Since the late 1970s when Congressman Claude Pepper held widely publicized hearings on the mistreatment of the elderly, policy makers and practitioners have sought ways to protect older Americans from physical, psychological, and financial abuse. Yet, during the last 20 years fewer than 50 articles have addressed the shameful problem that abusers "and sometimes the abused themselves" want to conceal. Elder Mistreatment in an Aging America takes a giant step toward broadening our understanding of the mistreatment of the elderly and recommends specific research and funding strategies

that can be used to deepen it. The book includes a discussion of the conceptual, methodological, and logistical issues needed to create a solid research base as well as the ethical concerns that must be considered when working with older subjects. It also looks at problems in determination of a report's reliability and the role of physicians, EMTs, and others who are among the first to recognize situations of mistreatment. Elder Mistreatment in an Aging America will be of interest to anyone concerned about the elderly and ways to intervene when abuse is suspected, including family members, caregivers, and advocates for the elderly. It will also be of interest to researchers, research sponsors, and policy makers who need to know how to advance our knowledge of this problem.

Part 2 of 2 Today we are releasing Version 2 of the CFPB Supervision and Examination Manual, the guide our examiners use in overseeing companies that provide consumer financial products and services. Our manual, originally released in October 2011, describes how the CFPB supervises and examines these providers and gives our examiners direction on how to determine if companies are complying with consumer financial protection laws. We updated the supervision manual to reflect the renumbering of the consumer financial protection regulations for which the CFPB is responsible. The numbering conventions in the Code of Federal Regulations (CFR) allow the reader to easily identify which regulations fall under a particular agency's responsibility. The renumbering incorporated throughout the manual reflects the Dodd-Frank Act of 2010 transfer of rulemaking responsibility for many consumer financial protection regulations from other Federal agencies to the CFPB. In December 2011, the CFPB published its renumbered regulations in the Federal Register. The renumbered regulations also included certain technical changes but no substantive changes. The CFPB's renumbering reflects the codification of its regulations in Title 12 (Banks and Banking), Chapter X (Bureau of Consumer Financial Protection) of the

CFR. For example, before July 21, 2011, the Federal Reserve had rulemaking authority for the Home Mortgage Disclosure Act, which was codified in Title 12, Chapter II (Federal Reserve System), Part 203. The CFPB's implementing regulation for the Home Mortgage Disclosure Act is now codified in Title 12, Chapter X, Part 1003.

Rich in information, Motion for Justice: -- I Rest My Case shares Brian Vukadinovich's experiences and intimate knowledge of governmental and judicial corruption and what went on behind the scenes in Indiana for years in efforts to take away his freedom and livelihood as a teacher. Motion for Justice: -- I Rest My Case, in a straightforward, no-holds-barred style, will open your eyes to government and judicial corruption that you have never before heard or seen the likes of. Brian Vukadinovich minces no words when he writes about his journey for justice, calling out high-level state and federal officials, including state and federal judges, for undermining Vukadinovich's efforts in exposing government corruption. Motion for Justice: -- I Rest My Case will show how law enforcement agencies in Indiana conspired to take his freedom away from him by falsely arresting and vindictively prosecuting him on numerous occasions and how Brian Vukadinovich successfully took on the corrupt police in many of the cases representing himself and successfully arguing for dismissal of the bogus charges. In Motion for Justice: -- I Rest My Case, you will read how John Bolton, as assistant attorney general of the U.S. Department of Justice at the time, and current national security adviser to President Trump, turned a blind eye to significant evidence of police-corruption activities against Brian Vukadinovich. Motion for Justice: -- I Rest My Case will show how numerous lawyers teamed up in efforts to have Brian Vukadinovich fired from teaching jobs and how he took on the corrupt lawyers and won two federal lawsuits, including a five-day jury trial in March 2016, when he represented himself and convinced a federal jury that the corporation violated his due process rights and awarded him damages of \$203,840.39. The case received substantial national attention. In writing the powerful foreword to Motion for Justice: -- I Rest My Case, Richard A. Posner, retired longtime distinguished judge of the United States Court of Appeals for the Seventh Circuit, called Brian Vukadinovich "A wonderful American success story" calling him "determined, indomitable, fearless, and daring." "Brian is not only a terrific litigator; he is a terrific writer, as the reader of this book will soon learn. Richard A. Posner Retired judge of the United States Court of Appeals for the Seventh Circuit "Vukadinovich has plenty to say - a luxury many lawyers often don't have." Indiana Lawyer Vol. 27 No. 21 - December 14-27, 2016 "Since 1981, Vukadinovich has been arrested by Valparaiso police seven times. Each time, he was found not guilty or charges were dismissed." The Vidette Messenger - January 4, 1992 "After one arrest, he left jail with a broken jaw; after another, he was handcuffed in a patrol car with a police dog." The Indianapolis Star - May 8, 1988
