Madhav Sadashiv Golwalkar (1906-73) Was The Second Sarsanghachalak Or Supreme Guide Of The Hindu Nationalist Rashtriya Swayamsevak Sangh (Rss), A Position He Held For Thirty-Three Years. Though He Was Not Its Founder, He Cast The Organization In His Own Image, And Remains To This Day The Most Influential Ideologue Not Only Of The Rss But Also Of All The Organizations Inspired By It Including The Bharatiya Janata Party (Bjp), Which Led The Country S Ruling Coalition From 1999 To 2004. This Unprecedented And Extremely Important Book Is Perhaps The First To Examine Golwalkar S Thought And His Legacy Closely And Critically. Focusing On The Arguments Delineated In The Writings And Speeches Of Golwalkar, Jyotirmaya Sharma Questions The Assumptions Upon Which The Ideologues And Champions Of Hindutva Seek To Establish A Hindu Nation In India. As It Highlights How Much These Arguments Derive From Eighteenth-And Nineteenth-Century Indologists, And How Closely They Parallel Fascist Ideology, The Book Unravels The Confusion, Intolerance And Intellectual Deficit That Has Gone Into Hindu Nationalist Thinking. It Comes To The Conclusion That The Politics Of Hindu Nationalism Feeds On A Dangerous Concept Of The Nation State And A

Misunderstanding Of The Very Idea Of What Hinduism Is And Who Is A Hindu. In Doing So, The Book Also Provides An Opportunity To Engage With The Politics Of Hindutva And Its Various Manifestations In The Contemporary Political Scenario. Prema Tuza Rang Kasa?

As a young law graduate in Sialkot (now in Pakistan), Kuldip Nayar witnessed at first hand the collapse of trust between Hindus and Muslims who were living together for generations, and like multitude of population he was forced to migrate to Delhi across the blood-stained plains of Punjab. From his perilous journey to a new country and to his first job as a young journalist in an Urdu daily, Nayar's account is also the story of India. From his days as a young journalist in Anjam to

heading India's foremost news agency, UNI and from mainstream journalism to starting his now immensely popular syndicated column, 'Between the Lines', Nayar has always stood for the freedom of press and journalism of courage. Widely respected for his columns, his autobiography opens on the day Pakistan Resolution was passed in Lahore in 1940 and takes us on a journey through India's story of a nation working on its foreign policy, development plans, relations with neighbouring countries, and dealing with coalition politics among others. From events of historical and political relevance like Tashkent Declaration and the 1971 war and the liberation of Bangladesh, to interviewing Zulfikar Ali Bhutto and Mujibur Rahman and from meeting Pakistan's father of nuclear bomb, Dr A.Q. Khan, to his close association with Lal Bahadur Shastri and Jayaprakash Narayan, Nayar's narrative is a detailed inside view of our nation's past and present. The new edition of Kuldip Nayar's widely popular autobiography, *Beyond the Lines*, now comes with several changes including his remarks relating to Shekhar Gupta, Editor, the Express Group, and his reference to a former president of Sikh Student's Union, both of which he retracted and regretted for at the launch. All subsequent editions of the book come with these changes.

Beyond the Lines

Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning

prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite--or because of--her irreverence, faith is a natural subject for Anne Lamott. Since *Operating Instructions* and *Bird by Bird*, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers--her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And *Traveling Mercies* is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, *Traveling Mercies* tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.

The Constant Princess

The first Dalit autobiography to be published, *Baluta* caused a sensation when it first appeared, in Marathi, in 1978. It quickly acquired the status of a classic of modern Indian literature and was also a bestseller in Hindi and other major languages. This is the first time that it has been translated into English. Set in Mumbai and rural Maharashtra of the 1940s and '50s, it describes in shocking detail the practice of untouchability and caste violence. But it also speaks of the pride and courage of the Dalit community that often fought back for dignity. Most unusually, *Baluta* is also a frank account of the author's own failings and contradictions—his passions, prejudices and betrayals—as also those of some leading lights of the Dalit movement. In addition, it is a rare record of life in Maharashtra's villages and in the slums, chawls and gambling dens of Mumbai.

“The first thing to be said about Ellen Johnson Sirleaf’s *This Child Will Be Great* is that it is exceptionally well written, a true story that seems as much a thriller as the remembrances of an ambitious and brave woman. . . . This timely book, essential for anyone who hopes to understand West Africa in general and Liberia in particular, is a lesson in courage and perseverance.” —Washington Post
From Liberian President Ellen Johnson Sirleaf—Africa’s first elected female president—comes an inspirational memoir about her improbable rise to international prominence, her fight for political freedom, and her unwavering

determination to rebuild Liberia in the wake of civil war.

Discover Your Destiny with The Monk Who Sold His Ferrari: The 7 Stages of Self-Awakening

A Dalit, a Buddhist and a feminist: Urmila Pawar's self-definition as all three identities informs her stories about women who are brave in the face of caste oppression, strong in the face of family pressures, defiant when at the receiving end of insult, and determined when guarding their interests and those of their sisters. Using the classic short story form with its surprise endings to great effect, Pawar brings to life strong and clever women who drive the reader to laughter, anger, tears or despair. Her harsh, sometimes vulgar and hard-hitting language subverts another stereotype — that of the soft-spoken woman writer. Pawar's protagonists may not always be Dalit, and the mood not always one of anger, but caste is never far from the context and informs the subtext of each story. As critic Eleanor Zelliot notes, there is 'tucked in every story, a note about a Buddhist vihara or Dr Ambedkar. All her stories come from the Dalit world, revealing the great variety of Dalit life now.' Published by Zubaan.

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills.
