### The Gender Game 7

" Time is running out. For the final ritual, Katherine will sacrifice twelve magicals with rare abilities. Harley has already lost so much, and she can't bear to sacrifice anything more. She will protect her friends at all costs--even if that means flying solo against the greatest evil the world has ever known. With her parents' Grimoire, Harley finally has a weapon capable of overpowering Katherine. If only she could figure out how to reveal the hidden pages within, to perform the spell Chaos itself has written. And the spell may reveal more than she's bargained for All Katherine wants is to be Queen of Everything--is that so much to ask? Her little niece has been a real thorn in her side, but that's all about to change. Pity she can't kill Harley just yet, since the girl is still useful. There's also the matter of that too-handsome Necromancer, Davin Doncaster. From personal experience, Katherine knows one should never trust a pretty face."--Amazon.

### A Tangle of Hearts

Finch is in deep, with no surface in sight. He hadn't expected a welcoming party when they whirlpooled into Atlantis--although "welcoming" isn't exactly the right word. More like "mildly hostile." As descendants of the powerful Primus Anglicus, the Atlanteans are not to be trifled with. But Erebus isn't leaving until he gets what he wants--and neither is Davin. Caught in the midst of a political battle royale, Finch can only ride out the waves. And he knows he'll be lucky to escape this underwater prison without leaving anyone behind. For Melody, being trapped in an ancient, unfamiliar city is a dream come true. She hungers to fill the gaps in her knowledge, and Atlantis is a delicious buffet, from love potions and Death Day celebrations to beautiful and dangerous creatures. Navigating this new world isn't so scary with her trusty bodyguard by her side, though she must protect her own heart. History has shown that the Librarian isn't supposed to fall in love but what if it's already too late? Buy now. \*Beware of spoilers in the reviews below that are without spoiler alerts.\*

"And here I was, stuck in the middle of it all" Two savage queens at war. A rebel faction out for blood. An elixir that could end it all. As traitors to all parties, Navan

and Riley are walking on eggshells. Riley cannot afford to be discovered in Gianne's queendom, while Navan is stuck on Brisha's side. They must stop both queens from discovering the immortality elixir at all costs - but in the midst of a war, even finding each other again is a deadly challenge. Riley had better hope for luck because she's going to need it. Return to Vysanthe - Order NOW! Beware of spoilers in the reviews below that are without spoiler alerts

### **The Girl Who Dared**

This is the biography of three of the most fascinating personalities of Civil War America. They were Salmon P. Chase, Lincoln's Secretary of the Treasury and later Chief Justice of the Supreme Court, a man obsessed with the ambition to become President; Chase's daughter Kate, who was Washington's reigning beauty and America's most influential political hostess; and Kate's husband William Sprague, the young millionaire Senator from Rhode Island. Chase was a man of talent, even of potential greatness. This classic figure of a statesman had fought his way up through the jungle of mid-nineteenth-century American politics to a place of leadership. He was among the most powerful spokesmen of the uncompromising Radical wing of the Republican Party. Chase was bitterly disappointed when the Republican convention of 1860 passed him by, deciding in favor of a compromise candidate, Abraham Lincoln. He was determined that 1864 would not see him unsuccessful again. With his portrait engraved on the nation's greenbacks, his name and face were continuously before the country.

Remington Stringer has never been like most girls. She's outspoken, brazen and wants nothing more than to escape the Nevadan hell hole that she calls home. On the brink of eighteen, with a deceased mother and a well-meaning, yet absent father, she is forced to fend for herself. The only person she's ever had to depend on is her borderline obsessive stepbrother, Ryan. But, what used to be her anchor is quickly becoming a loose cannon. When Remi gets the opportunity to attend the best private school in the state during her senior year of high school, she jumps at the chance. Then she meets Mr. James. Ornery, aloof, and totally irresistible. Most girls would swoon in secrecy. Most girls would doodle his name with hearts in their notebook. But Remi Stringer has never been like most girls.

## **Hotbloods 7**

"Nineteen-year-old Harley Merlin can sense people's emotions, among other things. It's how she snagged her first job pinpointing cheaters at a casino. But she has no clue where she got these freakish powers because she spent her childhood jumping from home to home in the foster system, and her father left her with nothing more than a cryptic note. Then she crosses paths with a terrifyingly real monster. Which is when a mysterious and annoyingly arrogant young warlock named Wade Crowley steps in, introducing her to a hidden world of magicals and covens riddled with secrets--as well as clues about her murky past"--Back cover.

## **Merriam-Webster's Rhyming Dictionary**

Stephen Greenblatt is one of the most influential practitioners of new historicism. This Reader makes available in one volume Greenblatt's most important writings on culture, Renaissance studies, and Shakespeare. It also features occasional pieces on subjects as diverse as story-telling and miracles, demonstrating the range of his cultural interests. Taken together, the texts collected here dispel the idea that new historicism is antithetical to literary and aesthetic value.

## **The Girl Who Dared to Think 5**

What's a guy gotta do to appease an evil god? It's been a year since Katherine tried to take over the world, and Finch Merlin is itching to do something other than odd jobs for Erebus, God of Darkness. Erebus promises he'll free Finch of his servitude after he completes one final task--finding the Fountain of Youth. Finch has no idea why Erebus wants eternal youth, since the guy is already an immortal being. All the secrecy makes Finch uneasy, but he has no choice but to obey. He knows he'll get by with a little help from his friends, namely his old pal Garrett, who's still dealing with the whole "being resurrected" thing. There's also Ryann, Harley's foster sister, now a regular at the San Diego Coven. Whenever she's around, Finch feels butterflies in his stomach. Or maybe it's just a bad case of indigestion. Together, they'll infiltrate the flashy world of the magical elite in search of a rare artifact, one that will help them capture a poltergeist--the angry ghost of famed adventurer Ponce de León. Finch's adventures have only just begun, with plenty of old and new friends and foes. Buy now. \*Beware of spoilers in the reviews below that are without spoiler alerts.\*

### **Beautiful Monster**

The legacy of Oliver Cromwell is still haunts the Irish imagination. His alleged directive to the Catholic Irish to get ""to Hell or Connaught,"" and the policy that drove it, permanently altered the ownership of Irish soil. The Parliamentary forces' civil war against Charles I were enmeshed in a ruthless campaign against popery and the Catholic perpetrators of the assault on the Protestant colonists of 1641. The legacy of sectarianism has marred Irish politics to this day. Prendergast's research reveals his keen eye for evidence. His dismissal of the colonists' claims about the nature of the uprising of 1641 and his attitudes to race are contested, but he was a man of his times. More significantly his prejudices did not blind him and he lets his sources speak for themselves, while his analytical mind identifies the underlying economic motivation and forces behind the apparently civilising religious mission driving the settlement.
