English Grammar in Use with Answers, Thai Edition

'Few people understand Grammar like Craig Shriver. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar

Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.

A Modern English Grammar

An authoritative, self-contained introduction to the subject for students who have had no prior coursework in syntactic theory. English Syntax is an authoritative, self-contained introduction to the subject for students who have had no prior coursework in syntactic theory. The detailed revisions throughout this new edition are aimed at increasing its clarity and usefulness. There are changes in almost every chapter, including a large number of new exercises and several new subsections. In addition there are two new appendixes, the first sketching the relation of English syntax to the wider field of generative syntactic theory, the second summarizing the basic syntactic structures discussed in the body of the text. Specific changes include a fuller discussion, at the beginning of chapter 3, of the difference between complements and modifiers; a more systematic introduction to tree diagrams and what they express, at the end of chapter 3; a new subsection in chapter 4 on how to analyze complex structures; a new
