An Exposition of the Prophet Ezekiel

To many readers the book of Ezekiel is a hopeless riddle. We may still find many features of the man

and his message difficult and sometimes even shocking or offensive. The bizarre opening vision catches us off guard and tempts us to stop reading. A persistent reader, however, who meditates long and hard on individual utterances and sign actions, will discover that despite the strangeness of the man, this is the most clearly organized of the major prophetic books. Individual prophecies are clearly marked by headings and often by conclusions. The priestly prophet knew his audience, something that is evident if one continues to delve deeper: he recognized in Judah's rebellion against YHWH the underlying cause of the divine fury that resulted in the exile of his people and the fall of Jerusalem to the Babylonians in 586 BCE. However, he also recognized that YHWH's judgment could not be the last word: his covenant is eternal and irrevocable. A day of spiritual renewal and national restoration is anticipated. This is the first of two volumes of essays on Ezekiel and his book. The seven general essays and two studies of particular texts in this collection explore the times, the message, and the methods of the prophetic priest.

The Book of the Prophet Ezekiel

Pikor analyzes the land of Israel in the book of Ezekiel showing how its preoccupation with the Babylonian exile and the loss of the Promised Land that this entails is directly linked to the danger this poses to Israel's covenant with God. Pikor examines the motif of land in its literary and historical contexts and in relation to the oracles of salvation in chapters 34-39 as well as the vision of the new Israel and the return

of Yahweh's Glory to the temple. Pikor begins by examining the motif of land in its literary and historical contexts. The main body of the book then addresses specific sections of Ezekiel. Chapter two analyzes the oracles of punishment addressed to Israel, in which the land undergoes a process of anthropomorphization. Chapter three situates the punishment experienced by Ezekiel and his listeners in a broader historical context suggested by the prophet in Ezekiel 20. Chapter four analyses the oracles of salvation in Ezekiel 34–39, in which the restoration of the land of Israel remains intertwined with the promise of the new covenant. Finally, chapter five addresses the closing vision of the new Israel (Ezekiel 40–48), which is characterized by the territorial dimension of the future restoration. This feature is shown via analysis of the rhetoric of the land, the crucial element of which is the return of Yahweh's Glory to the temple. God's presence adds sacral value to the land in which his covenant with his people is to be realized. The covenant will be finalized through Israel's repopulation of the renewed land.

The Book of the Prophet Ezekiel

Ezekiel

The Latter Prophets--Isaiah, Jeremiah, Ezekiel, and the Book of the Twelve--comprise a fascinating collection of prophetic oracles, narratives, and vision reports from ancient Israel and Judah. Spanning centuries and showing evidence of compositional growth and

editorial elaboration over time, these prophetic books offer an unparalleled view into the cultural norms, theological convictions, and political disputes of Israelite communities caught in the maelstrom of militarized conflicts with the empires of ancient Egypt, Babylonia, and Persia. Instructive for scholar and student alike, *The Oxford Handbook of the Prophets* features wide-ranging discussion of ancient Near Eastern social and cultic contexts; exploration of focused topics such as the persona of the prophet and the problem of violence in prophetic rhetoric; sophisticated historical and literary analysis of key prophetic texts; issues in reception history, from these texts' earliest reinterpretations at Qumran to Christian appropriations in contemporary homiletics; feminist, materialist, and postcolonial readings engaging the insights of influential contemporary theorists; and more. The diversity of interpretive approaches, clarity of presentation, and breadth of expertise represented here will make this Handbook indispensable for research and teaching on the Latter Prophets.

The Book of Ezekiel and Its Influence

For many years it has been on my heart to try to produce a running commentary on the book of Ezekiel, but until the present, circumstances have not permitted this. During the last few months it has brought great blessing to my own soul as I have given many hours daily to meditation upon and study of this remarkable book, of which the present work is the result. No one can be more conscious than I of its

many imperfections, and yet it is my hope that there may be enough in it of a truly spiritual character that it will prove a means of blessing and edification to those who take the time to read it thoughtfully and prayerfully. H. A. Ironside

NIV Study Bible

Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.

Broaden Your Understanding of Each Book of the Bible
Get an unobstructed view of the heart of Scripture and study the Bible in a unique way with this companion workbook to *The Bible from 30,000 Feet* by Pastor Skip Heitzig. This personal study offers overviews of the books of the Bible and provides stimulating questions to help you grasp the main message of each book, understand the overall timeline of events, and then use that knowledge to stir your love and obedience to God. Over the course of the next 52 weeks, you'll gain grander insights into God's unceasing work and enjoy a clearer perspective on Bible history. Let your faith fly higher than ever before! This workbook is designed for use with the book *The Bible from 30,000 Feet*.

God's Masterwork

Echoes of a Prophet examines intertextual connections to Ezekiel found in John and in Second Temple literature. The Dead Sea Scrolls contain many allusions to a number of Ezekiel's oracles, while other Second Temple works refer to only a few of Ezekiel's oracles, and those only rarely. In each case, Manning examines the evidence for the presence of the

allusions, studies the implied interpretational methods, and comments on the function of the allusion in advancing the author's ideas. He also analyzes John's allusions to Ezekiel: the good shepherd, the vine, the opened heavens, imagery from the "dry bones" vision, and water symbolism. He observes that John has a few unique tendencies: he alludes to all five of Ezekiel's "oracles of hope" and primarily uses that imagery to describe the giving of the Holy Spirit and new life through Jesus.

The Oxford Handbook of the Prophets

history, archaeology, the formation of the canon, and geography" "Written by two widely respected scholars and educators, A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament." --Book Jacket.

This best-loved NIV Study Bible features a stunning four-color interior with full-color photographs, maps, charts, and illustrations. One look inside this stylish white Italian Duo-Tone™ edition reveals why this Bible is a favorite for over nine million people.

Expository Notes on Ezekiel

Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

After Ezekiel

This book addresses the historical-critical agenda of Ezekiel and includes newer approaches and questions, such as psychological issues and the notion that Ezekiel should be regarded as a "character" within the book.

The Bible from 30,000 Feet® Workbook

Essays on the reception history of the book of Ezekiel, arising from the work of the SBL section 'Theological

Perspectives on the Book of Ezekiel'

An Introduction to the Study of Ezekiel

Dr Carley's commentary on the Book of Ezekiel makes its meaning available to the modern reader, particularly by explaining the historical context.

Word and Spirit in Ezekiel

This keepsake edition of The Book of Ezekiel was taken from the King James translation of the Bible. The King James Translation is a masterwork of style, and the most important book in the English language, it has been the driving force in shaping the English-speaking world for hundreds of years. The Book of Ezekiel opens with a vision of YHWH. The book then moves on to anticipate the destruction of Jerusalem and the Temple, explains this as God's punishment, and closes with the promise of a new beginning and a new Temple.

The Book of Ezekiel, Chapters 25 48

An introduction to the study of Ezekiel that lays out for the reader the central issues for the interpretation of the book of Ezekiel. After explaining how the message of the prophet was relevant to the exilic situation in which he lived, this thorough guide shows how later generations shaped, transmitted, and used Ezekiel in their own communities. The book summarizes the literary shape and contents of Ezekiel, then examines the theories and

methodologies used in current scholarship that explain the formation of Ezekiel. Lyons next explains for the reader the theology and major themes of Ezekiel, and closes by evaluating how the arguments of Ezekiel relate to each other as a coherent rhetorical strategy.

The Ezekiel Generation

A Commentary on the Book of the Twelve

The Book of the Old Testament prophet Ezekiel (6th century B.C.E.) is a book of forceful language and impressive images. Its message is often clear, sometimes mysterious. The book had great impact in Jewish and early Christian literature as well as in western art. This book deals with the intentions of the book of Ezekiel, but also focuses on its use by subsequent writers, editors or artists. It traces Ezekiel's influence in Jesus' teaching about the Kingdom of God, in Paul, the Gospels, and Revelation, and also shows that Ezekiel's imagery, via Jewish mysticism, influenced the visionary art of William Blake. Presenting contributions from leading biblical scholars in Oxford and Leiden, based on their unique collaborative research, this book will be of interest to a wide range of scholars working in the field of biblical studies, including those studying the Hebrew Bible, its early versions, 'inter-testamental' Judaism, New Testament and Early Christianity, and the reception of Biblical literature in later centuries.

Ezekiel and the Dry Bones

Arch Book captivate children with colorful pictures and creative poems. Each book presents a complete Bible story in a fun-to-read way children ages 5-9 will understand and remember.

Echoes of a Prophet

Read the Old Testament from a biblical-theological perspective. Featuring contributions from thirteen respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.

A Survey of the Old Testament

The Book of the Prophet Ezekiel

A study of the first half of the biblical book of Ezekiel with commentary on what his message could mean for the church in the twentieth century.

Biblical Theology in the Life of the Church (Foreword by Thomas R. Schreiner)

Ezekiel: A Commentary

Scholars have long puzzled over the distinctive themes and sequence of John's narrative in contrast to the Synoptic Gospels. Brian Neil Peterson now offers a remarkable explanation for some of the most unusual features of John, including the early placement of Jesus' "cleansing" of the temple, the emphasis on "signs" confirming Jesus' identity, the prominence of Jesus' "I Am" sayings, and a number of others. The Fourth Evangelist relied on models, motifs, and even the macrostructure of the Book of Ezekiel.

The Message of Ezekiel

The Book of Ezekiel, Chapters 1 24

The Land of Israel in the Book of Ezekiel

The book argues that the relationship between Yahweh's ruah and Yahweh's word in the book of Ezekiel is to be understood not so much in terms of the inspiration and authentication of the prophet but in terms of the transformation of the book's addressees.

Reading Ezekiel

The books of Jeremiah and Ezekiel contain the majority of the biblical accounts of prophetic sign-actions. By analysing these two prophets' actions according to the terms and concepts used in studies

of nonverbal communication and rhetoric, this work seeks to bring conceptual and terminological clarity to the discussion of prophetic sign-acts and to enhance the perception of the prophets as persuasive communicators. Rather than prophetic sign-acts being viewed as having a magical derivation or as being inherently efficacious in bringing about what they portray, the sign-acts are viewed as being primarily forms of nonverbal communication whose purpose was to have a persuasive impact upon spectators.

Jeremiah's and Ezekiel's Sign-Acts

The Prophet Ezekiel will have lived in vain if God's true Church doesn't proclaim his message today! The book of Ezekiel is clearly an end-time message. It reveals specific prophetic events that are happening right now in the United States, Britain and many other English-speaking nations. Ezekiel also reveals that these nations are headed for the worst crisis ever known. But it is all a part of God's master plan to usher in the wonderful Kingdom of God. Herbert W. Armstrong taught the prophecies of Ezekiel in a general way for many years. But now, for the first time, they are fully revealed to you through this exciting booklet. In this booklet: • Knowing the God of Ezekiel • A Change in Commission • The Ezekiel Watchman • Terrorism and Race Riots • Lucifer's Rebellion • "Begin at My Sanctuary" • "A Stormy Wind" • The Marriage Covenant • How Near to the End? • Ezekiel's Call for Urgency This ebook is offered completely free of charge by the Philadelphia Church of God. However, please not that Google Play will

need a verified Google Wallet account which requires your credit card information. In a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.

The Book of the Prophet Ezekiel

This is a must have for every serious student of the Old Testament. Dr. Block has written the best work yet on the book of Ezekiel. He combines solid Biblical exegesis with practical devotional application.

Scriptural Teachings of the Prophet Joseph Smith

The books of the twelve Minor Prophets are some of the least studied by Christians today, but they contain some of the great themes of Scripture, such as God's mercy and judgment, His covenant with Israel, the day of the Lord, and the coming of the Messiah. Arguing for a canonical unity that recognizes the Minor Prophets as one cohesive composition, Michael Shepherd explains the historical meaning of each verse of the twelve books and also provides guidance for application and preaching. Pastors, teachers, and serious students of Scripture will find a wealth of insights for understanding the Minor Prophets.

After Ezekiel

A Biblical-Theological Introduction to the

Old Testament

The Father's Heart for Israel and the Church You live in one of the most critical hours in human history... and G-d is calling you to participate! For the body of Christ to be most effective in these last days, unity is essential. We all have key roles to play in the unfolding of G-d's great agenda for history. Author Grant Berry is on a mission to help you find your place in this hour and see both Jew and Gentile unite to bring G-d's end-time purposes to fruition. In this critical book, you will discover: Why it is so significant that Israel and the Church strengthens their relationship The unique roles that Jews and Gentiles are purposed to play in the end times G-d's burning heart to release His Kingdom through a united people This book is a challenge to the global body of Christ. Will we continue with business as usual, or will we embrace the glorious call to see G-d's family restored in these last days?

Ezekiel

Christopher J. H. Wright masterfully opens our eyes to see and understand the message of Ezekiel. Ezekiel's vision of the glory of God--its departure and return--is first set within Israel's history and then in the culmination of God's promises in Christ. Embedded in the pattern of the strange, the bizarre and the wonderful is a word that still speaks to God's people today.

EZEKIEL

In this new volume in the Reading the Old Testament commentary series, biblical scholar Marvin A. Sweeney considers one of the most interesting and compelling books of the Hebrew Bible. Ezekiel is simultaneously one of the Bible's most difficult and perplexing books as it presents the visions and oracles of Ezekiel, a Judean priest and prophet exiled to Babylonia in the sixth century BCE. The book of Ezekiel points to the return of YHWH to the holy temple at the center of a reconstituted Israel and creation at large. As such, the book of Ezekiel portrays the purging of Jerusalem, the Temple, and the people, to reconstitute them as part of a new creation at the conclusion of the book. With Jerusalem, the Temple, and the people so purged, YHWH stands once again in the holy center of the created world. As Sweeney writes in his introduction, the book of Ezekiel ultimately represents "a profound attempt to encounter the holy in the profane world, and based on that encounter, to sanctify the world in which we live." Edited by Mark E. Biddle, Russell T. Cherry Professor of Hebrew Bible/Old Testament at Baptist Theological Seminary at Richmond, the Reading the Old Testament commentary series presents cutting-edge biblical research in accessible language.
