For more than thirty-five years, readers have wondered what happens to the mystery armadillo on the last page of Sandra Boynton's classic board book, But

Not the Hippopotamus. Now, at last, comes the long-awaited sequel. Behold the armadillo, a cute and curious creature who follows his nose wherever it goes. Look at Me

Woven throughout with rich details of everyday life, this original, on-the-ground study of poor neighborhoods challenges much prevailing wisdom about urban poverty, shedding new light on the people, institutions, and culture in these communities. Over the course of nearly a decade, Martín Sánchez-Jankowski immersed himself in life in neighborhoods in New York and Los Angeles to investigate how social change and social preservation transpire among the urban

poor. Looking at five community mainstays—the housing project, the small grocery store, the barbershop and the beauty salon, the gang, and the local high school—he discovered how these institutions provide a sense of order, continuity, and stability in places often thought to be chaotic, disorganized, and disheartened. His provocative and ground-breaking study provides new data on urban poverty and also advances a new theory of how poor neighborhoods function, illuminating the creativity and resilience that characterize the lives of those who experience the hardships associated with economic deprivation.

"Mark Hitchcock packs a wealth of information on biblical prophecy into an excellent 'quick read.' I highly recommend Mark as a faithful guide to understanding current events in light of God's wonderful plan of prophecy." —TIM LAHAYE, author, educator, minister *Story Behind the Book The four horsemen of the Apocalypse in Revelation 6:1-8* is one of the most vivid, powerful visions in all of the Scriptures. The apostle John saw a vision of four horses (white, red, black, and pale) galloping across the world in the end times, leaving unbelievable destruction in their wake. The chilling imagery of that vision has gripped believers for over two thousand years. The purpose of the book is to take an in-depth look at these four mysterious horsemen and show how their approach seems to be developing before our eyes, signaling the advent of that terrible seven years known as the Great Tribulation. The ninth book in the bestselling series tells the story of John Wesley Powell, the

one-armed geologist who explored the Grand Canyon John Wesley Powell (1834–1902) always had the spirit of adventure in him. As a young man, he traveled all over the United States exploring. In 1869 he embarked with the Colorado River Exploring Expedition, ten men in four boats, to float through Grand Canyon. Over the course of three months, the explorers lost their boats and supplies, nearly drowned, and were in peril on multiple occasions. Ten explorers went in, only six came out. A National Book Award Finalist In this ambitiously multilayered novel from the acclaimed and award-winning writer Jennifer Egan, a fashion model named Charlotte Swenson emerges from a car accident in her Illinois hometown with her face so badly shattered that it takes eighty titanium screws to reassemble it. She returns to New York still beautiful but oddly unrecognizable, a virtual stranger in the world she once effortlessly occupied. With the surreal authority of a David Lynch, Jennifer Egan threads Charlotte's narrative with those of other casualties of our infatuation with the image. There's a deceptively plain teenaged girl embarking on a dangerous secret life, an alcoholic private eye, and an enigmatic

stranger who changes names and accents as he prepares an apocalyptic blow against American society. As these narratives inexorably converge, Look at Me becomes a coolly mesmerizing intellectual thriller of identity and imposture.
