during the repressive Emergency, he falls in love with his free-spirited senior Anita. Wading through teenage love and exciting college adventures of 1970s Delhi, they forsake education on JP's death to explore Bihar. Disgusted by the traumatic Sikh riots and saddened by his father's death, Darshan finds a guide in a swami rumoured to be Netaji Subhash Chandra Bose. While fate turns Anita into a Naxal strategist, Darshan, seeking solace, turns into an acclaimed mystery healer. The old love sparks again while violent communal events keep shocking India. Sadly, Anita forsakes the world of Maoist violence and hypocritical civil society, sending their five-year-old son Subhash away. The estranged son, now an adult, tries to fathom his parents' lives and unfulfilled dreams while an exhausted yet optimistic Darshan entrusts the baton of social revolution to the next generation. Legacy shows how the chaotic story of 1960s to 1990s India gave rise to real heroes, though flawed in their own ways. While we keep looking for ways to improve the lives of our fellow beings, the boundary between a hero and a criminal often fades. Brief reviews The inspiring and exciting story of India. Bounded on the north by the Little Satilla River from neighboring Glynn County and on the east by the Atlantic Ocean, Camden County's southern boundary at the St. Marys River separates Georgia from Florida. Dating from a 1766 land grant, part of St. Marys and Camden County have faced a challenging past, present, and future. Camden's growth and development have been driven by businessmen, adventurers and opportunists, determined "wild swamp Crackers," and hardy, self-reliant, God-fearing men and women. Accompanied by Jonathan Bryan, a planter with an insatiable appetite for virgin tracts of land, Georgia's third and last Royal Governor James Wright visited Buttermilk Bluff in June 1767 and envisioned a city.

St. Marys was born, and its street names reflect the surnames of the 20 founding fathers. While the county seat was removed from a quaint St. Marys on more than one occasion, today, the garden spot of Woodbine serves as the seat of county government. Formerly the rice plantation of J.K. Bedell, this small city shares a symbiotic relationship with port of St. Marys and the "City of Royal Treatment" at Kingsland. The history of the county, with its three main towns as well as the outlying, rural areas, unfolds in striking photographs from days gone by. Preserved within the pages of this treasured volume, images reveal Camden and its people in times of tragedy and triumph.

Asian Shorts

Asian Shorts came about because of a sequence of events on one weekend in May 2015. A friend was telling me that he had several short stories with Asia as a backdrop, I was saying that I had a few as well, another friend sent me an email that he wanted to write a short on Pattaya, and one of my Thai cousins sent me her latest photo, the one on the cover of this book. It was like somebody was trying to tell me something, or several were anyway. The nineteen stories by nine authors in this anthology were sent to me in one month, but are as varied as their writers. The stipulation was that Asia or an Asian had to feature strongly in the story. We have stories featuring Cambodia, China, Laos, Malaysia, Pakistan, Thailand, the USA and Vietnam, by Asian and non-Asian authors who live in or come from Britain,

Malaysia, Thailand, the USA and Vietnam. Some of these writers are well-known as writers, some are better known in other spheres, some have written a lot before and been published in the traditional sense, others are travelling the Indie Publishing path and for yet others this is the very first time they or you will have seen their stories in print of any kind. You can read more about each author by visiting the web sites that they have given after their stories. I thoroughly recommend that you do this as what you will find out about the authors will surprise you, I guarantee it. Finally, my thanks go out to all the authors who have made this book possible, we hope that you will enjoy it and give each writer your feedback about their stories or write to me at the publisher's about the book as a whole. After a too-close-for-comfort attack, I'm taken in by the Fabled Four--a group of guys who aren't known for playing by the rules and are prisoners here just like me. The only difference is they know what the warden wants from them and I have no idea. Much to their leader's dismay, it's time to

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Asiatische Kurzgeschichten entstand aufgrund einer Abfolge von Ereignissen an einem Wochenende im Mai 2015. Ein Freund von mir erzählte mir, dass er einige Kurzgeschichten mit asiatischen Hintergrund gesammelt hatte, dazu erklärte ich ihm, dass ich auch welche hatte, ein anderer Freund schrieb mir eine E-Mail, dass er eine Kurzgeschichte über Pattaya schreiben wollte und einer meiner thailändischen Cousinsen schickte mir ihr jüngstes Foto, das auf dem Buchcover. Es war, als ob mir jemand oder mehrere etwas sagen wollten. Die neunzehn Geschichten von neun Autoren in dieser Anthologie wurden mir innerhalb eines Monats zugesendet, sie sind genauso vielfältig wie ihre Schriftsteller. Die Vorgabe war, dass Asien oder ein Asiat in der Geschichte vorrangig vertreten sein sollte. Wir haben Geschichten aus Kambodscha, China, Laos, Malaysia, Pakistan, Thailand, den USA und Vietnam, von asiatischen und nicht-asiatischen Autoren, die in Großbritannien, Malaysia, Thailand, den USA und Vietnam leben oder von da stammen. Manche der Schriftsteller sind bekannte Autoren, manche sind in anderen Bereichen bekannt, manche habe vorher schon viel geschrieben und auf dem traditionellen Weg veröffentlicht, Andere wandern auf dem Indie-Publishing-Pfad und für wieder Andere ist es das erste Mal, dass sie ihre Geschichten in gedruckter Form sehen werden. Sie können mehr über die jeweiligen Autoren erfahren, wenn Sie die Website, die sie nach ihren Geschichten zur Verfügung gestellt haben, besuchen. Ich empfehle Ihnen wärmstens, dies zu tun, denn was Sie über die Autoren herausfinden werden, wird Sie garantiert überraschen. Zum Schluss möchte ich allen Autoren, die dieses Buch möglich gemacht haben,

A Harem Boy's Saga - I - Initiation; a Memoir by Young

CONTOS ASIÁTICOS surgiu por causa de uma sequência de eventos de um fim-de-semana em maio de 2015. Um amigo dizia-me que tinha várias histórias curtas que tinham a Ásia como pano de fundo, eu dizia-lhe que também tinha algumas, um outro amigo enviou-me um e-mail a dizer que e queria escrever uma história curta sobre Pattaya, e uma das minhas primas tailandesas enviou-me a sua última foto, que serve de capa a este livro. Era como se alguém estivesse a tentar dizer-me algo, ou pelo menos algumas pessoas estavam a fazê-lo. As dezanove histórias por nove autores que constam nesta antologia foram-me enviadas num mês, mas são tão variadas quanto os seus autores. A exigência era de que a Ásia ou um asiático tivesse um desempenho forte na história. Temos histórias com o Camboja, China, Laos, Malásia, Paquistão, Tailândia, Estados Unidos da América e o Vietname, por autores asiáticos e não-asiáticos que vivem ou são provenientes da Grã-Bretanha, Malásia, Tailândia, Estados Unidos da América e Vietname. Alguns destes autores são bem conhecidos como escritores, alguns são mais conhecidos em outras esferas, alguns já escreviam muito no passado e foram publicados no sentido tradicional, outros estão a viajar pelo caminho da publicação independente e, para outros, esta será a primeira vez que ele ou o leitor verá as suas histórias sob qualquer forma de impressão. Pode ler mais sobre cada autor, visitando os websites que eles forneceram no final das suas histórias. Eu recomendo que o faça, pois garanto-lhe que o que irá encontrar sobre os autores irá surpreendê-lo.

Falaha's Journey

Lucky Two years ago I humiliated myself by declaring my love to an older man who clearly didn't share my feelings. And that's fine. One day Zach will come around. Meanwhile, I've built a life for myself in northern Montana, pursuing my college degree while working hard toward certification in high-risk alpine search and rescue on the side. And perhaps I've kept the danger part a secret from my two dads. After all, what they don't know won't hurt them Everything's going exactly as planned until my dads send Zach to check on me just as I'm dealing with an ex who doesn't understand the meaning of the word no. It's bad enough Zach still thinks of me as a child; now he also thinks I'm incapable of looking out for myself. I need to get him off my back before he finds out I'm not heading to Wyoming for summer break like everyone thinks. I'm going to Glacier National Park to learn how to rappel from helicopters Zach Two years ago I wanted something I couldn't have, so I threw myself back into my job as an Army Ranger and wound up scarred in more ways than one. When the army dumps my sorry self back into the real world, it's time to start over. I accept a summer job teaching high-risk search and rescue. On the way there, all I have to do is peek in on little Lucky Reed and make sure he's okay. He's not. Someone has it out for him, and I'll be damned if I'm going to

let him get hurt on my watch. My plan is to keep him safe until he heads south for his summer job playing trail guide to tourists. Once he's gone, I'll be free to head to Glacier where my biggest challenge will be keeping a handful of alpine search and rescue students safe as they learn how to dangle from helicopters high above the Rocky Mountains. It's all fine. Until it's not. Danger follows us to Glacier, and by the time I finally start seeing Lucky as more than the awkward teenager he used to be, I wonder if it's too late to convince him that this scarred soldier sees him as anything but little anymore.

He was featured on the front pages of RollingStone.com, Jezebel.com and was covered by The Huffington Post. Both Conan O'Brien and Jay Leno featured him in their opening monologues. Countless news agencies around the world broke the story when he went on Reddit and did an Ask Me Anything (AMA). Ranking as the 4th most popular Reddit AMA of all time (beating out the likes of Peter Dinklage, Bill Murray, Arnold Schwarzenegger and Harrison Ford), DoubleDickDude spent 48 hours discussing his life with a genetic condition known as diphallia. Only 1 in 5.5 million males worldwide are born with two penises. However very few (if any) are born with two working, and by all accounts, attractive penises. After having managed to stay under the radar for over 20 years DoubleDickDude (or DDD for short) amassed thousands of followers on Twitter and Tumblr in a matter of hours. In fact Twitter (temporarily) suspended his account for replying to his followers too many times! For the past year he has taken to writing a more lengthy and detailed account of his life so far. Very little could be detailed during a frenzy of questions from thousands on Reddit. DDD goes from discussing his childhood, and explains how he knew he was special at an early age. His parents support grounded him in his early youth. We find out how he lost his virginity and was exposed to his peers.

Read Book Initiation A Harem Boys Saga Volume 1

From there he discusses his wild streak of sexual adventures fresh out of high school. Recapping his favorite questions and answers, discussing sexuality and acceptance DDD covers the gamut. Don't worry, all the saucy and steamy stories he hinted at in his AMA are covered and then some. Like that 7-way orgy he briefly detailed amid the torrent of questions during his AMA. Not to mention the hunky straight gym jock who "went gay" and the poor girl who shall we say, her lady place was a wreck after one time with DDD. It's all in there and more! Written from first person perspective the narrative is raw, honest and often times gritty. Details are not spared and readers beware, naughty moments are revealed! The next time you see a man on the street with more than an adequate bulge in his jeans, it might just be DDD.

This provocative story is about a young man who was initiated into a clandestine sexual society, The Enlightened Royal Oracle Society (E.R.O.S.). He was spirited to the Middle East, from his UK boarding school. He attended the Bahriji School (Oasis,) in The United Arab Emirates in preparation for serving in Harems for the wealthy and elite. It is also a love story between the young man and his 'Valet' who served as his chaperone and mentor during the boy's Harem service. My story has been kept under wraps for close to 45 years. The correct moment has arrived for me to make known my unique education.

Metanoia is the fifth and final volume to A Harem Boy's Saga; a memoir by Young (five-book series). This erotically sensual and captivating autobiography is about a young man coming-of-age in a secret society before being spirited away to serve in several Middle Eastern male harems. Metanoia follows Young and Andy's (the young man's lover-cum-chaperone) journey to their fifth Arabian Household at the opulent residences of their patriarch, Tad; an athlete of international fame. Although the couple had to maneuver through a minefield of explosive sentiments, they also acted as their "Master's" confidante as they move through the world of the wealthy and elite. This book is steeped in preternaturalism and spirituality. It is

enlighteningly educational in the Middle Eastern way of life and the different aspects of Arabian culture. This memoir is also an epic love story between Young and Andy. The joys and pleasures together with the trials and tribulations that come with heroic and unconditional love.

The Seafarers

Assuming that women's empowerment would accelerate the pace of social change in rural Nepal, the World Bank urged the Nepali government to undertake a "Gender Activities Project" within an ongoing long-term water-engineering scheme. The author, an anthropologist specializing in bureaucratic organizations and gender studies, was hired to monitor the project. Analyzing her own experience as a practicing "development expert," she demonstrates that the professed goal of "women's empowerment" is a pretext for promoting economic organizational goals and the interests of local elites. She shows how a project intended to benefit women, through teaching them literary and agricultural skills, fails to provide them with any of the promised resources. Going beyond the conventional analysis that positions aid givers vis-à-vis powerless victimized recipients, she draws attention to the complexity of the process and the active role played by the Nepalese rural women who pursue their own interests and aspirations within this unequal world. The book makes an important contribution to the growing critique of "development" projects and of women's development projects in particular.

Legacy

Although by its title, this book seems to be about a specialized topic, the spread of Mithraic societies and its avatars, in time and geographical expanse, much enhances its relevancy. From Roman legionaries to chivalry orders, from dervish circles to guild organizations, and from Freemasons to French revolutionaries, the hierarchy of Mithraic societies, their initiation rites, and their oaths of secrecy, provided a model for brotherhood organization that was efficient, but also flexible; they could adapt their philosophy to the prevailing politico-religion conditions of the day, because they did not worship any particular god, but could also be comrades in arms with nascent religious movements, such as with Christianity. Mithra was the initial guarantor of their oath, and if need be it could be replaced by Jesus, Allah or any other divinity. Their "religion" was their brotherhood, and as such they usually provided a counter-balance to the power elite, and had the potential to become politically active.

Emirates in preparation for serving in harems for the wealthy and elite. It is also a love story between the young man, his 'Big Brother' and his 'Valet' who served as his chaperones and mentors during the boy's harem services. This book follows the boy's erotic and exotic adventures and experiences at his 2nd Arab Household Harem, the Sekham. He was an apprentice and model, for the household patriarch's controversial photography project, "Sacred Sex in Sacred Places". The author's experiences present facts that are truthful. Through these truths, which are often demonized by contemporary societies that deem such behaviors inappropriate, the author hopes to dispel condemnations and negativity which relate to his experiences.
