Peter Cook and Dudley Moore are the greatest double act that Great Britain has ever produced. Today it's impossible to imagine modern sketch shows without them. If you're a fan of Monty Python, The Comic Strip or The Fast Show, then you're a fan of Cook and Moore. This collection of their works is a comprehensive compilation of the finest sketches that Cook and Moore ever wrote together - from the beginning of their partnership, in the groundbreaking stage show, Beyond The Fringe, to the notorious taboo busting Derek and Clive LPs that captured the spirit of punk rock, and inspired the scatological anarchy of Alternative Comedy. As well as illuminating their work, this book also promises to shed light on their intimate yet turbulent relationship. from a middle class, public boarding school background, and diminutive, club-footed Moore, working class, but with an impressive musical talent came together to develop the closest of partnerships based on an instinctive, virtually intuitive sense of humour. Kalyna's Song

Hell closes down when Lucifer falls in love, quits his job as the Prince of Darkness, and becomes a bartender in Ft. Lauderdale. Deep in the rugged mountains of southern West Virginia, nestled in the cradle of an idyllic little valley, the tiny town of Brandell, and its colorful cast of lovable characters, hold an ancient secret. Here, in this most unlikely of places, the women of Brandell Valley cook, clean, shop, gossip, dream, fall in love - and guard the gates of Hell. The tranquility of daily life in the valley is disrupted when Lucifer finds a way out of the depths. He simply quits his job as the Devil, packs his bags, and heads for Florida. Pandemonium erupts in the valley when, without the devil to keep things in check, various demons find their way out of Hell and wander into Brandell. A rather likeable Lucifer, decidedly un-evil demons, sorcery gone awry, romance and hilarity set the tone of this heart-warming, very tall tale.

Colleen Lutzak, a talented young Ukrainian musician from northern Alberta, struggles to maintain a sense of identity as her awareness of the world expands. Growing up in the small northern Alberta community of St. Paul, Colleen Lutzak has both positives and negatives to deal with - she has an abundance of musical talent, excellent grades in school, and a close extended family. On the other hand, she has a melodramatic mother, a nemesis named Carla Senko who somehow manages to screw up every triumph Colleen closes in on, and a cousin named Kalyna. Kalyna is Colleen's alter ego - they have the same name in different languages - and Kalyna is a mystery. A grown woman who once had a family, Kalyna talks and acts like a child. She loves Colleen's music more than anything in the world, and brings out every protective instinct her young cousin has. Colleen vigorously practices her youthful idealism as well as her talent. This mindset means life's lessons will be particularly hard on her. Her beloved music teacher, who shared and supported her pride in her Ukrainian heritage, suddenly dies. Colleen fails miserably in her first attempt at university in Edmonton. She is so determined to get away from all the "disappointments" of home that she registers to attend the United World College campus in Swaziland for a year. Obviously, Swaziland is an utterly foreign

experience. Colleen meets young women from truly dire political and social circumstances all over the world. She realizes how sheltered her life in Canada has been. Her sense of identity and self-worth is challenged by her foreign surroundings, her homesickness, the suicide of her closest friend. And the sudden death of Kalyna. This final tragedy forces Colleen to face adult decisions about the purpose to which she should devote her life and her talent.

of any inmate of St. Roberta's boarding school. Fortunately for Ellie Haskell, she is no longer a pudgy, wayward pupil but a happily married mother and interior designer with a beautiful home by the sea. Rather, Ellie has been summoned thanks to her reputation as an amateur sleuth. The headmistress, Mrs. Battle, has requested Ellie's help in the investigation into the disappearance of a coveted lacrosse trophy. Unless the prize is found, someone will succeed in dealing the school a great deal of embarrassment. So, despite her less-than-rosy memories of her alma mater, Ellie begins snooping around St. Roberta's—only to have her homecoming spoiled by the suspicious death of the recently retired games mistress, Ms. Chips. Now, with a killer possibly stalking the halls, Ellie must act fast to have a sporting chance at justice. Praise for *Goodbye, Ms. Chips* “Engaging Ellie provides a peak at boarding-school charms and horrors while solving one of her more intriguing cases.”—Kirkus Reviews “This humorous cozy is filled with sympathetic characters and an inside look at an English boarding school.”—Booklist Praise for Dorothy Cannell and the Ellie Haskell series “It is the absurd predicaments of her central characters that readers find themselves recalling, and Cannell is cunning at devising outlandish situations for them.”—Chicago Sun-Times “Cannell is a master of subtle wit and humorous asides that lift her cozies to great heights. Before the influx of writers trying to out-humor Janet Evanovich, there was Dorothy Cannell. Long may she write!”—Library Journal
