - Allow you to easily measure progression with differentiated end-of-topic questions and 'Test yourself' questions. - Develop understanding with free online access to 'Test yourself' answers, 'Practice' question answers and extended glossaries*.

Chemistry - Higher

In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

Freesciencelessons GCSE Physics Paper 2: Combined Science Foundation Workbook

Freesciencelessons is the most viewed GCSE Science channel on Youtube and has helped countless students to achieve or exceed their expectations in their GCSE Science exams.
