Grammar, Usage, and Mechanics

This best-selling textbook provides an engaging and user-friendly introduction to the study of language. Assuming no prior knowledge in the subject, Yule presents information in short, bite-sized sections, introducing the major concepts in

language study – from how children learn language to why men and women speak differently, through all the key elements of language. This fourth edition has been revised and updated with twenty new sections, covering new accounts of language origins, the key properties of language, text messaging, kinship terms and more than twenty new word etymologies. To increase student engagement with the text, Yule has also included more than fifty new tasks, including thirty involving data analysis, enabling students to apply what they have learned. The online study guide offers students further resources when working on the tasks, while encouraging lively and proactive learning. This is the most fundamental and easy-to-use introduction to the study of language.

Through the Language Glass

Euclid's Elements: Books I, II, III: 1

Designed for middle school teachers and students in California. Offer teachers and students a method to focus on the written and oral language convention required by the standards--to provide an effective way to teach and learn grammar, usage, and mechanics skills.

Designed with your students in mind, this program offers you the flexibility and options to manage your diverse classroom. - Publisher.

Elements of Language

Elements of Language

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day

A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture. Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial.

Audacious, delightful, and field-changing, *Through the Language Glass* is a classic of intellectual discovery.

Holt Elements of Language Fourth Course: Vocabulary Workshop Tests: Assessment

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

Elements of Literature Fourth Course

Holt Literature and Language Arts Fourth Course - California Edition

Reading comprehension gets easier as students learn what kind of reader they are, discover how to keep facts in their head, and much more. Titles in Barron's extensive Painless Series cover a wide range of subjects, as they are taught at middle school and high school levels. Perfect for supporting Common Core Standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help. Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "Brain Tickler" problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble.

Warriner's Handbook

Grammar Usage and Mechanics

This textbook is designed to help [the reader] master the skills required for the effective use of standard English. Beginning with the basics in grammar, usage, and mechanics each chapter provides [the reader] with instruction and practice in specific skills. The numerous exercises throughout the book enable[s the reader] to check [his] understanding of important concepts, rules, and guidelines. In addition, various writing exercises and activities offer [the reader] opportunities to apply what [he has] learned. - To the student.
