In fact, one of the thieves protected her. Now Juliette's dreams are haunted by him. Christian has waited to take her, resisting the urge each night. It always ends badly with human pets. They're too fragile. The longer he can wait, the better, because the moment he takes her, the clock on her life starts ticking down. Then she'll be gone forever. Publisher's Note: This is a work of fiction, and contains content meant for a mature audience. WHAT OTHER AUTHORS ARE SAYING ABOUT THE LAST GIRL: "In this fresh take on star-crossed love, Ms. Thomas pairs deeply poignant emotion with unforgettable imagery. This one will stay with you long after you've finished reading." -- Annabel Joseph, author of "Comfort Object" "In a time when current vampire fiction seems to be dominated by creatures behaving as pretty humans with fangs, it is so exciting to read a dreadful love story like "The Last Girl." Finally, we have a vampire who is unapologetic for being a predator." --Claudia D. Christian, author of Darling, Book 1 of the Beloved series If you enjoy The Last Girl, you may also enjoy other titles by Kitty, but especially Comfort Food and Blood Mate.

If you speak of this or bring anyone with you no deal. But his price isn't money. It's me. THIS IS A STANDALONE contemporary dark romance.

## **Comfort Food**

Published in 1865 and edited by abolitionist L. Maria Child, *The Freedmens Book* was intended to be used to teach recently freed African Americans to read and to provide them with inspiration. Thirsting for education, Freedmen were eagerly enrolling in any schools that would accept them. Child saw a need for texts and provided one of collected stories and poems written by former slaves and noted abolitionists, herself included.

## **Guilty Pleasures**

*Dark Fairy Tales* by Kitty Thomas This work is meant for a mature, adult audience and contains content which may or may not match the personal tastes of every reader. Enter a world of mythological places, mermaids, king's harems, dragon-like beings, and gypsies—a world of erotic domination and submission in times and places far different from our own. *Submissive Fairy Tales* is a collection of previously published erotic novellas by Kitty Thomas: *The Auction*, *Awakening*, and *The King's Pleasure*. *The Auction* Belle Walker lives in a strict society where women are treated as property, sold to the highest bidder soon after their eighteenth birthday. The monsters outside the city have promised to leave them in peace, but one of them is intent on having Belle as his own. *Awakening* Nerina has lived all her life as a mermaid, fascinated by humans and land but also repulsed by sex and unable to understand love. Her curiosity gets her captured by a human male intent on awakening her lust and turning her human. *The King's Pleasure* In the kingdom of Himeros, Abigail is despised for her gypsy heritage. Pushed to the fringes of society, she's forced to break the law in order to help feed her family. When a castle guard catches her stealing bread, he intends to cut off her hand for the

offense, but the King has other plans. What Readers are Saying About Submissive Fairy Tales: "I'm a huge Kitty Thomas fan, she is a definite one click author for me--since I became acquainted with the novel comfort food. You should know going into this read that it is done on the premise of fantasy; therefore in order to enjoy this book you are going to have to be a reader who can allow your imagination to go with the flow of the author's intent. The book covers the lifestyle and behaviors of those who practice BDSM. It covers things like dominance, submission, degradation, and even the occasional mind !@#\$\$%." -Suzanne Steele "I don't know what words to use to express how I feel about this book, but I'll try. I am a big fan of erotica. This book takes erotica to a whole new level. This is a very dark read and is not for the faint of heart. There is a lot of BDSM and non-consensual seduction (Fifty Shades is tame in comparison). This is a book of three short stories. Some of the scenarios are mind boggling, but that is why we read these fantasies. You will have to relax your mind and go with it. " -Cherryreads "Sexy-sinister writing from the darkly talented erotica author, Kitty Thomas." -Dee18 "I'm a pretty big fan of Kitty Thomas and I love fairy tale retellings, so I was really excited when she bundled these little stories into a nice dark package. Is it dark? Yes. Is it erotic? Very much so!" -Amanda Booklvr "Well written and edited. There are a few low reviews here, and I don't get it. So much of the BDSM available out there is schlocky smut -- Kitty Thomas's stories aren't schlocky or smutty. These are fantasy, or "fairy tales," typical of the best capture/slave stories. They are exactly what the author discloses when she say: don't read if you're offended by." No surprises, just short, well-written imaginings. A couple reviewers rated this low because they wanted the stories to be longer. I think that's also unfair, as they are labeled fairy tales, therefore, clearly will be short. That said, any one of them could be expanded into a full-length, highly erotic story -- on the order of Comfort Food. As it is, I enjoyed the collection and would recommend to anyone who likes Capture/Master/Slave fiction." - LA Kristy "All three were beautifully written tales (the first, about a "dragon" master; the second, a mermaid brought to human form by the Lord of the Castle; the third, the King of a mythical kingdom and his Gypsy slave) engaged readers who were willing to suspend logic. The BDSM aspects of all the stories were light (although the last tale was a bit darker than the others). As with most of the BDSM erotica recently written, none of this is to be taken too seriously and is meant for entertainment only--not guidelines for a "D/s relationship." - Teacher Lady "Kitty Thomas takes Kinky to a higher level!" -Larissa "Kitty's writing is a beautifully obscene comfort." -Claudia D. Christian, author of Suicide Doll "Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." - Emma Petersen, author of Reign of Pleasure More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Big Sky Mafia Captive Blood Mate Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas. ## The Capture Fantasy Collection

Warning: Big Sky is DARK literary erotica meant for an emotionally mature, adult audience. This work is not romance. Nor is it "50 Shades". Do not expect an HEA. If you are familiar with this author's work and enjoyed Comfort Food, you may also enjoy this title. If you are unfamiliar with this author, you might first want to try some of her tamer/lighter works such as Blood Mate or Mafia Captive to see if her style might be for you. Big Sky is a work of fiction and neither the author nor the publisher condone the behavior of any characters in real life. Description: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her--unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life under an open sky? What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big SKY is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional stories that are dark erotica, so going into this novel I knew what to expect. While this book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." -KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic novel, but that just doesn't seem quite enough." - Charles M Smith II "Kitty Thomas had done it again. She's ensnared me in her web of dark and disquieting words. The dark subject matter of BIG SKY rivals that of COMFORT FOOD (a book that still haunts my thoughts years after reading). Let's just say that the antagonist/hero in BIG SKY makes Master from COMFORT FOOD seem like a well-adjusted individual. ;-) And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went there and I commend her for that. Just some of the scenes were too much and in the end I felt truly sorry for Veronica. I guess her only savior is that beautiful blue sky. Out of a 5 I'm giving this book 3 stars. Prepare yourself this book is not for everyone, but if you do read please go in with an open mind. This book was very good." - Lynne "In the end, I was struck by the sadness of unrequited love of two individuals,

which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock value, they're about broken people. Yes, this one covers entirely new territory, and it's not for everyone, but it has a wonderfully bittersweet ending." - Candice Bundy "Big Sky is a sexual fantasy scenario packaged in realism, written in a way so that if the scenario could indeed be brought to life, how would it then play out in the most realistic fashion? And in my opinion, this is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion." -iPollux "I bought and inhaled this book immediately after reading Comfort Food. Wow. Kitty Thomas is a gutsy author, and I love that." - D. ### **Full Blooded**

A novel of New York by the critically acclaimed author of *White Fur Lee* is at a tender and dangerous breaking point: she's not a kid anymore but still acting like one. She wants to be an artist, but her rent-paying SoHo restaurant job has taken over, and the late nights at strip clubs and afterhours joints have gone from joyful and crazy to just plain crazy. She's not alone among the chaotic souls of late-90s Williamsburg, Brooklyn—we root for her to grow up but she avoids reality, burying her fears in vintage Dior dresses, bad cocaine, cheeseburgers, and whiskey. Things slide downhill when she accepts money from her older boyfriend Yves, something she swore she'd never do, until she was being evicted. Meanwhile, Kelly—a new bartender with homemade tattoos and a murky past—shows up on the scene. Lee can be both narcissistic and earnest as she leads us through dark, glittering underworlds of New York City. Libaire's voice, like her heroine, is tough, elegant, and full of dreams. Here Kitty Kitty is an unforgettably vivid portrait of a woman finding her way at the turn of the twenty-first century.

Together, the two men extend good cheer to an increasingly restless populace as they attempt to evade Prohibition. In a journey that becomes a rollicking madcap adventure, the two travel round England, encountering revolution, romance, and a cast of memorable characters."--Back cover.

But Fiona's father throws her new life into disarray when he dupes her into an overnight trip that results in a hasty engagement to Don Koo, the spoiled son of a wealthy chef. Determined to thwart her parents' plans to marry her off into Asian suburbia, Fiona seeks her freedom at any price. How far will she go to bury the Hello Kitty stereotype forever? Fiona's journey of self-discovery is biting and clever as she embraces her true nature and creates her own version of the American Dream, eliminating--without fear or remorse--anyone who stands in her way.

## Perfection

The Capture Fantasy Collection by Kitty Thomas is 3 full-length books in one bundle. (Digital retail value: \$15.) This bundle contains: Comfort Food, Mafia Captive, and Big Sky Comfort Food: Emily Vargas has been taken captive. As part of his conditioning methods, her captor refuses to speak to her, knowing how much she craves human contact. He's far too beautiful to be a monster. Combined with his lack of violence toward her, this has her walking a fine line at the edge of sanity. Told in the first person from Emily's perspective, Comfort Food is a tale of erotic surrender that explores what happens when all expectations of pleasure and pain are turned upside down, as whips become comfort and chicken soup becomes punishment. Mafia Captive: Faith Jacobson was in the wrong place at the wrong time. After witnessing a mob hit, she's only moments from death when Angelo Raspallo decides to give his brother an unlikely gift. Leo has avoided involvement with the family business, but it doesn't make him a saint. He's troubled and ashamed by his darker sexual desires, one of which is to own a slave. But when his brother throws Faith at his feet, repainting the scenario to make Leo the hero rescuing her from certain death, his moral fortitude will be tested. If Faith were kinky, it would be easy to live out his fantasy, but she's not. Not even a little bit. Even the mildest spanking sparks terror in her that Leo can't bear. The gift soon becomes a burden as he fights with himself over how to handle the addition to his home. He could release her, but his brother doesn't do loose ends. The only thing keeping her out of the bottom of the harbor is Leo's mercy. She's like a beautiful piece of art he keeps in a glass case but can never touch. Is possessing her enough? Big Sky: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her—unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life under an open sky? Disclaimer: This work is meant for an emotionally mature adult audience and contains content of a sexual nature. If you want to expand your mind while reading a steamy hot BDSM psychological thriller with an mind blowing ending, then go ahead and give this a try. I dare you." - Wendy G "This is a very unusual and good story that explores themes of power, control, dominance and enforced submission and the psychology of captivity, isolation and reliance, but as it turns out the story is told from the perspective of both the Dominant Master as well as Emily and her journey into submission." -Carocaró "Kitty Thomas took me on a psychologically revealing roller coaster of a ride in Comfort Food. It's a story that explores dominance & control, forced captivity, sensory deprivation, non-con BDSM, & eventual forced submission" - Angela Wallace "Comfort Food is crazy. Emily Vargas is crazy. Her captor is definitely

crazy. And, after reading this book, I think I might be a little crazy. Can a book give you Stockholm syndrome by proxy? Because it definitely feels that way." -Letitia

"The exploration of Stockholm syndrome was insightful. To see conditioning techniques successfully applied was fascinating. This is a memorable tale; I certainly have never read a story like it. I read it in a few hours. The erotica was dark BDSM / master-slave." - Sinfunni " I wonder if perhaps I've read so much dark erotica that it's lost some of it's shock value for me. I know that the only acceptable feeling to have towards Mr. Tall dark and nameless is disgust yet I never quite made it there. I'm choosing not to look too far into what that says about me as a woman, but hey, its fiction. That makes it ok. Right?" - Amazon Customer

"First let me start out by saying, this is DARK erotica. If you do not like this kind of book, don't read it get tired of reading reviews dissing the dark erotica/ dubious consent, stating it was "sooo uncomfortable" well don't read these titles, duh! Now for me, I love it. Dark Erotica is unpredictable, unconventional and most of all a whirl wind of emotions. Furthermore, saying that you could not form an attachment to Emily and Master is like saying you didn't read the book, it was about nothing but Emily and Master. I guess if one is unable to get past the kind of twisted relationship they had, then it would be hard to form attachment." - Amanda Rae

"`Comfort Food' is dark erotica. Kitty Thomas is writing extreme BDSM erotic fiction - master/slave masochism without the simulated `tie me up, tie me down' sex games The Wasabi of Erotica" - Dee18 "I had read novels about bdsm and Stockholm syndrome but not like this. This one ruined many other books for me in that genre, lol, because it was that good (this is the one to beat). Comfort food crossed this little fine line between reality and fantasy . the majority of the books on the capture/kipnap/slavery theme you can view them like fantasy but Ms Kitty Thomas push the envelope taking it to a more realistic and plausible scenario. The severe case of Stockholm syndrome that Emily had towards Master is shocking, and let you wonder when does Stockholm syndrome grows into obsession or love." - Jay Benitez "My first dive into Dark Erotica and Kitty Thomas leaves me begging for more. As disturbing as Comfort Food is, it was also riveting. Emily Vargas has been taken captive, and in order for her captor to break her to his will, he removes the one thing she craves most--human contact. He tortures her with silence and offers comfort with chicken soup. And all too soon, Emily learns what it will take to get her abductor to give her what she craves." - Love, Lust, Books

What Readers are Saying about Mafia Captive: "If you've never read a Kitty Thomas novel, I think that Mafia Captive would be a great first book to try. Dip your toes into the dark erotica world that is Kitty Thomas" - Letitia "If your a Kitty Thomas fan or a dark erotica fan at all you will love this book!" -Kellybear "This would be an excellent read for anyone who is interested in exploring a captive-themed story with a smidge of darkness, but hasn't quite worked up the nerve to "go there." MAFIA CAPTIVE is definitively a "must read" for anyone who enjoys unique stories laced with BDSM elements, powerful characters and the slightly darker side of erotica." - Bookie Nookie "Mafia Captive held me captive from page one through to the end. I could not put this book down. Kitty Thomas understands how to engage her audience and keep their attention." - Lina Sacher "Kitty Thomas is well known for her dark, literary erotica but I think this novel shows a slight departure for her. She's definitely showing her softer, more romantic side and if you've feared reading her books before because the content scares you a little, then I think you should give this one a try." - Sinfully Sexy Book Reviews "Kitty just keeps delivering dark erotica. Pain, pleasure, fear, control, mesh together to capture the reader's

attention. True suspense of the erotic kind." - JMM "As for Mafia Captive, I wasn't sure how I was going to like it. I had heard several people rumbling about how it was so different for Kitty. The main character, Faith, wasn't even kinky. Then I just found it amusing that so many people had just boxed Kitty into this kinky corner and rebelled when she wrote something different." "And THAT is why this book is so great. It's not because Leo is into BDSM, because he is in a big way. It's not because he forces the lifestyle on this young girl, because he doesn't. As I'm sure you know, Kitty Thomas is Zoe Winters. And when Kitty is Zoe, she has a terrific voice and her stories grab you. But when she is Kitty, she grabs you and doesn't let go. She crosses the lines and flips the critics off from the other side. This story was complex. It was very emotional at times, sometimes even a bit funny. There are things that happen that will make you gasp and get angry at this person or that person. Sometimes you might feel like justice happened. And at others, you will fear for what's to come. And that is why I loved Mafia Captive." - Liz @ Fictional Candy "Kitty weaves an incredible story and I love the rich cast of characters she creates in Mafia Captive. She is a very gifted storyteller and whether you love or hate Leo, you will love this very dark and very sexy BDSM-themed book. Another great and twisty story from the mind of Kitty Thomas." - Book Bellas What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big Sky is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional stories that are dark erotica, so going into this novel I knew what to expect. While this book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." -KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic novel, but that just doesn't seem quite enough." - Charles M Smith II

### **Broken Dolls**

Pushed to the fringes of society, she's forced to break the law in order to help feed her family. When a castle guard catches her stealing bread, he intends to cut off her hand for the offense. Niall has just taken the throne and is determined to prove he isn't a monster like his father. Awakened by the cries of a gypsy, he spares her from the guard's blade and takes her as his slave instead. service to the king's pleasure. \*This work is a novella of 21,000 words. Depending on reading speed, 1-2 hours of reading time. This book is intended for an adult audience. What Readers are Saying About The King's Pleasure: "The King's Pleasure is the third novella in Kitty Thomas' erotic fairy tale collection. This novella was my favorite one out of all of them. It pushed every one of my dark, erotic, kinky buttons." - AsianCocoa "If you are a fan of Kitty Thomas, you will not be disappointed with this story. Leave it to Ms. Thomas to blur the lines of fantasy and reality in a sensational combination of BDSM elements and a solid story resulting in a great read!" - Bookie Nookie "As with all of Kitty Thomas's erotica novellas, `The King's Pleasure' is a world unto itself and a succulent little slice of story. There's so much packed into this little novella; politics, love, romance and a beautifully erotic tale between a king and his `slave' (whose love turns a kingdom on its head). Beautiful, as always, I can't wait for Thomas's next novel, `The Last Girl'" -Dee18 "This is some of Kitty's best writing yet: hot sex, awesome characters, great world, and the deep psychological exploration of the kink lifestyle that marks all of Kitty's work." -Nattie Jones "The night after I had read The King's Pleasure, I picked up another of her books called Guilty Pleasures which was just so intense and sizzling hot! I can honestly say I'm hooked on Kitty!" -Amazon Customer "If you are interested in reading dark erotica, I would recommend the novels. Comfort Food is the most disturbing, and good literature is often disturbing. Tender Mercies is the best love story, and likely to be a favorite." -E. Wakeman What Other Authors are Saying About The King's Pleasure: "King's Pleasure pushed all my buttons. The vulnerable heroine, and the perverse and powerful king who you suspect still has a golden heart... A hot, well-imagined fantasy world and sexy, touching emotional interaction. This is Happily Ever After for the kinky set!" - Annabel Joseph, author of Odalisque. "Another amazing read from Kitty Thomas. One thing I can count on from this author is to create a read unlike anything else on the market. From fantasy to sci-fi to contemporary, her books always defy categorization. Whatever the setting, when I want the real deal when it comes to exploring master/slave relationships, I turn to Kitty's stories. With work that's powerful, sexy and intense, she never fails to deliver." ~ Cari Quinn, author of Provoke Me More dark literary erotica by Kitty Thomas: Dark Erotic Novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Submissive Fairy Tales (latest release--anthology of The Auction, Awakening, and The King's Pleasure.) ### **A Star Is Bored**

The Auction is the first novella in the dark literary erotica anthology: Submissive Fairy Tales by Kitty Thomas. The Auction is a 20,000 word novella. (1-2 hours of reading time, or approximately 80 pages.) DESCRIPTION: Belle Walker lives in a strict society where women are treated as property, sold to the highest bidder soon after their eighteenth birthday. But the auction isn't the only danger. Though she's never seen them, she knows monsters live outside the city. These creatures have

allowed the humans a small area to inhabit with the promise to leave them in peace as long as they never cross the boundary. On the day Belle is sold, one of the monsters breaks that promise and enters the city, intent on having her as his own. \*\*This book is intended for an adult audience.\*\* What Readers are Saying about The Auction: "If you enjoy erotica, are not averse to reading about dominance and submission, and like a sci-fi twist, this may just be the book for you." -Mistress of the Dark Path "I loved the world Kitty Thomas created. It's a little bit sci-fi, with a touch of historic slavery and plenty of dark erotica. I thought the inclusion of 'monster masters' was quite ingenious - so often in Kitty's works the dominant (human) male is bordering on demonic ('Comfort Food', being a prime example). But in 'The Auction' the heroine's sexual partners are, literally, monsters - and one of them even has a devilish resemblance. It's a nice bit of fantasy to play with. And, this being a Kitty Thomas novel(la); the sex scenes are divinely delicious. This is a short story, 20000 words, but she takes the time to write languorous and decadently-detailed sex scenes that will leave readers sizzling." - Dee18 "With Belle, I identified with the fiery submission and with her need to be mastered and controlled by someone dominating and strong. Belle is the possession and her Master is her owner. Master is everything Belle did not know she wanted or needed. He is everything she most feared but also secretly coveted - to be owned and at the mercy of a stranger. With Master, she is able to let go and just be, finally reveling in her deepest and darkest desires." -S. Richards "Even when Kitty Thomas steps out of the box and does something different, she still manages fabulous success!! Like all of her previous work that I've had the pleasure of reading, after reading the final sentence, I'm left pondering and completely awed at her story telling and her ability to craft some of the best Master/slave and D/s relationships that I've ever read!" - Among the Muses "The Auction is a superb Dark Erotica Novella that I read in less than 1h and a half. Sexy, hot, creepy and arousing, all at the same time. I could have never told from the cover, but The Auction has some sci-fi elements, all of which just made the story that much richer." -Larissa "I love Thomas' work! She exactly hit the disquieting nail on the head with just the right amount of intrigue, hot action, Alpha males disguised as an alien race and closure at the story's end. I can't wait to read other works by her." -Dark Erotica Fan "I didn't read the description of this book before reading it, so I had no idea what it was all about. I liked the cover and had heard good things about Kitty Thomas' erotica. I basically went in blind because I loved the idea of a female being auctioned. I had fantasized that the female on the cover would be auctioned off and find true love. This book kinda blew me away because it was erotic in so many ways. If you love sci-fi, dominant alien alphas, erotic sex, and enjoy calling your partner Master or Sirthen I strongly recommend you read this book!" -Sammy Loves Books "Format: Kindle EditionVerified Purchase No question about it: this is smut. Erotica, porn, whatever. It's a plot structured to support some good sex. To be more specific, it's power-exchange sex. It's not so much BDSM as it is about sex between an owner and his slave and how the slave learns to like it that way. If the idea of that offends you, then this is not the book for you. However, if the idea of it turns you on, then this did a pretty good job of presenting that scenario in pretty fantastical terms." -D. Thompson "All in all though, a great novella and a truly enjoyable piece of BDSM erotica that I devoured in less than two hours. If you've read Kitty Thomas before, or even if you're new to this outstanding author and love your romantic reads with darker edge, then I highly recommend 'The Auction'." -J. Valentino What Other Authors are Saying about The

Auction: "If you want lyrical, compelling and thought-provoking erotic fiction, you have to read Kitty Thomas. Just make sure you clear your calendar because you won't be moving until you're finished." - Cari Quinn, author of PROVOKE ME "The Auction is an exotic story that beautifully demonstrates how dominance and submission is a universal condition." - Claudia D. Christian, author of VICIOUS BLISS: FALLEN "Sexy, weird, and super fun--Kitty Thomas Strikes Again." - Tiffany Reisz, author of THE SIREN and SEVEN DAY LOAN, HQN/Spice More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl (latest release) Submissive Fairy Tales (anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Erotic Novellas: Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica. ### **Mafia Captive**

"Grace. That word that finally meant something again. Mercy. Favor. Good will." Fed up with play kink, Grace Warner moves to an island that embraces erotic slavery to be with a man she met online. Within hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the realities of actual enslavement. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins. What Readers are Saying about Tender Mercies: "I discovered Kitty Thomas last year with her novel `Comfort Food'. I likened that erotica novel (about extreme Stockholm syndrome) to literary wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into `Tender Mercies' excitedly knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and pulls you (kicking and screaming) into an abrasive and compelling world of fetishism and erotica . . ." -Dee18 "I've first read "Comfort food" by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best. Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader "safe". The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations." -Lenanena "I recommend it to adults, particularly those interested in aspects of BDSM." -Carocar "Tender Mercies is the type of psychological dark erotica, BDSM book that will leave readers who enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas' writing and concepts. I said it after her last book and I'll say it again -- I don't know how she'll top this! :)" -Among the Muses "I can't believe I have put off reading a Kitty Thomas book for so long! I thought "oh I've read dark erotica this won't be too shocking for me" but I was definitely surprised just how dark this book was. Some scenes definitely caused my stomach to churn and the writing reaches a deeper psychological level than other dark

books I've read." -R Nicole "Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica." -Mel "So my favorite BDSM theme is where the submissive is abused / mistreated by a former Dom / Master and is healing and learning to trust a new Dom. This one fits the theme perfectly. From the first few pages I was hooked and flew right through the rest of it! I love everything I've read by Thomas and this is no exception." -Mrs thj "The story is beautiful, and I love the characters. While the book is essentially dark erotica and non-consensual bdsm, Kitty Thomas still manages to create a beautiful romance between master and slave." -lunaselene "Wow! This book was well written, intelligent dialogue, graphic without being raunchy. I enjoyed the story and it was my second BDSM book. Kitty Thomas has "mad" skills as a writer and I look forward to reading her other books." - Maxine Holmes "As I mentioned earlier, I am in awe of Kitty Thomas' storytelling abilities. I was deeply caught up in the psychological conditioning in her novel Comfort Food and was titillated by the kinky sexual training in Guilty Pleasures. But the plot twists and multi-layered characters in Tender Mercies have made this book another one of my favorites." -AsianCocoa "I first became aware of Kitty Thomas's work with Comfort Food, a book I can honestly say I will never forget. While Kitty writes about subject matter that not everyone is comfortable with, she does so in a way that I find to be deft and almost lyrical. Though her current published stories are contemporary, she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships." - Cari Quinn "I didn't think anything could top Kitty Thomas's Comfort Food, but boy was I wrong. The minute I had Tender Mercies downloaded to my Kindle, I itched to read it. Had it not been for the fact I was deep in addiction with my last read, I could have easily ditched it like I have so many others in favour of what is fast becoming an obsession with Thomas's writing style and her darkly psychological / emotional take on the world of BDSM." -J. Valentino "I'm always skeptical about erotic novels. I don't want to read it and be disappointed at how quickly the author can push through the build-up of characters, backstory, plot, and emotions just to get to the (seemingly) "good stuff". With that said, I want to read more of Ms. Thomas's work because it did everything but that. I was hooked within the first few sentences, and continued to read it straight through in one sitting (after a break or two for snacks, that is)." - Renee "this book was great in that it didn't hide the fact that BDSM relationships sometimes are dangerous and abusive. I liked the realism" -doo3477 "Kitty Thomas is the queen of darker reads and I love her for it. Tender Mercies didnt disappoint at all. If you like the darker reads you will enjoy Kitty Thomas and her books." -Lisa C "One very good reason not to trust strange men you meet on the Internet. A dark story about the darker side of BDSM." - Joy Pelloquin "Kitty Thomas writes darkly erotic novels that are not easily forgotten; Tender Mercies is no exception. Her psychologically disturbing yet erotic stories take the reader on a journey of submission and trust as a way to fulfillment. Comfort Food, Guilty Pleasures, and Tender Mercies all explore the slave/master dynamic, but she manages to make the story different and intriguing each time. Her stories are well-crafted and even though the scenarios are fantastical in a kinky, masochistic sense, I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences. I am slightly disturbed by how much I enjoy her books; as if something this dark should not be enjoyed, but I do. Very much." -Loves FAB Romance "about building trust and showcase that dominance and submission is a game between lovers and not about abuse." - Booklover101 What Authors are

Saying about Tender Mercies: "Kitty Thomas's hottest book yet . . . emotionally gripping and painfully real . . . impossible to read and remain untouched." - Annabel Joseph, author of Owing Wednesday "Tender Mercies is a heart-rending tale that proves Prince Charming doesn't always come charging in with a white steed . . . Sometimes it's just a piece of paper and a platinum collar." - Claudia D. Christian, author of Devil's Descent II: Impure "I have never been more invested in a piece of fiction in my life. Kitty Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." - Emma Petersen, author of Reign of Pleasure "An eerie and disturbing story tempered with compassion and love. I couldn't put it down." - Fallon Blake, author of Wrapped Around Your Finger "Intense and dark. Tender and sweet." -Nattie Jones, author of The Street Urchin

I love how kitty writes. no shame. it's everything I didn't know I wanted." - Drew P. "Such a sexy submissive story. I love Vivian and all the many characters that are thrown into her life. Sequel please, would definitely love more about these characters!" - Kenzie "I read "Comfort Food" and wanted to

read more from the author "Dark erotica" is so much more exciting than the "50 Shades" type story lines! With this book and Comfort Food, I questioned if I could handle reading about the things the character's were subjected to but that wasn't an issue, I was captivated. When about one quarter through the book, I thought it's not going to be as good as "Comfort Food" but that definitely wasn't the case It's a hot book and I loved it!" - Megan "This book is definitely not for the faint of heart. Very intense BDSM but if you have a depraved mind like me, you'll love it!" -AsianCocoa "Kitty Thomas is an incredibly talented erotica writer and storyteller, and she really turned up the heat and the kink in her latest release. Guilty Pleasures is a very erotic and twisted tale that sucks the reader in from the first paragraph. Ultimately, it is a look at one woman's sexual awakening and the drastic steps she must take to arrive there. She must question what is the worse existence, a lifetime of dull, passionless sex in her husband's bed or being "forced" to experience orgasmic kinky sex with strangers. I am so very pleased with the book's ending. Perfect! Highly recommended to those who like darker, BDSM erotica" - Book of Secrets "Guilty Pleasures is a lovely and sweet BDSM story about how a bored, rich and sexually shut-down wife gets her game back. " - Sheri Johnson "In Guilty Pleasures, Kitty Thomas' second novel, she has once again produced a wickedly arousing tale of nonconsensual submission that turned me on, satisfied me and left me wanting for more." -Zelda Gillian More dark literary erotica by Kitty Thomas: Dark Erotic Novels: Comfort Food Tender Mercies The Last Girl Submissive Fairy Tales (anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Dark Erotic Novellas: The Auction Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica. ### **Tender Mercies**

" . . . dark, provocative, and glaringly honest . . ." H. Turley, Reader Emily Vargas has been taken captive. As part of his conditioning methods, her captor refuses to speak to her, knowing how much she craves human contact. He's far too beautiful to be a monster. Combined with his lack of violence toward her, this has her walking a fine line at the edge of sanity. Told in the first person from Emily's perspective, Comfort Food is a tale of erotic surrender that explores what happens when all expectations of pleasure and pain are turned upside down, as whips become comfort and chicken soup becomes punishment. **DISCLAIMER:** This book explores mature themes and is not suitable for those who can't handle them or minors. The author does not condone the behaviors carried out by her characters. What Readers are Saying About Comfort Food: "If you enjoy reading romance lightly drizzled with some vanilla sex and a dusting of fairy tale fantasies wrapped up in a happy ending, then this is probably NOT the book for you. If you want to expand your mind while reading a steamy hot BDSM psychological thriller with an mind blowing ending, then go ahead and give this a try. I dare you." - Wendy G "This is a very unusual and good story that explores themes of power, control, dominance and enforced submission and the psychology of captivity, isolation and reliance, but as it turns out the story is told from the perspective of both the

Dominant Master as well as Emily and her journey into submission." -Carocaró  
"Kitty Thomas took me on a psychologically revealing roller coaster of a ride in Comfort Food. It's a story that explores dominance & control, forced captivity, sensory deprivation, non-con BDSM, & eventual forced submission" - Angela Wallace "Comfort Food is crazy. Emily Vargas is crazy. Her captor is definitely crazy. And, after reading this book, I think I might be a little crazy. Can a book give you Stockholm syndrome by proxy? Because it definitely feels that way." -Letitia  
"The exploration of Stockholm syndrome was insightful. To see conditioning techniques successfully applied was fascinating. This is a memorable tale; I certainly have never read a story like it. I read it in a few hours. The erotica was dark BDSM / master-slave." - Sinfunni " I wonder if perhaps I've read so much dark erotica that it's lost some of it's shock value for me. I know that the only acceptable feeling to have towards Mr. Tall dark and nameless is disgust yet I never quite made it there. I'm choosing not to look too far into what that says about me as a woman, but hey, it's fiction. That makes it ok. Right?" - Amazon Customer  
"First let me start out by saying, this is DARK erotica. If you do not like this kind of book, don't read it get tired of reading reviews dissing the dark erotica/ dubious consent, stating it was "sooo uncomfortable" well don't read these titles, duh! Now for me, I love it. Dark Erotica is unpredictable, unconventional and most of all a whirl wind of emotions. Furthermore, saying that you could not form an attachment to Emily and Master is like saying you didn't read the book, it was about nothing but Emily and Master. I guess if one is unable to get past the kind of twisted relationship they had, then it would be hard to form attachment." - Amanda Rae  
" `Comfort Food' is dark erotica. Kitty Thomas is writing extreme BDSM erotic fiction - master/slave masochism without the simulated `tie me up, tie me down' sex games The Wasabi of Erotica" - Dee18 "I had read novels about bdsm and Stockholm syndrome but not like this. This one ruined many other books for me in that genre, lol, because it was that good (this is the one to beat). Comfort food crossed this little fine line between reality and fantasy . the majority of the books on the capture/kipnap/slavery theme you can view them like fantasy but Ms Kitty Thomas push the envelope taking it to a more realistic and plausible scenario. The severe case of Stockholm syndrome that Emily had towards Master is shocking, and let you wonder when does Stockholm syndrome grows into obsession or love."  
- Jay Benitez "My first dive into Dark Erotica and Kitty Thomas leaves me begging for more. As disturbing as Comfort Food is, it was also riveting. Emily Vargas has been taken captive, and in order for her captor to break her to his will, he removes the one thing she craves most--human contact. He tortures her with silence and offers comfort with chicken soup. And all too soon, Emily learns what it will take to get her abductor to give her what she craves." - Love, Lust, Books "riveting, sadistic, erotic in its own sense, and just plain excellent." -Kindle Customer "You pretty much can't look up dark erotica without finding Comfort Food at the top of the recommendations, and I'm so glad I took the time to read it. As soon as I started I couldn't stop, and I don't say this lightly, but it was perfect. It was more about the mental stimulation than the sex, though there was sex. It wasn't as heavily detailed or the entire focus of the relationship, however. It was far more about the process of breaking someone, of making them something new, and Kitty Thomas managed this wonderfully." - Michelle "While I have read some dark erotica, this book is the first of its kind. The BDSM world is pretty unknown to me. Aside from the fairly vanilla stuff we see on TVs or movies, this book does not pull any punches and pushes the audience into it." - acid\_raine\_burns "My exposure to

erotica has not been favorable. Enough is enough; and the graphic descriptions of conquests gets boring and overdone quickly. Therefore, I usually avoid it totally. This work on the other hand, was very well done. The psychology of the captive/captor was very well presented. The material was well written and the erotica well placed in the story. The erotica was there but did not dominate or overwhelm the story. This is without a doubt the product of a talented author. I doubt if I will read more erotica; figure I'll quit while I'm ahead. However, this author is worth reading again." Dan C. Boutwell "The eroticism is in some ways explicit but not graphic and tastefully written to allow the imagination to work as well. At first I was afraid Emily's fear would remain the trigger for her obedience but it slowly evolved in to something else, something deeper that conveyed the steep emotions behind the erotic actions. When you strip away everything else, at the core Comfort Food is about a Master conditioning his slave." - Leontine's Book Realm "I would say this story is not for the faint of heart. If you like "Consequences", "Seduced in the Dark" and more of the hard core erotica, Comfort Food will end up being one of your favorites. Even then, this is not a HEA/romance novel so don't go in expecting roses and candy for an ending." - Emily "50 shades of twisted ; very compelling. Very dark and very erotic. Certainly a new twist in the erotic read." - Beckie "I wondered if I really wanted to read a book about someone who was kidnapped but after reading all the excellent reviews and being drawn to BDSM themed books after reading 50 shades, I was absolutely captivated and think this is the best book I have read in a long time." - Megan "Extremely interesting story!! The description is right - this is not HEA or Fifty Shades remake. This is much more of a psychological thriller/erotic story. I won't get into details to ruin it, but I recommend this book if you like to dabble in the dark erotic stories or if you are curious about them - This is a great place to start." - CRFreads5012 "Wow, simply wow! I started this book last night and just finished it. I have to say I was blown away by it. It is not any kind of normal romance novel, so if that is what you're looking for, go somewhere else. The closest thing I can compare it to is Story of O. This is not Fifty Shades of Grey. This is an erotic novel pure and simple, very little romance is in it! If you want a challenging erotic novel, one that may remind you of Story of O, then this is a great book for you. If you want a romance novel featuring a cozy little love story, then pass this one by." - Charles M. Smith II "I have read the Fifty Shades Trilogy and Seduced in The Dark, so the dark side of this book did not shock me too much. I really liked this author's writing, very descriptive and had me really into the book." - Kerri "This was one of if not the most intelligent thought out and well written erotic stories I have ever read. The intelligence and well thought out analytical voice of Emily was a welcome surprise to the usual flippancy most "heroines" in stories have. This was written in a way that I can share with friends who don't particularly share my interest in erotica or things BDSM (consensual or not). It was not overly explicit there was just enough to entice, to stimulate through subtlety rather than blatancy. All in all, Kitty Thomas has earned herself a spot on my must read list." - C. Lauer "I agree with another reviewer that it is not a BDSM book, it is about a women who is kidnapped and her control is stripped away one layer at a time. An immensely enjoyable, brilliantly written novel. Highly recommended. Not a romance novel, except in a creepy Stockholm Syndrome way." - Lila "I had an expectation of reading an erotic book loaded with BDSM themes, sex, violence and force. I didn't expect to have to think too much. While there were some of those components throughout, the book was so much more. For me, it became a psychological profile of someone going

through an extremely traumatic experience and how she chose to deal with it. Surprisingly, the book changed my viewpoints in some ways, helping me recognize that themes such as a victim's response to trauma, may not always be comfortable or conforming to society's norms. The probing of the character's thought processes was unexpected." - Michael "I would still recommend this to those with a particular taste for BDSM and kidnap type books it was definitely a mind-blower also I will never look at chicken noodle soup the same ever again." - Sue B. "This is an adult book with dark, disturbing themes of possession, BDSM, Stockholm Syndrome and more. But if you can take it, this book will definitely stay with you." - Chris Jacobs "This is not a run of the mill BDSM story that ends w/a fluffy happy ever after ending. This is a story of submission and surrender - the total capitulation of one's self, mind and body to another through force and a will to survive. I had been warned that this was a dark story and it truly is. I wanted something that I could sink my teeth into and not wrapped up in a pretty little package and I got it. If you looking for something that is soft this is not it. But if you are willing to step off the deep end and are ready for a intense story, this is it." - Jacque "I want to preface this review by saying that I've struggled to finish reading a lot of mediocre books lately. I didn't realize what a gem I had lurking under the benign title of Comfort Food. There was no "struggling" to read Comfort Food. The narrative was smooth and easy to read, and pulled me in immediately. I knew by page 3 that I would not be reading anything else until I finished this book, even though the characters were sometimes difficult to like, and the story isn't exactly nice. Apparently I don't require nice. Some didn't find this story erotic, but I did. I think this is GREAT erotic bdsm, although if you like BDSM light, sweet, 100% consensual, and romantic - then this one might not be to your taste." - Sheri Johnson "As a female reader of erotica I sometimes find, especially in the bdsm genre, the author is too quick to the 'spanking and chains' not this time. The author takes her time to build an actual story and relationship, allowing you to connect with Emily and what she is going through. She manages to touch on each aspect that make the Master/slave relationship so complex without exploitive sex scenes, that are often unnecessary." - Butterfly "Ahead reading this book by Ms. Thomas was like having a feast after being on bread and water. I'm an avid fan of BDSM erotica but it's so seldom that I find a book that a) surprises me and b) impresses me with the quality of writing. This book did both. First of all, there are none of the usual tropes associated with non-consensual slavery erotica. No violence, no lurid fights and unrealistic cruelty, no blatant disregard for the well-being of the enslaved. This "Master" plans and proceeds with so much thought and intelligence (and gentleness) that you are at once both outraged and yet drawn in by this guy. Not that he is completely kind--he isn't. But there's no thoughtless and spiteful brutality, which placed me in a strange imbalance--hating him and yet feeling an unwilling attraction to him too." - Annabel "I love a dark read when I'm in the mood for one, which I was when this book came highly recommended to me. And it is dark. It is erotic. It is BDSM. All things I enjoy in a story." - JennieW "This is very dark literature, unsettling, and not your standard erotica. It is not about BDSM, but rather a genuine kidnapping. It does have an "incomplete" feel to it, but in this case I felt that it enhanced the storyline. It's definitely uncomfortable to read, and yet I suggest it. The erotic scenes are still often steamy, despite the storyline. It's truly about two broken people in a broken society. This prompted me to read more by Kitty Thomas, which has proven to be entertaining." -Gail "Comfort Food is dark, exotic and raw! Told in a very realistic tone, Kitty Thomas masterfully drops the reader into Emily Vargas'

carnal and enigmatic tale: a kidnapped woman's journey of becoming a BDSM slave to her own captor. It's not every day that an author can pull a reader across their normal genre and have them so emotionally invested that they can't put the book down, but Kitty Thomas skillfully weaves this tale with a finesse that is truly remarkable, especially given the subject matter." - Tom Wiseman "Disturbing, twisted, and just plain weird . . ." Amy, GoodReads Reviewer " . . . an intelligently written, well-researched and very erotic exploration of the extremity of power dynamics . . . It's refreshing to read someone brave enough to tackle erotic themes that are truly taboo and seldom published." - Remittance Girl, Reader and author of "Gaijin" and other works of erotica "They are a match made in a twisted sort of hell. I don't, as a rule, like erotica, but I'm likely to check out Ms. Thomas' future work just to see how far she can push the envelope." - A Taste For Ebooks, Review Blog " . . . beautifully written and exquisitely detailed . . . a brilliantly written book and I highly suggest it, if you're up for the challenge." - Mama Kitty Reviews " . . . the most twisted form of psychological conditioning, I've ever read . . . will stick in your brain for days after you read it." - Kathleen Gresham, Reader If you like erotica by Kitty Thomas, you may also enjoy Claudia D. ### **Awakening**

At some point, right before my memory clicked off, the nightmare fairy must have paid the world a visit. Everything is dead and abandoned. It's just gone. I don't remember how the world got this way, but my husband and I were lucky to find the deserted theme park when we did. I thought we were the only survivors, but a new man has come. Shannon. He scares me. He seems weirdly possessive of me. He's going to take me out of the park, away from my husband and the only safety I have. I'm terrified to know what's out there.

### **Submissive Fairy Tales**

This work is dark literary erotica, not romance. If any romance genre conventions seem to be followed it is purely coincidence. DESCRIPTION: Nerina has lived all her life as a mermaid, fascinated by humans and land but also repulsed by sex and unable to understand love. Her curiosity gets her captured by a human male intent on awakening her lust and turning her human. But Nerina doesn't believe the legend is real and fears Kyros will kill her when he learns she can't transform. This work is a novella of 21,500 words which will take the average reader 1 to 2 hours to read, depending on personal reading speed. What Readers are Saying About Awakening: "Kitty Thomas is such a fantastic author! I have yet to be even a little disappointed in anything she has written. She just keeps dazzling me with every

story she puts out." -Larissa's Bookish Life "This was a fun, sexy, dark but not too dark read. My favorite story by Kitty Thomas so far. My only complaint is it's a novella and ends just as I was getting really interested!" -Jen M "Ms. Kitty has a talent for character depth and portraying the master/slave relationship in its many levels. Awakening is another accomplishment to this fact, even at just over 21,000 words. It was a quick read, but it was by no means a gloss-over tale. It does, however, falter from her normal dark tales; yes, it is a story of captivity, but it is more of a romantic adult fairy tale than it is of dark erotic fiction. I would recommend this to any fans and readers of the romance genre, and promote this as a Kitty Thomas Beginner-Book for those wanting a taste of Ms. Thomas' writing style without the heavy, more in-depth studies on the master/slave relationship." -tCj "Awakening was a beautifully written erotic mermaid fairy tale and gets 4.5 stars." -AsianCocoa " `Awakening' is the new novella from dark literary erotica author, Kitty Thomas. I love Kitty Thomas. Everything she writes is a delightfully dark delicacy and `Awakening' is more of the same. In the past, Thomas has written to the extremes of BDSM and fetishism. From captive/torturer plots to an island community dedicated to the master/slave dynamic. By comparison, `Awakening' is tame-Kitty. The 21,500-word novella is sort of Kitty-lite, and would be a great `beginners' novel for those who want to dip their toes in the pool of darker erotica. `Awakening' definitely leans toward the more `literary' end of Thomas's usual literary-erotica genre. The novella is based around the idea of transformation and contradiction - mermaid to human, sea to land, innocence to guiltiness. Thomas explores these concepts through the ancient mythology of mermaids, who are in themselves a contradiction. On the one hand they are sexless - fins instead of genitalia. Yet, sea nymphs and sirens have been written as lurers of men to their watery graves." -Dee18 "Just as the statement in the blurb states, this is one of Kitty's more "tamer" short story creations, perfect for someone who doesn't want a heavy Master/slave read, but still wants the concepts and "feeling" of one there. Awakening is also the most romantic of Kitty's stories; there's almost a lighter feel to the literary atmosphere. And it's simply fantastic!!" - Among the Muses "I liked the idea of using arousal as a method for transformation. As far as erotic plot devices go, I thought this one was quite successful--it's unique and makes for beautiful imagery. The author at least starts to explore the master/slave relationship and skims the surface behind the psychology of that on both sides. It certainly isn't a complete exploration, but it's as much as I can expect in such a short story." - Chelsea Marie Spencer "I would describe the book as gentle or mild erotica with flavors of Dominance and Submission." - Cphe More dark literary erotica by Kitty Thomas: dark erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl (latest release) Submissive Fairy Tales Big Sky Mafia Captive Blood Mate Dark Erotic Novellas: The Auction The King's Pleasure Awakening Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica.
