### **Young Justice Vol. 2: Lost in the Multiverse**

Over the course of a storied literary career that has spanned more than half a century, Ray Bradbury has taken us to wonderful places: across vast oceans to foreign lands, onto summer porches of small-town America, through dark and dangerous forests where predators wait, into the hypnotic mists of dream, back to a halcyon past to remember, forward into an exhilarating future, and rocketing through outer

space. In *We'll Always Have Paris*—a new collection of never-before-published stories—the inimitable Bradbury once again does what few writers have ever done as well. He delights us with prose that soars and sings. He surprises and inspires, exposing truths and provoking deep thought. He imagines great things and poignantly observes human foibles and frailties. He enchants us with the magic he mastered decades ago and still performs flawlessly. In these pages, radio voices become indomitable flesh and the dead arise to recapture life. There is joy in an eccentric old man's dance for the world and wonder over the workings of humankind's best friend, O Holy Dog. Whether he's exploring the myriad ways to be reborn, or the circumstances that can make any man a killer, or returning us to Mars, Bradbury opens the world to us and beckons us in. Get ready to travel far and wide once again with America's preeminent storyteller. His tales will live forever. We will always have Bradbury—and for that reason, we are eternally blessed.

### **Tempesta assassina. Young Sherlock Holmes**

With this first book in Russell Brand's Trickster Tales series, the famed comedian, actor, and bestselling author delivers a hilarious retelling of an old fairytale favorite that will appeal to adults and children alike. Once upon a time, long ago, in a time that seemed, to those present, exactly like now except their teeth weren't so clean and more things were wooden, there was a town called Hamelin. The people of Hamelin were a pompous bunch who loved themselves and their town so much that if it were possible they would have spent all day zipped up in a space suit smelling their own farts. But space suits hadn't been invented yet so they couldn't. Then one day without warning a gang of rats bowled into the town and began causing a right rumpus... So begins Russell Brand's wildly funny and surprisingly wise retelling of the classic tale The Pied Piper of Hamelin. Whether you're a kid or a grown-up kid, you'll be chuckling the whole way through this zany story that bypasses Brand's more adult humor for the outrageous, the madcap, and the just plain silly. Maybe you've heard about the Pied

Piper before, with his strange music and those pompous townspeople and pesky rats. Or maybe you haven't. But one thing is for sure: you've never heard it quite like this.

### **We'll Always Have Paris**

In recent years, there has been an explosion of critical

interest in the icons, genres and traditions of 1970s Italian cult film. Thanks to the international success of directors such as Dario Argento and Sergio Martino, and the influential giallo (thriller) cycle in which they worked, these unconventional and often controversial films are now impacting on new generations of filmmakers, scholars and moviegoers alike. *Bodies of Desire and Bodies in Distress: The Golden Age of Italian Cult Cinema 1970–1985* considers the current interest in specific Italian directors and cult genres, exploring the social, political and cultural factors that spawned a decade of cinema dominated by extreme, yet stylish, images of sexuality and violence. *Bodies of Desire and Bodies in Distress* situates the explosion of 1970s Italian cult ‘excess’ against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period. The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives. In addition, the book also analyses how longstanding regional distinctions between Italy’s urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985. *Bodies of Desire and Bodies in Distress* profiles leading 1970s Italian directors and performers including Aristide Massaccesi (Joe D’Amato), Laura Gemser, and Dario Argento (who also provides an interview discussing his work and 1970s Italian society). The volume also provides case-studies of the giallo cycle, rape and revenge dramas, the Italian rogue cop series, post-apocalypse films, barbarian movies, and sex comedy formats. By considering the icons and genres from the golden age

of Italian cult film alongside the crucial social and sexual tensions that influenced their creation, this book will be of interest to film scholars and cult movie fans alike.
