every unit, additional grammar practice, and more opportunities to develop speaking and listening skills. Interchange Third Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it is used for meaningful communication. Written in American English, Interchange Third Edition reflects the fact that English is the major language of international communication and is not limited to any one country, region or culture.

Weekly). Grange Copeland, a deeply conflicted and struggling tenant farmer in the Deep South of the 1930s, leaves his family and everything he's ever known to find happiness and respect in the cold cities of the North. This misadventure, his "second life," proves a dismal failure that sends him back where he came from to confront his now-grown-up son's disastrous relationships with his own family, including Grange's granddaughter, Ruth Copeland, a child that Grange grows to love. Love becomes the substance of his third and final life. He spends it in devotion to Ruth, teaching and protecting her—though the cost of doing so is almost more than he can bear. From a Pulitzer Prize and National Book Award winner, this is an "honest sensitive tale . . . leavened by those moments of humor and warmth that have enabled men and women to endure so much tragedy" (Chicago Daily News). This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. Does the commander of the jihadist faction really have weapons of mass destruction? If so, who is the intended target? The U.S.? Israel? Or someone else? With tensions already high, the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces are already trying to bring down two Arab governments in the region—Iraq and Syria—can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third target and achieving genocide?

## **How Not to Say Mass, Third Edition**

The cycle of day and night and the cycle of seasons are two familiar natural cycles around which many human activities are organized. But is there a third natural cycle of importance for us humans? On 13 March 1989, six million people in Canada went without electricity for many hours: a large explosion on the sun was discovered as the cause of this blackout. Such explosions occur above sunspots, dark features on the surface of the Sun that have been observed through telescopes since the time of Galileo. The number of sunspots has been found to wax and wane over a period of 11 years. Although this cycle was discovered less than two centuries ago, it is becoming increasingly important for us as human society becomes more dependent on technology. For nearly a century after its discovery, the cause of the sunspot cycle remained completely shrouded in mystery. The 1908 discovery of strong magnetic fields in sunspots made it clear that the 11-year cycle is the magnetic cycle of the sun. It is only during the last few decades that major developments in plasma physics have at last given us the clue to the origins of the cycle and how the large explosions affecting the earth arise. Nature's Third Cycle discusses the fascinating science behind the sunspot cycle, and gives an insider's perspective of this cutting-edge scientific research from one of the leaders of the field.

"Surprises aplenty in this highly charged tale of romantic suspense." --Booklist For a man with a past, the top isn't the safest place to be. . . Dark secrets and a string of messy affairs haven't stopped self-made millionaire Jamison Jackson from becoming mayor of Atlanta. But while he may have a gorgeous new wife and new alliances, he can't quite escape his past and those who want to see him fail. There's his jilted first wife, a lover he'd rather forget, and a ruthless faction of old guard politicians and power lords who have no problem getting blood on their hands. And the fact that Jamison's ambitious current wife, Val, schemed and blackmailed her way into his arms--despite his mother's not-so-subtle warnings--is far from the least of his problems. Because everyone's got something to gain from Jamison's losses--and as the games begin, more than his career may be at stake. "Sex, politics, shady characters and plenty of 'mama drama' to be had. A must-read!" --RT Book Reviews

### **Public Services and the Third Sector**

As the author of this novel, I prefer not to provide biographic data, except to disclose that I currently reside in Florida, having moved there in 2004 after working in the financial district of New York City. While still a rail commuter from New Jersey, my daily morning route included taking the PATH train from Hoboken into the basement of the World Trade Center where, especially when the weather was spring-like, I usually would exit the complex through its central plaza and, from there, walk the three blocks to my office. My timing was such that I was usually in the plaza by 8:45 AM in order to be on time for work. Having returned a few days earlier from a tiring vacation, I decided that fateful Tuesday morning of September 11, 2001 to get a few extra winks of sleep and to take the late train to work. As a result, I was about thirty minutes later than usual, and not where I normally would have been at 8:46 AM when the first plane struck the north tower of the World Trade Center. If the events of that day did not change my perspective on life, then the following weeks and months of working in the humbling atmosphere of such a terrible disaster did. Many questions were asked and not answered. Was it by human design alone? Was it because of divine punishment? In any event, in order

to mentally escape the reality of an environment in which physical escape was not then possible, I found that when I had a private moment to think (on the subway, the commuter train, on a work break, etc.), I did so with pen in hand. And what emerged at the time were poems that helped me deal with questions of the soul and resolve the remorse I felt which was later replaced with a sense of hope. Although I always had what I thought to be a talent for writing, through which I could express thoughts and feelings in a way I never could do verbally, I had never written anything of consequence before that disastrous day in 2001. And yet, looking back, it seemed that whatever pen I subsequently used in writing those poems, which eventually turned out to be many, must have had a magical connection because the words came only after first picking up the pen. Many times, the words came quickly without my having to think, as if I was simply transcribing what was being dictated. It was the same with this novel. I never planned to write a novel and, most certainly, do not consider myself an author. But one day, a thought came into my head, causing me to pick up a pen and, on a simple notepad, I began to write the first chapter of this book. The characters immediately came into being and, essentially, it is their novel, their story. At times, when the story stagnated, causing me to sit at the computer while my fingers remained still, it was as if the characters had nothing to say; so much so, that if a family member who knew of the writing of this novel would ask me, at the time, how it was coming along, my answer would be that the characters weren't talking to me. So maybe this isn't a novel at all. Maybe it all did happen a long while ago,

(Applause Books). If there ever has been a groundbreaking edition that likewise returns the reader to the original Shakespeare text, it will be the Applause Folio Texts. If there has ever been an accessible version of the Folio, it is this edition, set for the first time in modern fonts. The Folio is the source of all other editions. The Folio text forces us to re-examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance. Notes refer the reader to subsequent editorial interventions, and offer the reader a multiplicity of interpretations. Notes also advise the reader on variations between Folios and Quartos. The heavy mascara of four centuries of Shakespearean glossing has by now glossed over the original countenance of Shakespeare's work. Never has there been a Folio available in modern reading fonts. While other complete Folio editions continue to trade simply on the facsimile appearance of the Elizabethan "look," none of them is easily and practically utilized in general Shakespeare studies or performances.

JOKE. When they were little, Lexi and her identical twin, Ava, made up a third sister, Alicia. If something broke? Alicia did it. Alicia was always to blame for everything. NOW THE GAME IS ALL GROWN UP. The girls are seniors, and they use Alicia as their cover to go out with guys who they'd never, ever be with in real life. But sometimes games just aren't worth playing. A boy has turned up dead, and DNA evidence and surveillance photos point to only one suspect—Alicia. The girl who doesn't exist. IDENTICAL TWINS. IDENTICAL DNA. IDENTICAL SUSPECTS. Ava insists that if they keep following the rules for being Alicia, everything will be fine. But Lexi isn't so sure. She must find the truth before another boy is murdered. BECAUSE EITHER AVA IS A KILLER . . . OR ALICIA IS REAL. Praise for THE THIRD TWIN: "[An] original, riveting thriller." -- Melissa Marr, New York Times bestselling author of Made for You "Delicious and deceptive, The Third Twin is a twisty-turny thrill ride! I couldn't flip the pages fast enough!" --Kimberly Derting, author of The Taking "A classic whodunit."--Kirkus Reviews "Driven by the adrenaline pump of whodunit and who's next to die."—BCCB "[A] fast-paced thriller . . . fans of "whom can I trust?" mysteries will find much to like."—Booklist From the Hardcover edition.
