Kings of the Road

The first volume in a series reprinting the Buz Sawyer strip reprints all of the daily strips published during WWII. Buz serves aboard an aircraft carrier, flies combat missions against the notorious Japanese Zeros, crash lands behind enemy lines and is captured by a Japanese submarine. Also includes a selection of the best of the Sunday strips, which feature Buz Sawyer's pal and gunner, Roscoe Sweeny. This volume showcases some of Crane's most atmospheric drawings, aided by his expert use of Craftint tones, luscious romance and exciting action.

Welcome Home, Mary Anne (The Baby-Sitters Club Friends Forever #11)

This text presents an approach to Ezra-Nehemiah in the combination of two approaches - the literary and the historical. It challenges commonly held assumptions not from radical theory, but from careful attention to the text itself.

This critical edition provides unique access to a work which has challenged scholars and students alike. The book is the first to deal fully with the poem as literature and to supply the runic background necessary for an understanding of the raw materials with which the poet was working. The introduction offers a thorough discussion of the origin, development, and uses of runes before proceeding to the close examination of text, language, literary sources, style, and themes of the poem. Following the text and translation of the poem proper, detailed explanatory notes pay particular attention to the background of each individual rune and rune name, and the appendixes provide analogous material to assist in setting the poet's achievement into the runic context. Since many of the sources necessary for an accurate assessment of the Old English Rune Poem are written in foreign or dead languages, modern English translations have been provided throughout to ensure that the poem will be accessible to students as well as to professional medievalists. Babylonia 689-627 B.C.

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

This volume of essays contains contributions from a very wide range of British, American and Spanish scholars. Its primary concern is the relationships between the various ethnic, cultural, regional and religious communities that co-existed in the Iberian peninsula in the later Middle Ages. Conflicts and mutual interactions between them are here explored in a range of both historical and literary studies, to expose something of the rich diversity of the cultural life of later medieval Spain.

The Roman Questions of Plutarch

Agnes and Honey have always been best friends, but they haven't always been so different. Agnes loves being a Believer. She knows the rules at the Mount Blessing religious commune are there to make her a better person. Honey hates Mount Blessing and the control Emmanuel, their leader, has over her life. The only bright spot is the butterfly garden she's helping to build, and the journal of butterflies that she keeps. When Agnes's grandmother makes an unexpected visit to the commune, she discovers a violent secret that the Believers are desperate to keep quiet. And when Agnes's little brother is seriously injured and Emmanuel refuses to send him to a hospital, Nana Pete takes the three children and escapes the commune. Their journey begins an exploration of faith, friendship, religion and family for the two girls, as Agnes clings to her familiar faith while Honey desperately wants a new future.

Kamran Khan is a cocky young taxi driver trying to make it big in Mumbai. But his life transforms when he saves a don called Mirza from being killed. What seems like a good deed however has a cruel payback and in a single moment, Kamran loses everything dear to him. This is when Mirza, in gratitude, takes Kamran under his wing and the young man gets drawn into the mafia boss's dangerous world of cops and rival gangsters, eventually taking over from him. Kamran also inherits Mirza's philosophy that all of life's problems can be solved through Ghalib's poetry. Soon, the innocent taxi driver has cops, criminals and even cabinet ministers at his beck and call. And he has a new name—Ghalib Danger.

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing
