Supporting Love

Welcome the first book written by Shannon O'Hara, founder and creator of Talk To The Entities(r); a global company educating and empowering people in the area of entities using the amazing tools of Access Consciousness(r). Come along on Shannon's amazing journey growing up, talking with and seeing ghosts, as well as all the struggles, difficulties, joy and magic along the way. If you have ever had any curiosity about this subject at all, this book is for you. If you want to learn how to open up to your own abilities with entities, this book is for you. If you want to change the way you perceive the world, and also the way we think, feel and know about ghosts, then this book is for you. If you do not desire to open up to different possibilities, this book is not for you. You never know, this book may even show you something you have known all along and never realized you knew? This is a rare glimpse into a world that many know, but few rarely see. What if awareness could be your greatest ally? What is speaking to you? www.talktotheentities.com www.accessconsciousness.com

Divorce Busting

What if you don't have to divorce you in order to create an intimate relationship? Most of us spend a lot of time divorcing parts and pieces of ourselves in order to care for someone else. For example, you like to go jogging but instead of jogging, you spend that time with your partner to show him or her that you really care. "I love you so much that I would give up this thing that is valuable to me so I can be with you." This is one of the ways you divorce you to create an intimate relationship. How often does divorcing you really work in the long run? When you give up any part of yourself, you give up what was so attractive about you to that other person in the first place and pretty soon the other person doesn't want to be with you

anymore. A divorceless relationship is one where you don't have to divorce any part of you in order to be in a relationship with someone else. It is a place where everyone and everything you are in a relationship with can become greater as a result of the relationship. Divorceless Relationship contains tools, exercises and processes you can use to: * Create divorceless relationships * Discover what you would like as a relationship * Discover what is true for you * Use energy to attract the person you're interested in * Know when it's time to leave a relationship * Renew and recreate your relationship with your partner * Bring sex back into your relationship * Turn your lover on

We're Having a Tuesday

In this groundbreaking book, Michele Weiner-Davis gives straightforward, effective advice on preventing divorce and how couples can stay together instead of coming apart. Using case histories to illustrate her marriage-enriching, divorce-preventing techniques, which can be used even if only one partner participates, Weiner-Davis shows readers: * How to leave the past behind and set attainable goals * Strategies for identifying problem-solving behavior that works—and how to make changes last * "Uncommon-sense" methods for breaking unproductive patterns Inspirational and accessible, Divorce Busting shows readers in pain that working it out is better than getting out.

Right Body for You

Divorce is a difficult passage, but there are practical things any couple can do, individually or together, to make the transition as painless as possible. Every divorcing couple needs the guidance in this book because, without it, the process will not go smoothly. Author Ed Sherman, an attorney with 35 years of experience and over 45,000 successful cases, shows how most divorces fit one of five profiles. He helps readers discover their profile then leads them through the process, step by step, of overcoming what can otherwise turn into major mental and monetary roadblocks. Through its communication, organizational, and negotiation tools, Make Any Divorce Better! not only saves readers money, but puts them - not lawyers or the courts - in charge of the process, allowing them to get it done faster, with a minimum of emotional and financial expense, and move on with their lives.

Magnetic Partners

EASTER MORNING, 2014 His worldly possessions in a handful of trash bags, his divorce less than a day old, Chuck Crumpton

arrived alone to his empty new apartment and wondered, How did I get here? Wasn't I walking the perfect path in building my career, my home, my family? Where do I go from here? Chuck's path was never a straight line. Raised picking tobacco on a family farm in North Carolina, Chuck's journey would take him from a young adulthood struggling to reconcile his faith with a fundamentalist Christian community, to a successful, all-consuming career, culminating in founding and becoming CEO of a multi-million-dollar healthcare consulting firm. As Chuck walked out of that lonely apartment to rebuild his life, he vowed to heal from his failures, learn from his imperfections, and devote his time to the little things that matter most. In *The Jagged Journey*, Chuck chronicles his life's responsibilities and relationships, gains and losses, adversity and growth. He finds a path forward in understanding, thankfulness, healing, transparency, and vulnerability. Through Chuck's tears of joy and pain, we can learn more about our own path. Because his story offers hope. Though our journey may be jagged, it doesn't always end on a sharp curve. Sometimes the sharpest curves reveal the most profound new beginnings.

Couples That Work

What would it be like to begin enjoying your body no matter what size, shape, age or fitness? Isn't it time to stop the patterns and habits with your body that keep you stuck? Is your body an ease or burden? This is a very different perspective about bodies and your ability to change yours. It might all be easier than you ever knew was possible!

The Home of Infinite Possibilities

After three decades in education and counseling, Dr. Bott applies his fresh ideas and common sense, workable approach to showing couples how they can build an enduring marriage.

Make Any Divorce Better!

A little girl misses her mother when she stays at her father's house, and her father when at her mother's, but soon she remembers that both of them are always in her heart.

Relationship. Are You Sure You Want One?

In *The Gentlemen's Club*, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how talk to a woman, how to

stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, "Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one?" Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: "I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body." Praise from Gentlemen's Club Participant's wife: "Thank you so much for doing these classes. I've got back the man that I fell in love with."

The Jagged Journey

Discusses the emotional, social, legal, and financial effects of late-life divorce.

Sex Is Not a Four Letter Word

We are accompanied on this planet by the most splendid 'mega-beings'. Some have called them angels, others guardians, and now BEINGS of LIGHT. Most have forgotten them, others totally disbelieve and very few receive. The Beings of Light are here to work with us to create greatness on earth. To enjoy the greatness of embodiment and flourish with life and nature. Diving into this book will be an energetic experience like no other. Open the book and start RECEIVING.

What effect does religion have on physical and mental health? In answering this question, this book reviews and discusses research on the relationship between religion and a variety of mental and physical health outcomes, including depression and anxiety; heart disease, stroke, and cancer; and health related behaviors such as smoking and substance abuse. The authors examine the positive and negative effects of religion on health throughout the life span, from childhood to old age. Based on their findings, they build theoretical models illustrating the behavioral, psychological, social, and physiological pathways through which religion may influence health. The authors also review research on the impact of religious affiliation, belief, and practice on the use of health services and compliance with medical treatment. In conclusion, they discuss the clinical relevance of their findings and make recommendations for future research priorities. Offering the first comprehensive examination of its topic, this volume is an indispensable resource for research scientists, health professionals, public policy makers, and anyone interested in the relationship between religion and health.

Nolo's Essential Guide to Child Custody and Support

This is a very different book. It is written for the dreamers of this world-the people who know that something different is possible-but who have never had the tools before., What if I told you that the tools exist? The possibilities you've always dreamed of are possible! This book will provide you with a set of practical and dynamic tools and processes that empowers you to know what is true for you and who you truly BE. What if you, being you, can change everything-your life, relationships, body, money situation. . .and the world?

The Ten Keys to Total Freedom

Beings of Light

As Jake Rayne travels through Idaho in his classic '57 Thunderbird, a devastating accident is the catalyst for a journey he isn't expecting. Alone in the deep forest, with his body battered and broken, Jake calls out for help. And the help he finds changes not only his life but his whole reality. Jake is opened up to awareness' of possibilities. Possibilities that we have always known should be, but have not shown up. Are you willing to have a world where language is not a barrier and people communicate telepathically, where the ability to heal and nurture one another is not limited to the qualified few? What people say "This novel is so well written that it transported me to "The Place" and made me wish I was one of the characters and wonder how this world could be if that kind of stuff was possible?" --Claudia This book gives a very different perspective on life and the possibilities presented. In a way i have been dreaming of this place, but I had no idea that someone else would have the same vision, so maybe this 'place' actually exists? That would be a dream come true beyond my wildest imagination! A great read that made me desire to read it again and again, and every time I did, there would be more things I would become aware of, that were hiding in the depth of the wonderful language presented in this book."

--Suzy

The Gentlemen's Club

When you find yourself in a situation that you don't seem to be able to change, you may be stuck in a distractor implant. A distractor implant is designed to be triggered by the events of your life and to create distractions that keep you from being all that you can truly be and having the life you would truly like to have. They're the reason we believe we have no choice in anything. This book provides information and effective tools that will enable you recognize the distractor implants and become free of them.

Divorce After 50

What if BUSINESS was JOYFUL and FUN? What if it was so much more than you ever perceived possible? If you were creating your business from the JOY of it - what would you choose? What would you change? What would you choose if you knew you could not fail? Business is JOY, it's creation, it's generative. It can be the adventure of LIVING. Australia's Simone Milasas is a dynamic business leader with a difference. She is the worldwide coordinator of Access Consciousness (www.accessconsciousness.com), the founder of Good Vibes For You (www.goodvibesforyou.com), and the creative spark that ignited The Joy of Business (www.accessjoyofbusiness.com). "I LOVED reading this book. It has changed so many things for me. I see the places in business where I stuck only one toe in the water rather than choosing the adventure of immersing my whole body and being. I have also become more aware of how to communicate with people whose style of communication is different from mine. Holy moly, that is huge! Thank you, Simone, for reminding me of how differently I do business and that anything is possible-no matter what anyone else says." -Diva Diaz, Australia.

Maria Shriver, Kim Kardashian, Stevie Wonder, Britney Spears . . . Who do they have in common? Top LA divorce lawyer Laura Wasser. If anyone ever had a platform to write a how to divorce book for today's generation, it's Laura Wasser. She has been practicing in her field for nearly twenty years, represented many of the country's top celebrities and has been celebrated for her unique style, her empathy and her expertise. Wasser's personal and professional life have been profiled by publications like the Los Angeles Times, Vogue and Interview. Most important, her approach and advice is different from almost any other and she articulates it in a simple manner. Laura Wasser addresses an entire generation who want—and need—to handle their breakups differently. It's no secret that the divorce rate in America is more than half the marriage rate. Yet the means for dissolving a relationship often seem hopelessly mired in an outdated perception of how it's supposed to be done. Wasser acknowledges that this generation's realities have evolved greatly since the previous generation's in almost every way, and that they want to get divorced cheaply and efficiently and maintain control of the process themselves. The daughter and partner of a prominent Los Angeles Family Law attorney, she has a deep history in the field, and she knows the available roads to uncontested resolution like nobody else. At times psychologist, at times strategist, and distinctly of this generation, Laura and her book will offer readers safer passage through what can be a devastating time, emotionally and financially.

Being You, Changing the World (Hardcover)

Kevin Murphy's searing and devastatingly honest story, *Surviving Cancer after Surviving Cancer*, offers a unique

perspective on this all too common phenomenon, when cancer (or any life-threatening illness) erodes the foundation of a once happy, thriving relationship. It offers the hard won wisdom of a husband who stood by his cancer stricken wife as she endured immense physical and emotional suffering, and beat the cancer that threatened her life and their unborn child, only to succumb to a painful divorce less than a decade later. Part memoir, part self-help primer, *Surviving Cancer after Surviving Cancer* is a wakeup call to couples and families whose lives have been decimated by disease. It seeks to bridge the emotional gap that too often isolates citizens of sickness from their spouses, families, and friends.

When you're getting divorced, you can make a tough time easier for your children (and yourself) if you and the other parent can create your own custody plan and agree on child support. If you can't work out custody and support, you'll have to head to court and ask a judge to step in. Either way, *Nolo's Essential Guide to Child Custody & Support* can help. You'll learn: how negotiation and mediation can keep costs down, ease the transition for kids, and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work what military families need to know when you need a lawyer and how to work with one You'll also find specifics about each state's laws, including what factors courts consider when they rule on custody arrangements, what happens when one parent wants to move away with the children, and how you can change custody or

support orders.

Thinking Divorce? Think Again

Have you ever stopped to ask yourself if you really want a relationship? And if you do, what would you really like to create? RELATIONSHIP. Are you sure you want one? This is not your average relationship book. There is no 'sugar coating, ' just practical tips and tools written from the authors, Simone and Brendon, so you can have both the male and female perspective. Warning: you might not like what you hear! Ladies, the man in your life didn't ask you to come along and change him into what you have decided is the perfect man for you. Brendon Watt Refreshingly honest, the book talks about: - Why there is no perfect relationship - Why you are the valuable product - The keys to intimacy - Choosing for you - Why gratitude is the key to letting go of judgement Relationship. Are you sure you want one? Is a totally different way of looking at relationships. To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. The Handover Book

The Manual You Should Have Been Given When You Were Born is not like any other body book you've ever read. It's about functioning with your body from the perspective of beingness. It explores how you, as an infinite being, can experience greatness with your body. "What if your body were an ongoing source of joy? " This book may go against everything you've ever thought, everything you've been taught and everything you've read; and everything you have brought that everyone else believes. It doesn't claim to give you all the answers. Instead it will encourage you to ask the questions that will allow you to enjoy the body you currently have and to create your body so that you can truly enjoy it.

Embodiment

Are You a Lady or a Woman? The Lady is about a kind, elegant, playful--and very powerful--way of being in the world that extends to all aspects of life, from business, money and parenting to flirtation, seduction and sex. A lady is a source of power that creates possibility. She chooses to be everything that she is without being defined by what others think she should be. She knows what she desires and how to get it. She leads without controlling--she never has to compete with anyone. This book is about fully receiving and enjoying the beauty, power, fun and excitement of who you are. It describes a way of being that welcomes men and women to be kind, understanding, and knowledgeable about the world and how to

navigate it. "A lady is always an inspiration to others, just by knowing who he or she is."

Renegotiating Family Relationships

With many children and adults affected by Attention Deficit Hyperactivity Disorder, researchers strive to improve our understanding of the causes, consequences, and treatment of the disorder. This volume examines some of the broad arrays of research in the field of ADHD, from etiology to cutting-edge interventions. The 16 chapters explore topics ranging from comorbidity to advances in the search for biomarkers; to executive, cognitive, and social functioning; to the use of new and alternative therapies. Both the professional and the casual reader alike will find something of interest, whether learning about ADHD for the first time or looking for inspiration for new research questions or potential interventions.

Advanced How To Become Money Workbook

What if money was a vehicle to change the world? What if you were willing to receive unlimited amounts of money? What is money? For some, money is cars; for some, money is houses; for some, money is security. But, is money any of those things? No, its not. Money is energy, just as are you energy. There is no difference between you and money except the points of view that you give it. What if you could BE money? What if you could BE the energy that creates, generates, and produces money? If you could change your financial reality by looking at the points of view you have about money, would you choose to do so? The Advanced How to Become Money Workbook by Gary M. Douglas picks up where the original How to Become Money Workbook leaves off. It is full of more advanced questions and processes designed to facilitate the insane and limited points of view you have created around money and to create greater ease in your life--with a lot more money and currency flows.

Handbook of Religion and Health

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a

master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. Partners

Divorceless Marriage

Finding fulfillment in both love and work isn't easy--but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In *Couples That Work*, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives--together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms--and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries--from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, *Couples That Work* will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

Surviving Cancer After Surviving Cancer

Approximately eight of every ten academics have spouses or partners who are working professionals, and almost half of these partners are academics as well. In fact, dual-career academic couples are so prevalent that "the two-body problem" has become a common way of referring to the situation. Increasingly, intense competition to hire the best faculty forces institutions to assist dual-career couples in finding suitable employment for the accompanying spouse or partner. The authors of *The Two-Body Problem* examine policies and practices used by colleges and universities to respond to the needs of dual-career couples within the economic, legal, and demographic contexts of higher education. Using data from an extensive survey of public and private universities as well as in-depth case studies of institutions representing distinctive approaches to this problem, the authors find that the type of institution—its location, size, governance, mission, and resource availability—is a critical factor in determining dual-career employment options. *The Two-Body Problem* describes various accommodation models in depth and provides valuable information for college and university administrators responsible for hiring faculty and supporting their performance.

The Long Fix

The magnanimous universe is your true home. Are you aware that infinite possibilities show up when you allow yourself to be in the natural flow of the magnanimous universe and to have the ease of that? Are you willing to receive what you desire? What is the power of committing to your own life?

The Lady

Long recognized as the authoritative guide for clinicians working with divorcing families, this book presents crucial concepts, strategies, and intervention techniques. Robert E. Emery describes how to help parents navigate the emotional and legal hurdles of this painful family transition while protecting their children's well-being. The book is grounded in cutting-edge research on family relationships, parenting, and children's adjustment, including Emery's groundbreaking longitudinal study of the impact of divorce mediation versus litigation. It provides a detailed treatment manual for mediating custody and other disputes, developing collaborative parenting plans, and fostering positive postdivorce family relationships. New to This Edition *Reflects the latest psychological research, as well as divorce and custody law. *Chapters on understanding and addressing divorcing partners' anger and grief. *Treatment manual chapters have been extensively revised. *Incorporates

the author's 12-year follow-up study.

Projections, Expectations, Separations, Judgments & Rejections

Thousands of years before the dragonets of destiny were hatched, another destiny began. Foeslayer the NightWing and Prince Arctic of the IceWings are legendary. According to the myths, before they became the parents of Pyrrhia's most infamous dragon, Darkstalker, Foeslayer and the NightWings kidnapped an IceWing prince. The act set off a bitter rivalry between the tribes that lasted thousands of years. But it all started so simply: Foeslayer and Arctic fell in love. They just wanted to be together; instead, a runaway dragon became a fugitive -- and changed Pyrrhia forever.

Your Owner's Manual for Life

"What if you were the best thing that ever happened on planet Earth? All the projections and expectations you've defined as meaningful are the things that keep you from being everything you are." Gary Douglas, in conversation with participants in a life-changing Access Consciousness(R) class, describes what projections, expectations, separations, judgments, and rejections are, the way they destroy you, your life, and your relationships, and how to get free of them and be everything you are. As class participants ask questions about money, business, work, love, sex, bodies, parents, family, and kids, Gary offers lively stories, provocative questions, and amazingly effective tools, and clearings that will enable you to clearly see what is in front of you, and to change anything in your life. "If you have no projections, expectations, separations, judgments, and rejections, you can actually be happy "

Runaway

This is a sharp and refreshing departure from conventional books about sex and relationship that are based on psychological theories and principles. "If those really worked," writes Gary Douglas, "wouldn't you have been free, expansive and joyful in your relationship a long time ago?" Funny, frank, and delightfully irreverent, *Sex Is Not a Four Letter Word but Relationship Often Is*, offers readers an entirely fresh view of how to create great intimacy and exceptional sex, and provides answers to questions you may never have thought to ask.

Living Beyond Distraction

These are the Ten Keys to Total Freedom. They are a way of living that will help you expand your capacity for consciousness so that you can have greater awareness about yourself, your life, this reality and beyond. With greater

awareness you can begin creating the life you've always known was possible but haven't yet achieved. If you will actually do and be these things, you will get free in every aspect of your life. People have used these Ten Keys to get over depression, lack of money, relationship issues, body problems and many other situations that have seemed insurmountable. Gary Douglas & Dr. Dain Heer explored the Ten Keys to Total Freedom in detail on a series of telecalls and conversations over a period of ten weeks with Access Consciousness Facilitators and other people from all over the world. This book is based on these main principles of Access Consciousness that have changed, and continue to improve, people's lives worldwide.

Divorceless Relationships

A unique and simple communication book for separated families. Children can find conflict between their separated parents to be very distressing. That's why we have designed this handover book so that the likelihood of disagreements between parents, now that they are not living together any more, will be much less likely. It will allow them both to always be aware of what is happening in their children's busy lives as they go from one household to another. It's a way of communicating the important things they both need to know about their children, while keeping your relationship as parents friendly and calm.

The Place

It may not be a quick fix, but this concrete action plan for reform can create a less costly and healthier system for all.

It Doesn't Have to Be That Way

The authors share processes, tools, and points of view that can be used to create consciousness and magic and change one's life in unimaginable ways.
