In this steamy thriller from #1 New York Times bestselling author Sandra Brown, a savvy attorney in small-town Texas will stop at nothing to catch the man who murdered her mother. Alexandra Gaither is a beautiful lawyer who finally has the power to get what she's always wanted: justice. Armed with new evidence that could lead to an arrest and a conviction, Alex revisits the remote Texas town where her mother died twenty-five years ago. There she confronts the three powerful men who were with her mother the night she died: her former lover, his best friend, and the father figure to them both. Each is charming, each is a suspect, and each has secrets to hide. But none of them can stop Alex's determined search for the truth. Alex's relentless investigation creates controversy and excitement in this small community. And as she uncovers decades-old intrigues, someone capable of clever lies and remorseless acts decides she must be stopped. Now, with a one-month deadline from the attorney general to either wrap up the case or drop it for good, Alex must work diligently to catch her mother's killer . . . and find a way to stay alive.

perfect, wild, loud-mouthed yang to Fay's yin. But when Fay is found dead, Morgan's entire world crumbles. Years later, Morgan is still haunted by the abrupt end to her best friend's life. She knew Fay held a secret in those final days, but Morgan, now a homicide detective, has failed to make a picture out of the crooked puzzle pieces she left behind. Nothing makes sense. The leads have run dry. Until she's called to the scene of a murder: a woman whose body is left mangled, too similar to Fay's to ignore. Could it be? Morgan vowed to do right by Fay. This is the case she's been waiting for to set her back on the killer's trail. But the closer she gets, the harder it forces her to confront the memories of herself and her best friend.
