Before You Were Born

Briefly describes the nine months of life before birth.

Before You Were Born

“Before...You were a song in our hearts, a star in our eyes.” Told from the perspective of new parents welcoming their baby to the world, this touching love letter to young children by Governor General’s Literary Award-nominated author Deborah Kerbel describes with lyrical grace all of the promise held by new life. As the seasons change from fall through winter and into spring, the expectant parents’ anticipation over the baby’s arrival is mirrored in the animals around the family’s seaside home, marrying the natural world to the family’s experience. Suzanne Del Rizzo, author-illustrator of *My Beautiful Birds* — a *New York Times* Notable Children’s Books selection and winner of the 2018 SCBWI Crystal Kite Award — adds an intricately tactile element with her lush illustrations rendered in polymer clay and acrylic wash, depicting the animals in scenes at times playful and other times serene.

Before You Were Born, I Knew You

What child isn't curious about those first days of life? In *Before You Were Born*, Nancy White Carlstrom expertly portrays the sense of wonder new parents feel and reveals the many ways a family grows and changes when a child arrives. Inspired by Psalm 139, this lyrical book celebrates the mystery of how each child is a unique and important part of God's plan. With warm, joyful illustrations, *Before You Were Born* tenderly conveys the excitement and love with which parents welcome children into their lives.

It's not easy to pick up a Bible and understand who Jesus Christ was or what he taught. This is a short introduction to God, to Jesus, and an easy to understand framework of Christ's teachings. This is written with hope that those with longing spirits, curious about Christianity but loathe to tackle a 900 page Bible or go to Church, will read this as a first step to Christ. Those without a minister may not know where to start and need a guide. This can be a private starting point and a private guide, but all are encouraged to seek their brothers and sisters in Christ who will love them unconditionally and help them along the way. This small collection of verses is a supplement to, not a replacement for, the Bible. When

one's spirit longs for God, this guide points to Christ as the answer with citations to the places where those answers are found in the Bible.

Before You Were Born My Wish for A Baby

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.

It is natural for young children to be curious about where they come from. Your Soul's Gift

As children grow and their curiosity about themselves and the world around them expands, they begin to wonder where they came from. Loving parents can remind their children of just how important and remarkable they are both to their families and in the eyes of God. In this work of verse, author Monisha Annabel Jador helps parents bring their children wonder imagination and fun, resounding with love for the wide eyed wonder of children's innocence. Adapted from a thoughtful dream, this illustrated poem offers a message that piques the creative nature of children and fulfils each child's need to know they are loved beyond measure. Conscious of the needs of the world, Monisha has pledged a portion of the proceeds for this

book to supporting children in need and animal rights.

I Knew You Before You Were Born

God Knew You Before You Were Born. He knew you'd be afraid of the dark. He knew you'd be scared of the monster under your bed. He knew the other kids at school might tease you. He knew you'd get hurt. But God also knew there wasn't a monster under your bed. He knew you shouldn't worry about the other kids at school. He knew a whole box of Band-Aids would help your boo-boos. He knew your parents. He knew they'd love you and take care of you. So he let you go, but he'll always be there for you. Sondra Hall Beadore lives in Alabama.
