Heaton presents Claimed by a Demon King (Eternal Mates Paranormal Romance Series Book 2) The moment the demon King Thorne of the Third Realm set eyes on the mortal huntress Sable, he knew she was his fated one. The fiery, dangerous female awakened hungers he had never experienced before, a dark craving and passion that has consumed him in their time apart. As the lunar cycle wanes, she enters his world again and nothing will stand in the way of him claiming his forever with her—not the relentless assault from the Fifth Realm or the dark elf male determined to seduce her out of his grasp. Intent on achieving the coveted position of commander at Archangel, Sable leads her small team into the dark underworld and the Third Realm, to a war where her allies are the very creatures she normally hunts—vampires, werewolves, and demons. Her eagerness to lead the deadly mission has everything to do with winning her promotion, and nothing to do with the kingdom’s brash, lethally seductive demon king—a king who stirred fierce desire and wildfire heat in her with just a look and an innocent touch when they first met, and has been in her wicked dreams ever since. As the gathering storm between rivals unleashes irresistible passion that flares white-hot and the heat of the battle brings life-shattering realisations, can Sable place her duty before her heart? Or will she surrender to her deepest desires and be claimed by a demon king? Step into a passionate, lush, and powerful paranormal romance series packed with dark elves, vampires, demons, fae, shifters and angels from New York Times and USA Today Best-Selling Paranormal Romance Author Felicity Heaton.

Dark Prince

New York Times and USA Today best-selling author Felicity Heaton presents: Taken by a Dragon (Eternal Mates Paranormal Romance Series Book 7) Possessed by a need to save a beautiful Amazon warrior from the vision he witnessed, Loke snatched her from the midst of the battle between the Third and Fifth realm of the demons, and carried her to his home deep in the black mountains of Hell to protect her. But as the fierce little female awakens, he finds she's anything but grateful, and his dragon instincts roar to life to warn she might be more to him than an enemy—she might be his fated female. Anais remembers meeting a handsome warrior in the heat of battle, a man who was her enemy but who looked at her with eyes that held dark heat and wicked promises. When she wakes to find that same dragon shifter has taken her captive, desire is the last thing on her mind, but escaping him to return to Archangel, the hunter organisation she works for, sounds

less than appealing when he reveals the reason he took her—to stop her from dying. Can Loke protect Anais from the dangers of his realm and how far will he go to save her from the future he keeps witnessing? Can Anais resist the fierce attraction that burns between them as hot as fire and stay true to Archangel or will her heart be taken by the dragon? Claimed by a Demon King

What role did drug abuse play in John F. Kennedy's White House, and how was it kept from the public? How did general anesthetics and aging affect the presidency of Ronald Reagan? Why did Winston Churchill become more egocentric, Woodrow

Wilson more self-righteous, and Josef Stalin more paranoid as they aged -- and how did those qualities alter the course of history? Was Napoleon poisoned with arsenic or did underlying disease account for his decline at the peak of his power? Does syphilis really explain Henry VIII's midlife transformation? Was there more than messianism brewing in the brains of some zealots of the past, among them Adolf Hitler, Joan of Arc, and John Brown? Most important of all, when does one man's illness cause millions to suffer, and when is it merely a footnote to history? To answer such questions requires the clinical intuition of a practicing physician and the scholarly perspective of a trained historian. Bert Park, who qualifies on both counts, offers here fascinating second opinions, basing his retrospective diagnoses on a wide range of sources from medicine and history. Few books so graphically portray the impact on history of physiologically compromised leadership, misdiagnosis, and inappropriate medical treatment. Park not only untangles medical mysteries from the past but also offers timely suggestions for dealing with such problems in the future. As a welcome sequel to his first work, *The Impact of Illness on World Leaders*, this book offers scholars, physicians, and general readers an entertaining, albeit sobering, analysis.

Memory Hold-The-Door

New York Times and USA Today best-selling author Felicity Heaton presents: Ares (Guardians of Hades Romance Series Book 1) Prince of the Underworld and Lord of

This autobiography was one of John F. Kennedy's favourite books.

This book examines social aspects of humour relating to the judiciary, judicial behaviour, and judicial work across different cultures and eras, identifying how traditionally recorded wit and humorous portrayals of judges reflect social attitudes to the judiciary over time. It contributes to cultural studies and social science/socio-legal studies of both humour and the role of emotions in the judiciary and in judging. It explores the surprisingly varied intersections between humour and the

judiciary in several legal systems: judges as the target of humour; legal decisions regulating humour; the use of humour to manage aspects of judicial work and courtroom procedure; and judicial/legal figures and customs featuring in comic and satiric entertainment through the ages. Delving into the multi-layered connections between the seriousness of the work of the judiciary on the one hand, and the lightness of humour on the other hand, this fascinating collection will be of particular interest to scholars of the legal system, the criminal justice system, humour studies, and cultural studies.

The Red Herring

Duty—or desire? Vampire soldier Adare O’Cearbhaill’s default setting is cranky. Or irritated. Or down-right hostile. Still, as a Highlander of honor and duty, he stepped up to save an enhanced and special human female by mating her—with merely a bite and a brand. The last person he wants in his life is a fragile human, yet he can’t get her out of his mind as she regains her strength before taking off for parts unknown. And when he discovers she is in danger, nothing can stop him from

hunting her down—whether she likes it or not. There’s only one way to find out . . . Photographer Grace Cooper has had it with vampires, demons, and the rest of an immortal world she was happier not knowing about. She also doesn’t believe she’s destined for some great battle because of an old birthmark. Forget the fact that her mate is the sexiest thing on two stubborn feet, or that her brand is fading along with her health. She’ll handle things on her own—until an old enemy reappears and she learns the only way to stay alive is to actually mate, wild sex and all, with that ripped and dangerous Adare—a powerful, captivating Highlander who demands nothing less than everything . . . “Spicy romantic interplay; highly recommended.” —Library Journal on Vampire’s Faith “Sizzling sex scenes and a memorable cast.” —Publishers Weekly on Claimed “A fast-paced, excitement-filled explosion of action... Zanetti keeps getting better.” —RT Book Reviews on Marked, 4.5 Stars Top Pick
