## **Hanukkah Bear**

Everyone wants to save money at the grocery store,

right? The monthly food bill is the third-highest item in most family's budgets, after transportation and home costs. While the price of your mortgage or car payment are fixed, one place you can save money is by cutting the cost of groceries. But how? Food costs keep rising and many families have food allergies or intolerances that require the purchase of more expensive products. In this book, I share what I have learned about saving money on groceries through years of trial and error. My "back to basics" approach—such as buying in bulk, stocking up, cooking from scratch, buying on sale, and planning meals—can help you save significantly, without spending hours clipping coupons or driving to several stores each week. I also include information on saving apps, batch cooking, alternative buying methods such as food co-ops, and how to read price labels at the store to decipher the best deal, as well as tasty, nutritious recipes. This book will pay for itself in one grocery store trip if you apply these saving strategies that even the busiest of people can use.

Sixth graders Sara and Elizabeth could not be more different. Sara is at a new school that is completely unlike the small Islamic school she used to attend. ### **Save Money on Groceries**

Imagine James Marshall's *The Stupids* celebrating Hanukkah, and you'd get the Latke family! Lucy Latke's family is just like yours or mine. Except that they're potato pancakes. And also, they are completely clueless. After lighting the menorah and gobbling the gelt, Grandpa Latke tells everyone the Hanukkah story, complete with mighty Mega Bees who use a giant dreidel to fight against the evil alien potatoes from Planet Chhh. It's up to the Latke family dog to set the record straight. (To start with, they were Maccabees, not Mega Bees) But he'll have to get the rest of the Latkes to listen to him first!

beloved All-of-a-Kind Family to life in a new format. Fans, along with those just meeting the five girls ("all of a kind," as their parents say), will join them back in 1912, on the Lower East Side of NYC, and watch as preparations for Hanukkah are made. When Gertie, the youngest, is not allowed to help prepare latkes, she throws a tantrum. Banished to the girls' bedroom, she can still hear the sounds and smell the smells of a family getting ready to celebrate. But then Papa comes home and she is allowed out--and given the best job of all: lighting the first candle on the menorah. First published in 1951, Taylor's chapter books have become time-honored favorites, selling over a million copies and touching generations of readers. In this time when immigrants often do not feel accepted, the All-of-a-Kind Family gives a heartwarming glimpse of a Jewish immigrant family and their customs that is as relevant--and necessary--today as when it was first written. Jenkins and Zelinsky's charming compliment to Taylor's series perfectly captures the warmth and family values that made the original titles classics. A Kirkus Reviews Best Book of 2018!

### **Sammy Spider's First Rosh Hashanah**

Hanukkah, the Feast of Dedication, or the Festival of Lights, is not the Jewish alternative to Christmas. Although it is celebrated in the winter, this festive holiday describes a story all its own--of faithfulness to God, of bravery against all odds, and of the rededication of a defiled Temple. For Jews, Hanukkah is a time of bright lights, of delicious smells, of

Activities, Crafts, Recipes, and More! Learn a little about the history and traditions of Hanukkah.

Whether you are Jewish or not you will still love to read the stories, do the activities, and try the recipes, and more! Kids will love to help celebrate this sacred holiday. Festive Hanukkah reason-behind-the-recipe from Hanukkah Activities, Crafts, Recipes, and More!: Latkes are potato pancakes fried in oil. The reason Latkes are such a popular Hanukkah recipe is because oil is a reminder of the miraculous oil that lasted for eight days when the Temple of Jerusalem was rededicated. Spinning dreidels, sizzling latkes, singing children at the synagogue, flickering candles, and the scent of sweet sufganiyot wafting throughout the house these are some of my favorite sights, sounds, smells, and tastes of Hanukkah, the eight-day Jewish holiday in December. More than 2,000 years ago, a small band of Jewish rebels, armed with their faith in God, defeated a mighty army from a mighty empire. Hanukkah celebrates this important victory that led to the freedom and independence of the Jewish people. This book is packed with wonderful stories, interesting facts, great crafts, and lots more for you to enjoy during the Hanukkah season (or anytime you just WANT it to be Hanukkah!). I've included games, songs, puzzles, trivia, projects, recipes, and even a family Hanukkah newsletter! Remember, when it

comes to celebrating Hanukkah with your loved ones, a truly creative mind can always come up with endless ideas!
