The untold and inspiring story of Eric Liddell, hero of Chariots of Fire, from his Olympic medal to his missionary work in China to his last, brave years in a Japanese work camp during WWII. Many people will remember Eric Liddell as the Olympic gold medalist from the Academy Award winning film Chariots of Fire. Famously, Liddell would not run on Sunday because of his strict observance of the Christian sabbath, and so he did not compete in his signature event, the 100 meters, at the 1924 Paris Olympics. He was the greatest sprinter in the world at the time, and his choice not to run was ridiculed by the British Olympic committee, his fellow athletes, and most of the world press. Yet Liddell triumphed in a new event, winning the 400 meters in Paris. Liddell ran--and lived--for the glory of his God. After winning gold, he dedicated himself to missionary work. He travelled to China to work in a local school and as a missionary. He married and had children there. By the time he could see war on the horizon, Liddell put Florence, his pregnant wife, and children on a boat to Canada, while he stayed behind, his conscience compelling him to stay among the Chinese. He and thousands of other westerners were eventually interned at a Japanese work camp. Once imprisoned, Liddell did what he was born to do, practice his faith and his sport. He became the moral center of an unbearable world. He was the hardest worker in the camp, he counseled many of the other prisoners, he gave up his own meager portion of meals many days, and he organized games for the children there. He even raced again. For his ailing, malnourished body, it was all too much. Liddell died of a brain

### **Eric Liddell**

Eric Liddell, the Scottish 400m Olympic Champion from the 1924 Olympic Games in Paris was immortalised in the Oscar winning film Chariots of Fire. His story however goes far beyond the restrictions of a two hour movie that in any case was not entirely accurate with the truth of the detail of Liddell's extraordinary but tragically short life. Julian Wilson's vivid biography recounts not only the highs and lows of his athletics career including his controversial decision never to run on a Sunday, but also his life after the Olympics as a missionary in war torn China. It was here that is unassuming and selfless character won him many friends despite the severity of the conditions he had to endure toward the end of his life.

An Olympic run wasn't his most important race. Eric Liddell was born to run. From childhood, his physical abilities brought honor and fame—culminating in a gold medal at the 1924 Olympics. But it was another run that really mattered: the race of life mentioned in Hebrews 12 (“ . . .and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith. . . .”). Eric Liddell's commitment to God was so strong that he once skipped an Olympic qualifier because it was held on Sunday. His scrupulous faith was chronicled decades later in the movie *Chariots of Fire*. At the height of his fame, Eric traded track shoes for hiking boots, taking the gospel message to the vast land of China. His life there was cut short, but the shadow he cast was long—with millions still finding challenge from his faithful example.

## **Amy Carmichael**

In *Unbinding the Heart*, author, speaker, and Huffington Post regular Agapi Stassinopoulos invites readers on an inspiring journey of inner exploration to reconnect with their true selves. Born in Greece, a country that celebrates life, Agapi learned the essential truths of happiness through the examples of wisdom, caring, playfulness, and generosity she saw all around her, starting with her own mother. She came to realize that everyone is born with an open heart, but that we quickly learn to put conditions on our happiness-comparing ourselves to others, casting judgment, doubting ourselves, allowing fear or entitlement or self-righteousness to take hold-and slowly our hearts begin to close. We isolate ourselves, feeling alone, disconnected, and unheard; and in doing so we immobilize our spirit, stifle our authentic expression, and cut off our joy. As she went on, Agapi, like so many of us, came under the soul-constricting influences of the larger world. In her struggle to find her place and her voice, trying to balance the acting career she dreamed of with the spiritual life she longed for, she discovered a path that was uniquely hers. *Unbinding the Heart* shows how she

found her way home to herself. In 32 personal, heartfelt stories full of insight and humor, Agapi takes us from her mother's bountiful kitchen, where the seeds of fearless living were planted, to the London classical stage, to an epiphany on a New York City bus-and inspires readers with the confidence to let go of the beliefs that bind them and come to a deeper understanding of life and love.
