The CSET consists of three multiple-choice subtests. Subtest I tests in reading, language, literature, history, and social science. Subtest II is in science and mathematics; and subtest III covers visual and performing arts, physical education, and human development. This book offers in-depth reviews in all test areas, with over 300 practice and review items, as well as detailed advice in study and test-taking strategies. It also provides two complete practice CSETs with explained answers.

CliffsNotes CSET: Multiple Subjects with CD-ROM, 3rd Edition

CSET Mathematics Test Prep with Online Practice Tests 5th Edition - Completely Aligned with the Current Exam REA's CSET Mathematics test prep is designed to help teacher candidates pass this exam and get certified to teach secondary school mathematics in California. Our test prep is perfect for teacher education students and career-changing professionals who are seeking certification as California math teachers. Written by a California-based math educator with years of experience teaching and advising future elementary and secondary school math teachers, this new edition is

fully aligned with the latest test framework and California's Common Core State Standards. Our in-depth review covers all the content domains and topics tested on the CSET Mathematics exam's three subtests---Subtest I: Number and Quantity & Algebra, Subtest II: Geometry and Probability & Statistics, Subtest III Calculus. Examples and exercises reinforce the concepts taught in each chapter. An online diagnostic test based on actual CSET Math exam questions pinpoints strengths and weaknesses and helps you identify areas in need of further study. Two full-length practice tests (1 in the book and 1 online) are balanced to include every type of question on the exam. Our online tests are offered in a timed format with automatic scoring and diagnostic feedback to help you zero in on the topics and types of questions that give you trouble now, so you can succeed on test day. This test prep is a must-have for anyone who wants to become a California math teacher! REA books and software have proven to be the extra support teacher candidates need to pass their challenging tests for licensure. Our comprehensive test preps are teacher-recommended and written by experts in the field.

Barron's CSET

Provides two full-length practice exams on the accompanying CD-ROM that are timed and automatically scored.

REA's CSET: English Subtests I-IV with Online Tests Gets You Certified and in the Classroom! California requires all prospective English teachers to take the CSET: English Test. Recently, the CSET: English subtests were revised to align more closely with the California Common Core State Standards. The subtests also include new material in the areas of writing across the curriculum, reading and analyzing a variety of informational texts, and analyzing the details of dramatic works and performance. This third edition of our CSET (California Subject Examinations for Teachers) English Subtests I-IV test prep has been expanded to address these changes. It includes:

- * A complete overview of the four CSET: English subtests
- * A comprehensive review of every domain, with updated material
- * Two full-length practice tests for each subtest (in the book and online), with online diagnostic tools to help you personalize your study

Our book is perfect for teacher education students and career-changing professionals who are looking to
