On an island called Puerto Rico, there lived a little boy who wanted only to play baseball. Although he had no money, Roberto Clemente practiced and practiced until--eventually--he made it to the Major Leagues. America! As a right-fielder for the Pittsburgh Pirates, he fought tough opponents--and even tougher racism--but with his unreal catches and swift feet, he earned his nickname, "The Great One." He led the Pirates to two World Series, hit 3,000 hits, and was the first Latino to be inducted into the Hall of Fame. But it wasn't just baseball that made Clemente

legendary--he was was also a humanitarian dedicated to improving the lives of others.

The Golden Gate Bridge. The impossible bridge, some call it. They say it can't be built. But Robert's father is building it. He's a skywalker--a brave, high-climbing ironworker. Robert is convinced his pop has the most important job on the crew . . . until a frightening event makes him see that it takes an entire team to accomplish the impossible. When it was completed in 1937, San Francisco's Golden Gate Bridge was hailed as an international marvel. Eve Bunting's riveting story salutes the ingenuity and courage of every person who helped raise this majestic American icon. Includes an author's note about the construction of the Golden Gate Bridge.

When he was a young man, Allen Say's grandfather left his home in Japan to explore the world. He began his journey by crossing the Pacific Ocean on a steamship, then wandered the deserts, farmlands, and cities of North America. Allen Say lovingly tells the story of his own family's cross-cultural history in elegant watercolor paintings that earned him a Caldecott Medal in 1994. This twentieth-anniversary edition of the modern classic features read-aloud audio and an introduction by Allen Say.
