#### Gatto killer è innamorato

Christmas comes but once a year. Luckily . . . The Christmas holiday is, traditionally, a time when families gather together. In Ralph's case this means ten or more relatives coming to stay, including assorted aunts and uncles, nutty Great-Aunt Ida (the Home tells them to be careful not to let her out) and his ghastly cousins: Titania in her silly, sick-making frilly fairy dresses and the twins Sylvester and Sylvia (it took until Easter last year before the family dog got over them). Jammed into one small house for three days of merriment and family fun, with the tv on the blink and Mum on the verge of a breakdown, it soon becomes obvious that, in this house, more definitely does not mean merrier . . .

Indipendente e sornione, egoista e combina guai, acuto osservatore del mondo, il nostro Gatto Killer sostiene «che i gatti non hanno proprietari, ma devoti amici adoranti, pronti a offrire loro buon cibo, una casa calda e accogliente ma poche moine per carità, “non siamo un cuscino”». Tuffy non ha tempo da perdere con l'amore, che considera roba da mammolette! Da quando però l'affascinante Coco, la prima gatta ad avergli fatto battere il cuore ritorna nel quartiere, il nostro gatto killer farebbe di tutto per conquistarla. Peccato che abbia appena scommesso con Tigro che non si sarebbe mai più innamorato. Questa volta sono l'amore e la gelosia a cacciare nei guai il gatto killer, in un'avventura ad alto tasso di dispetti, sputi e batticuore!

### **My Brother Is a Superhero**

Everyone loves the wickedly dry sense of humour of *The Diary of a Killer Cat* by Anne Fine. Okay, Okay. So hang me. I killed the bird. For pity's sake, I'm a cat. Poor Ellie is horrified when Tuffy drags a dead bird into the house. Then a mouse. But Tuffy can't understand what all the fuss is about. Who on earth will be the next victim to arrive through the cat-flap? Can soft-hearted Ellie manage to get her beloved pet to change his wild, wild ways before he ends up in even deeper trouble? The hilarious antics of Tuffy and his family as told by the killer cat himself. 'Anne Fine knows how to make readers laugh' Guardian Anne Fine has written numerous highly acclaimed and prize-winning books for children and adults. *The Tulip Touch* won the Whitbread Children's Book of the Year Award; *Goggle-Eyes* won the Guardian Children's Fiction Award and the Carnegie Medal; *Flour Babies* won the Carnegie Medal and the Whitbread Children's Book of the Year; and *Bill's New Frock* won a Smarties Prize. Blizzard is based on John Rocco's childhood experience during the now infamous Blizzard of 1978, which brought fifty-three inches of snow to his town in Rhode Island. Told with a brief text and dynamic illustrations, the book opens with a boy's excitement upon seeing the first snowflake fall outside his classroom window. It ends with the neighborhood's immense relief upon seeing the first snowplow break through on their street. In between the boy watches his familiar landscape transform into something alien, and readers watch him transform into a hero who puts the needs of others first. John uses an increasing amount of white space in his playful images, which include a gatefold spread of the boy's expedition to the store. This book about the wonder of a winter storm is as delicious as a mug of hot cocoa by the fire on a snowy day. Praise for Super Hair-o and the Barber of Doom "With a light, humorous touch, Rocco reveals that sometimes the Kryptonite is all in your head." --Publishers Weekly "Bold, colorful pen-and-ink illustrations burst with power from each spread in comic-book style. This story will make a feel-good impression on budding comic book/superhero fans." --School Library Journal Praise for Blackout "The plot line, conveyed with just a few sentences, is simple enough, but the dramatic illustrations illuminate the story. Not all young readers will have experienced a blackout, but this engaging snapshot could easily have them wishing for one." --Kirkus Reviews (starred review) "The colorful pictures work beautifully with the book's design. Rocco uses comic-strip panels and a brief text to convey the atmosphere of a lively and almost magical urban landscape. Great bedtime reading for a soft summer night." --School Library Journal (starred review) 2012 Caldecott Honor Book New York Times Notable Book Wall Street Journal Best Book of the Year Publisher's Weekly Best Book of the Year School Library Journal Best Book of the Year Kirkus Reviews Best Book of the Year -- Praise for Fu Finds the Way "Rocco's story flows smoothly and his illustrations are rich and appealing" --Kirkus Reviews

NOW A MAJOR MOTION PICTURE The #1 bestselling author of Saturday and Atonement brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.

Perfect for readers of 7+.

## **Buon Natale, gatto killer!**

Robert Brentano evokes papal Rome in all its paradox and complicated brilliance. From a detailed re-creation of the physical "town" with its series of brick "campanili" and green and purple mosaic floors, to the intrigues of the great families,

like the Orsini and Colonna, the reader is guided through complex and fascinating culture. Brentano's skill lies in his ability to combine the story of the vaulting ambition of the great families, only mildly tempered by their very real religious piety, with a vivid reconstruction of everyday life in postclassical Rome.

"The Palmer sisters are close. They see each other often, for shopping trips and casual suppers. They care for one another's children and houses and pets through holidays and emergencies. They lend each other books and spare heaters and clothes for special occasions. Their phones ring in a ceaseless round of chat about in-laws and job plans and anxieties and triumphs. They all agree that loyalty to one another always outweighs loyalty to boyfriends and lovers and husbands. And there are never any secrets. Not until now. Stella tells Bridie a rumour she's heard about Liddy's new boyfriend and, in no time at all, the sisters' relationships begin to unravel. Should Liddy be told? Bridie is certain and persuades her sisters to join her in this decision. But when Liddy reacts badly, the other two backslide and Bridie becomes the outcast, bereft of the support system upon which she has based her whole life and all her values. With surgical precision and a wry intelligence Anne Fine exposes the claustrophobic and potentially duplicitous nature of close family relationships. Secrets beget secrets, after all, and the final revelations are more than anyone has bargained for."

### **Let Me Tell You**

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • From the renowned author of “The Lottery” and *The Haunting of Hill House*, a spectacular new volume of previously unpublished and uncollected stories, essays, and other writings. Features “Family Treasures,” nominated for the Edgar Award for Best Short Story Shirley Jackson is one of the most important American writers of the last hundred years. Since her death in 1965, her place in the landscape of twentieth-century fiction has grown only more exalted. As we approach the centenary of her birth comes this astonishing compilation of fifty-six pieces—more than forty of which have never been published before. Two of Jackson’s children co-edited this volume, culling through the vast archives of their mother’s papers at the Library of Congress, selecting only the very best for inclusion. *Let Me Tell You* brings together the deliciously eerie short stories Jackson is best known for, along with frank, inspiring lectures on writing; comic essays about her large, boisterous family; and whimsical drawings. Jackson’s landscape here is most frequently domestic: dinner parties and bridge, household budgets and homeward-bound commutes, children’s games and neighborly gossip. But this familiar setting is also her most subversive: She wields humor, terror, and the uncanny to explore the real challenges of marriage, parenting, and community—the pressure of social norms, the veins of distrust in love, the constant lack of time and space. For the first time, this collection showcases Shirley Jackson’s radically different modes of writing side by side. Together they show her to be a magnificent storyteller, a sharp, sly humorist, and a powerful feminist. This volume includes a Foreword by the celebrated literary critic and Jackson biographer Ruth Franklin. Praise for *Let Me Tell You* “Stunning.”—*O: The Oprah Magazine* “Let us now—at last—celebrate dangerous women writers: how cheering to see justice done with [this collection of] Shirley Jackson’s heretofore unpublished works—uniquely unsettling stories and ruthlessly barbed essays on domestic life.”—*Vanity Fair* “Feels like an uncanny dollhouse: Everything perfectly rendered, but something deliciously not quite right.”—NPR “There are . . . times in reading [Jackson’s] accounts of desperate women in their thirties slowly going crazy that she seems an American Jean Rhys, other times when she rivals even Flannery O’Connor in her cool depictions of inhumanity and insidious cruelty, and still others when she matches Philip K. Dick at his most hallucinatory. At her best, though, she’s just incomparable.”—*The Washington Post* “Offers insights into the vagaries of [Jackson’s] mind, which was ruminant and generous, accommodating such diverse figures as Dr. Seuss and Samuel Richardson.”—*The New York Times Book Review* “The best pieces clutch your throat, gently at first, and then with growing strength. . . . The whole collection has a timelessness.”—*The Boston Globe* “[Jackson’s] writing, both fiction and nonfiction, has such enduring power—she brings out the darkness in life, the poltergeists shut into everyone’s basement, and offers them up, bringing wit and even joy to the examination.”—*USA Today* “The closest we can get to sitting down and having a conversation with . . . one of the most original voices of her generation.”—*The Huffington Post* From the Hardcover edition.

Translating Culture Specific References on Television provides a model for investigating the problems posed by culture specific references in translation, drawing on case studies that explore the translational norms of contemporary Italian dubbing practices. This monograph makes a distinctive contribution to the study of audiovisual translation and culture specific references in its focus on dubbing as opposed to subtitling, and on contemporary television series, rather than cinema. Irene Ranzato's research involves detailed analysis of three TV series dubbed into Italian, drawing on a corpus of 95 hours that includes nearly 3,000 CSR translations. Ranzato proposes a new taxonomy of strategies for the translation of CSRs and explores the sociocultural, pragmatic and ideological implications of audiovisual translation for the small screen.
