After leaving horses behind for many years to pursue her medical career, Dr. Beth Glosten decided it was time to ride again only to discover that, as a middle-aged woman, she struggled with tension, awkwardness, and an aching back. Dr. Glosten's own frustration with riding prompted her to apply her clinical research skills to figure out what it would take to not only create the harmonious picture of horse and rider moving together, but also feel good while doing it. In this book, Dr. Glosten shows others how best to improve their posture and position in order to prevent unnecessary physical degeneration, ensuring they can ride, and ride well, for many years to come. Readers will find basic rider anatomy that is easy to understand, as well as over 50 step-by-step exercises geared toward developing riding skills. Plus, Dr. Glosten has developed a systematic "Rider Checklist" to help you keep track of your position and function in the saddle. Throughout, case studies share rider stories that illustrate the kinds of physical challenges experienced in the saddle in midlife, and how they can be met with proactive, pain-free solutions. The result is a remarkably valuable book.

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL's 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—who continues to play at an elite level into his forties—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

Now a National Bestseller "Religion, politics, and love collide in this slim but powerful novel reminiscent of Donna Tartt's *The Secret History*, with menace and mystery lurking in every corner." --*People Magazine* "The most buzzed-about debut of the summer, as it should be unusual and enticing *The Incendiaries* arrives at precisely the right moment." --*The Washington Post* "Radiant A dark, absorbing story of how first love can be as intoxicating and dangerous as religious fundamentalism." --*New York Times Book Review* A powerful, darkly glittering novel of violence, love, faith, and loss, as a young woman at an elite American university is drawn into a cult's acts of terrorism. Phoebe Lin and Will Kendall meet in their first month at prestigious Edwards University. Phoebe is a glamorous girl who doesn't tell anyone she blames herself for her mother's recent death. Will is a misfit scholarship boy who transfers to Edwards from Bible college, waiting tables to get by. What he

knows for sure is that he loves Phoebe. Grieving and guilt-ridden, Phoebe is drawn into a secretive cult founded by a charismatic former student with an enigmatic past. When the group commits a violent act in the name of faith, Will finds himself struggling to confront a new version of the fanaticism he's worked so hard to escape. Haunting and intense, *The Incendiaries* is a fractured love story that explores what can befall those who lose what they love most.
