Roman Battle Tactics 109BC-AD313

Tom's quest to free the Mistress of the Beasts brings him to a sweltering jungle. There he must defeat cunning Amictus. But what chance does Tom have against the Beast's incredible speed? And what is the secret his father and Wizard Aduro are keeping from him? Don't miss KRABB, MASTER OF THE SEA - HAWKITE, ARROW OF THE AIR - KOLDO THE ARCTIC WARRIOR - ROKK THE WALKING MOUNTAIN - TREMA THE EARTH LORD

ArchEnemy

A collection of 42 projects in 1/12 scale lace. Advice covers equipment, beginners' braid, stitches and techniques, followed by pieces for every room in the dolls' house. The projects include curtains, shawls, bedspreads, parasols and a tablecloth.

Out of the Sun

In his quest to capture the pieces of the Amulet of Avantia, Tom must battle the ghost beast Rashouk the cave troll, who can smell his victims' fear and turn them into stone.

Stampy Cat Coloring Book

The Adventures of Balto

The book clearly explains and illustrates the mechanics of how Roman commanders - at every level - drew up and committed their different types of troops for open-field battles. It includes the alternative formations used to handle different tactical problems and different types of terrain; the possibilities of ordering and controlling different deployments once battle was joined; and how all

this was based on the particular strengths of the Roman soldier. Covering the period of "classic" legionary warfare from the late Republic to the late Western Empire, Ross Cowan uses case studies of particular battles to provide a manual on how and why the Romans almost always won, against enemies with basic equality in weapon types - giving practical reasons why the Roman Army was the Western World's outstanding military machine for 400 years.

Bonnie Bat

Sungi Bear, inspired by the will to demonstrate the magic of the "imagination," is a cute little cub who loves to take his friends on adventures. through a fascinating world of the one and only Stampy Cat and his many friends. All illustrations are beautifully detailed and waiting to be brought to life through coloring. Boys and girls will love to join in the adventure with this coloring book based on StampyLongHead video series!

Freddy Buttons and the Little Lost Hen

Poor little worm meets some remarkable animals, all with a claim to fame: the toughest (gorilla), fastest (falcon), longest tongue (chameleon), and most intelligent (human), among many others. He returns home feeling weak and inadequate until he realises that making compost is one of the most important things in the world. Lavishly illustrated and with some intriguing detail, this is a funny, thoughtful tale with an environmental message and plenty of talking points about diversity and self-esteem. Paul Fitzgerald is radical political cartoonist and activist known as Polyp. His work regularly appears in New Internationalist magazine and he has published several books. Eva Schlunke grew up off-grid in the Australian bush. She is a painter, illustrator, and prop builder. Both live and work in Manchester, United Kingdom.

Lust Killer

When a world-famous shoe designer walked into his surprise birthday party and saw the cake that was waiting for him--a Manolo stiletto perched alluringly next to a tissue-filled shoebox--it was his turn to ogle someone else's talent. The cake, created by Elisa Strauss of Confetti Cakes in New York City, was a sensation. Not only did everyone at the party want to know how it was made, they wanted to know how to create something as dazzling themselves. This unique book contains projects for every skill level: from gorgeous, sugar-dusted heart cookies to delightful billiard-ball cupcakes, to sculpted cakes in the shape of wine bottles and Chinese takeout boxes, to the extravagantly beautiful, threetiered embroidery cake showcased on Sex and the City. With delicious recipes, stunning creations for every occasion, suggestions for time-saving shortcuts, and hot tips for fabulous results, all illustrated with gorgeous photographs and easy-to follow diagrams, THE CONFETTI CAKES COOKBOOK is a must-have for the outrageously chic baker in all of us.

ShellieMay the Disney Bear

Harry Barnett is shocked to learn that he has a son - David Venning, a brilliant mathematician, now languishing in hospital in a diabetic coma. And this is only the first and smallest of the mysteries he is about to encounter. It is not known whether David's condition is due to an accident or a suicide attempt. But Harry discovers that his mathematical notebooks are missing from the hotel room where

he was found. And two other scientists employed by the same American forecasting institute have died in suspicious circumstances. Driven on by the slim hope of saving the son he never knew he had, Harry goes in search of the truth and finds himself entangled in several different kinds of conspiracy - none of which he ought to stand the slightest chance of defeating.

Sungi Bear Makes New Friends

"This quiet character study succeeds on several levels, but its most potent component is the clearly recognizable and utterly naked humanity." -- Publishers Weekly (starred review) "Campbell's watercolouring effects take his art into vivid new horizons [his] images skilfully complement and sometimes counterpoint White's witty third-person, documentary-style narrative This saucy satirical portrait is pure delight."-- Paul Gravett, author of *Graphic Novels: Stories to Change Your Life* "Wholly original, painfully astute and -- wonder of wonders -- surprisingly redemptive."-- Steve Duin, *The Oregonian* "The most satisfying piece of fiction I've experienced this year of any format. I really can't recommend it highly enough."-- *Avoid the Future* "There's a great emotional impact as the book progresses, underscored by Campbell's art. The Playwright is a touching and masterful work that is definitely one of the 'must own' graphic novels of 2010."--Chad Nevett, *Comic Book Resources* Praise for *Eddie Campbell (Alec, From Hell)*: "No one else in the medium combines emotional truth, literary intelligence, and formal daring with

such adroitness and elegance."- _ Booklist "Campbell is one of the premier cartoonists of his generation."-- Publishers Weekly Artist Eddie Campbell and writer Daren White have teamed up to present a most peculiar love story. The Playwright rather enjoys a quiet moment in the local park. It is a good place to mentally sort his ideas, and is often frequented by pretty young ladies. He once saw a pigeon defecate onto a businessman's shoulder. It struck him as absurd that such an event is often considered lucky. Surely the luck lies with passers-by who, statistically, are far less likely to be similarly soiled at that precise moment. Similarly, the Playwright has always derived an almost perverse sense of relief upon receiving news that an old friend has developed prostate cancer. Because statistically, he reasons, such news significantly reduces the chances of himself being similarly afflicted. And to be honest, at his age, his prostate needs all the statistical support he can muster The Playwright: a dark comedy about the sex life of a celibate middle-aged man.

Architecture by Georg W. Reinberg

Discover the fate of Wonderland- and imagination itself- in this riveting conclusion to the New York Times bestselling trilogy. The Heart Crystal's power has been depleted, and Imagination along with it. The people of Wonderland have all lost their creative drive, and most alarmingly, even Queen Alyss is without her powers. There is some comfort in the fact that the vicious Redd Heart seems to be similarly

disabled. Amazingly, she is attempting to team up with her enemy, Alyss, in order to reclaim Wonderland from King Arch. Alyss might have no choice but to accept Redd's overtures, especially when she begins to receive alarming advice from the caterpillar oracles. Page-turning and complex, this culmination of the Wonderland saga is intensely satisfying.

Adventures of Stanford and Samantha

For centuries, historians and novelists have portrayed the Knights Templar as avaricious and power-hungry villains. Indignant at the discrepancies between fact and fantasy, Pernoud draws a different portrait of these Christian warriors.

Uncanny X-Force

Introduces different types of birds and how they eat, sleep, and survive.

The Battle of Britain

Freddy Buttons is very worried. Henny Whitefeather is missing. Even the FBI (Freddy Buttons Investigators) has run out of ideas. Has Felix the Fox taken her? Will they ever find her? But the FBI is not ready to give up just yet... Join Freddy,

Juno his dog, and all the creatures at Tumbledown Cottage as they try to solve the mystery of the Little Lost Hen. Join Freddy Buttons on his adventures at Tumbledown Cottage, and learn interesting facts about where your food comes from as he solves foodie mysteries with the FBI. And don't forget to try the recipe!

Coco the Crazy Pup

Balto, the great Alaska sled dog, has been dead since 1933. But he still stands larger-than-life on Dogdom's Mount Olympus, where the world's great canines are immortalized. Yet few people know Baltos true story. Only one small part has been told, and even it has been distorted. Several Balto books have been written. There's even a Balto animated movie, but it, too, is largely fiction. (Balto was NOT part wolf!) Like the books, the movie leaves off where this book begins — and tells the best part of the story. Balto was only three years old when he helped carry serum across Alaska from Nenana to Nome to save the town's children from diphtheria. As leader of the last dog team in the life-saving relay race, he became an overnight sensation — a BONEa fide international celebrity. But much more happened after that. Balto lived for eight more years. His days unfolded like a sled expedition to the North Pole, carrying him in an exhilarating rush over smooth snow one minute, an icy hummock the next. And how does the new story end? With a heart-thumping surprise that you can't imagine — and neither could have Balto. Hook up your harness, step into Balto's booties, and mush off to Balto's true

story.

Miniature Bobbin Lace

If you've never met a cat who is also a bat then please do take a look inside. Follow Bonnie on her adventures, it'll be a real please, just sit back and enjoy the ride!

Playwright, The

Presents instructions for creating thirteen traditional patterns that gained popularity in the 1930s.
