Synchronizing Success

In 1938-1939, fourth-grader Monchi Ramirez and the other students at Coyote School enjoy their new teacher, have a special Christmas celebration, participate in the Tucson Rodeo Parade, and produce their own school newspaper. 10,000 first printing.

Nonfiction Chapter Books

Lucy Calkins discusses how to teach writing and how children develop as writers; she stresses the importance of staff development for teachers of writing.

The Next Step Forward in Reading Intervention

3 grades 73 pages, 7 unique assessments, 5 templates, 40 images. Common Core-compliant, the Ultimate Guide to Keyboarding in the Classroom: Middle School (digital delivery only) prepares students for the demands of a tech-infused classroom. It is designed to be taught in the computer lab or as a shared responsibility—multiple teachers reinforce keyboarding skills You might also like: Ultimate Guide to Keyboarding: Middle School Companion Student Workbooks (K-8) Companion Student Videos (grades 3-8)

Writing Reviews

"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Getting to the Core of Writing: Essential Lessons for Every First Grade Student

Journeys

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.

Units of Study for Teaching Writing

An offbeat penguin shows his peers the power of individuality in this humorous tale from the author of *Pookins Gets Her Way*. Tacky is an odd bird. He likes to do splashy cannonballs and greet his companions with a loud "What's happening?" In fact, he's something of an eccentric, which wouldn't be a problem if all the other penguins weren't such...conformists. When intimidating visitors invade their peaceful, nice, icy land, it'll take a lot more than a bunch of perfect penguins to save the day. Thank goodness Tacky's such an odd bird! "This book is must reading for any kid—or grown-up—who refuses to follow the pack."—Publishers Weekly

The Next Step in Guided Reading

The relatives come to visit from Virginia and everyone has a wonderful time.

The Writing Revolution

The larger-than-life story of a true American hero -- John Chapman, better known as Johnny Appleseed. Kellogg "is ideal as interpreter of this fascinating man.[His] color has never been so rich and luxuriant.An affectionate portrayal, enthusiastically accomplished." -- Booklist.

The Fountas & Pinnell Comprehensive Phonics, Spelling, and Word Study Guide

"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Reading Reasons

Is that a Fact?

Go Math! Grade 4

When Zack meets his second-grade teacher, Miss Smith, he can tell right away that her class will be different. But he has no idea just how different it will be! Miss Smith has a knack for telling tales when she reads from her incredible book, the stories literally spring to life! Then one day Miss Smith is late for school. The principal takes over and things get out of hand. The classroom is swarming with storybook characters from princesses to pirates to the three little pigs? All it takes is one spectacular teacher.

Duck for President

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent

Authors as Mentors

Ultimate Guide to Keyboarding

Common Core Curriculum Maps in English Language Arts, Grades K-5

Provide your 4th graders with rigorous reading comprehension practice! Close reading, vocabulary, comprehension, and writing activities support Common Core learning paths. Plus, downloadable home-school connection activities extend learning at home.

Prioritizing the Common Core

This series of books is designed to help upper-elementary teachers teach a rigorous yearlong writing curriculum.

Grammar Guide

Scott Foresman Reading Street ((c)2008) components for Grade 1.

Reading Informational Text, Grade 4

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

The Writing Workshop

Presents information on ways to be an effective teacher, covering such topics as lesson plans, standards, technology, testing, motivation, discipline, homework, teaching special needs students, and working with parents.

Lesson Plan Book

Part of a series of units as part of a year-long curriculum based in primary writing.

How-to Books

Challenges educators to view adolescent literacy as a 'civil right' that enables students to understand essential content and to develop as independent learners. This book offers frameworks to help teachers implement those practices in their own schools. It is suitable for professional learning communities, study groups, and individual teachers.

Coyote School News

Literacy intervention should be swift and powerful--and this approach by Jan Richardson and Ellen Lewis provides fast results! After only 6-8 weeks of intervention, students can gain the confidence, proficiency, and skills they need to excel as

readers and exit intervention! Based on Jan's bestselling *The Next Step Forward in Guided Reading*, this companion volume is intended to be used together in order to best implement the RISE framework.. *The Next Step Forward in Reading Intervention* offers intensive, short-term, targeted instruction in reading, writing, word study, and comprehension. It's a step-by-step handbook for literacy teachers, literacy coaches, and reading specialists who are looking for a proven reading intervention program that really works. "RISE has truly changed the face of intervention at our school." -- Ranita Glenn, Reading Specialist and RISE instructor, Hardy Elementary School, Chattanooga, Tennessee

The Writing Revolution

"The book shows how school leaders can create a comprehensive literacy system throughout schools and across districts by aligning change components with a vision for literacy education. Enriched with tools, tips, and planning guides for incrementally managing positive change, *Synchronizing Success* provides literacy specialists, principals, and staff developers the resources and action steps necessary for designing an integrated literacy system tailor fit to their school setting."--BOOK JACKET.

The Complete Idiot's Guide to Success as a Teacher

From the New York Times bestselling creators of *Click, Clack, Moo*, comes an entertaining introduction to politics. My fellow Americans: It is our pleasure, our honor, our duty as citizens to present to you *Duck for President*. Here is a duck who began in a humble pond. Who worked his way to farmer. To governor. And now, perhaps, to the highest office in the land. Some say, if he walks like a duck and talks like a duck, he is a duck. We say, if he walks like a duck and talks like a duck, he will be the next president of the United States of America. Thank you for your vote.

90 Miles to Havana

This book shows you how to improve student achievement by providing them with frequent feedback on their work. It provides a step-by-step process to help you write good questions that assess student learning, design your own formative assessments, administer short-cycle assessments, analyze and use data to shape instruction, prepare your students for high-stakes tests, and includes activities and forms to walk you through the process step by step.

Reading 2008 Student Edition (Hardcover) Grade 1.2

The consensus among educators nationwide is that in-depth instruction paired with focused assessment of essential

concepts and skills are far more effective than superficially covering every concept and skill in the standards. Educators are faced with the task of teaching all standards while meeting the extraordinary range of student learning needs. Prioritizing the Common Core offers common sense solutions to the dilemmas teachers face today in implementing the new, more rigorous national standards. Chapters present a rationale for prioritizing the Common Core, a step-by-step process for prioritizing standards in language arts and mathematics, strategies for soliciting feedback and input from everyone in the district or school prior to the final determination of the Priority Standards, and detailed summaries of the process schools in six different districts used to identify their Priority Standards, with accompanying commentary by those who directed the work.

Writers are Readers

This resource helps teachers to incorporate writing instruction in the first grade classroom as an essential element of literacy development while implementing best practices. As a classroom-tested resource, Getting to the Core of Writing shows positive results in students' writing and simplifies the planning of writing instruction. It assists teachers in becoming familiar with the Common Core State Standards of Writing and provides resources to support the implementation of these standards. The included ZIP file contains information on how to establish a daily writing workshop that includes consistent, structured instruction to engage students in the writing process. This resource was developed with Common Core State Standards as its foundation and is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills.

The Right to Literacy in Secondary Schools

Writing for Readers

On Wednesday nights when Grandma stays with Anna everyone thinks she is teaching Anna to read.

Johnny Appleseed

Part of a year-long curriculum of units about primary writing

The Wednesday Surprise

A guide to help teachers who want to expand children's nonfiction writing beyond the usual topics of themselves or their

experiences.

Understanding by Design

In *Writers Are Readers*, the mutually supportive roles of reading and writing are made visible through the idea of "flipsides;" how a reader's insights can be turned around to provide insights into his own writing, and vice versa. Lester and Reba's trademark engaging style is woven throughout chapters full of sample lessons, student writing samples, and recommended texts for maximizing the flipped concept across the year. "Leading the student to understand what he did as a reader can become a lens that brings into focus what the writer had to do before a reader ever saw the page," they write. Discover fresh new ways to turn reading strategies into writing opportunities that your students will be excited about and deeply understand.

The Relatives Came

Miss Smith's Incredible Storybook

Tacky the Penguin

"Why should I read?" Can your students answer that question? Do they have trouble seeing the importance that reading may have in their lives? Are they lacking motivation, both in academic and recreational reading? Do you think you can effectively teach reading strategies if students don't understand the benefits of literacy? In *Reading Reasons*, Kelly Gallagher offers a series of mini-lessons specifically tailored to motivate middle and high school students to read, and in doing so, to help them understand the importance and relevance reading will take in their lives. This book introduces and explains in detail nine specific "real-world" reasons why students should be readers. The book contains forty practical, classroom-tested and reproducible mini-lessons that get to the heart of reading motivation and that can be used immediately in English (as well as other content-area) classrooms. These easy-to-use motivational lessons serve as weekly reading "boostershots" that help maintain reading enthusiasm in your classroom from September through June. The mini-lessons, ranging from five to twenty minutes in length, hit home with adolescents, and in turn, enable them to internalize the importance reading will play in their lives. Rather than telling students reading is good for them, the lessons in this book show them the benefits of reading.

Writing, Grade 2

When Julian's parents make the heartbreaking decision to send him and his two brothers away from Cuba to Miami via the Pedro Pan operation, the boys are thrust into a new world where bullies run rampant and it's not always clear how best to protect themselves. *90 Miles to Havana* is a 2011 Pura Belpre Honor Book for Narrative and a 2011 Bank Street - Best Children's Book of the Year.

Schoolhouse Planning
