Paper Towns

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Witch's Master Grimoire

Twenty eight florins a month is a huge price to pay, for a man to stand between you and the Wild. Twenty eight florins a month is nowhere near enough when a wyvern's jaws snap shut on your helmet in the hot stink of battle, and the beast starts to rip the head from your shoulders. But if standing and fighting is hard, leading a company of men - or worse, a company of mercenaries - against the smart, deadly creatures of the Wild is even harder. It takes all the advantages of birth, training, and the luck of the devil to do it. The Red Knight has all three, he has youth on his side, and he's determined to turn a profit. So when he hires his company out to protect an Abbess and her nunnery, it's just another job. The abby is rich, the nuns are pretty and the monster preying on them is nothing he can't deal with. Only it's not just a job. It's going to be a war. . .

Ours to Love

From the Whiting Award-winning author of Pretend I'm Dead and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr.

Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

"A magical tale unlike anything you've read before." —Bustle.com "[A] richly imagined 19th-century historical fantasy."
—EW.com, A- The thrilling first book in a YA fantasy trilogy for fans of Red Queen. In a world where social prestige derives from a trifecta of blood, money, and magic, one girl has the ability to break the spell that holds the social order in place. Sixteen-year-old Anna Arden is barred from society by a defect of blood. Though her family is part of the Luminare, powerful

users of magic, she is Barren, unable to perform the simplest spells. Anna would do anything to belong. Her life might well be over. In Hungary, Anna discovers that nothing is quite as it seems. Not the people around her, from her aloof cousin Noémi to the fierce and handsome Romani Gábor. Not the society she's known all her life, for discontent with the Luminate is sweeping the land. And not her lack of magic. Isolated from the only world she cares about, Anna still can't seem to stop herself from breaking spells. Room and Furniture Layout Kit

An intimate monograph of the professional and personal creations of a midcentury design legend. Irving Harper is the most famous designer you have never heard of. Working as an associate at the office of George Nelson in the 1950s and '60s, Harper was responsible for such icons of midcentury design as the Marshmallow sofa, the Ball clock, and numerous Herman Miller textile designs. Harper's unrecognized contribution to this seminal era of design, and his incredible paper sculptures (made in his spare time to "relieve stress"), are presented for the first time in this book. An essay by design critic Julie Lasky introduces Harper's commercial design work, recognizable designs from graphics to domestic goods to furniture that are still coveted and appreciated today, designed for the offices of Raymond Loewy, George Nelson, and then his own studio Harper + George. The second part of the book documents Harper's extensive paper sculptures, which have never been exhibited. More than three hundred works fill Harper's house and barn in Rye, New York, where this array of fantastical

people and animal sculptures was created from modest and inexpensive materials as diverse as spaghetti and toothpicks in addition to paper. Images of Harper's home, filled with furniture and objects of his own design as well as his paper sculptures, offer a rare glimpse into a Modern design enthusiast's paradise. Offering insight into an important era of American design as well as the prolific output of a creative mind, this book promises to be the first to recognize Irving Harper's contribution to the field and will appeal to fans of Modern design.
