The IVF Journal

A deep dive into the psyche of a young actress raised in the spotlight under the influence of a charming, manipulative film director and the moment when she decides his time for winning is over. At the height of her career and on the eve of her first Golden Globe nomination, teen star Grace Turner disappeared. Now, tentatively sober and surprisingly numb, Grace is back in Los Angeles after her year of self-imposed exile. She knows the new private life she wants isn't going to be easy as she tries to be a better person and reconnect with the people she left behind. But when Grace is asked to present a lifetime achievement award to director Able Yorke--the man who controlled her every move for eight years--she realizes that she can't run from the secret behind her spectacular crash and burn for much longer. And she's the only one with nothing left to lose. Alternating between past and present, *The Comeback* tackles power dynamics and the uncertainty of young adulthood, the types of secrets that become part of our sense of self, and the moments when we learn that though there are many ways to get hurt, we can still choose to fight back.

The Proposition

This IVF cycle fertility tracker and planner is all you need to help you get through your in-vitro fertilization cycle! From your medications to egg retrieval and embryo transfer and ultimately to your BFP positive pregnancy test, this journal has it all. With a place to keep track of all appointments, results, and medications, you will feel prepared and organized for this difficult process. The weekly planner pages include a weekly overview, goals for the week, a to do list, healthy eating

tracker, and spaces for a quote of the day and one thing you are grateful for. This will help you to feel organized and approach each new week inspired and with a positive attitude through your infertility journey. This is a thoughtful gift for a close friend or couple who are going through infertility treatments. This tracker and planner includes: A 12 month cycle tracker calendar Appointment trackers with room for notes Retrieval medication chart Retrieval results chart Transfer medication chart Week at a glance planner pages for one year - 52 weeks 10 blank dot grid pages 4 bonus coloring pages

Ivf Journal

This fertility coloring book offers poignant mandala designs and physiologically accurate images for you to color and make your own while trying to conceive. The images provide a relaxing way to explore the physiology of menstruation, ovulation, fertilization and implantation. Each image has a powerful autogenic (self relaxation) exercise to further your understanding of your physiology and deepen your relaxation. By coloring and visualizing your body's reproductive functioning, you will prime your mind and de-stress your body for natural conception.

Fertility Coloring Book

Brooks Renshaw has little time on his hands to deal with problems. But when his mom shows up after a weekend in Vegas married to someone he's never met, he decides to do some digging. Turns out she's hitched herself to a con artist with a trail of bad debts and abandoned women along the way. When Brooks finds out his new stepdad has a daughter, he decides to look into her, too. Only when he finds his new stepsister, he's ready to give her exactly what she wants. Eleanor works as a live-in baby nurse for new mothers. But her need to have a baby of her own has led her to take matters into her own hands. It's not the ideal situation, but she can't wait on Mr. Perfect any longer. But one phone call about a final job may change all her carefully made plans. Warning: This book is filthy, gooey goodness, with baby-making galore! They might be stepbrother and sister, but hey, who are we to stop love? Turn the lights down low, because we've got some claiming to do!

Taking Charge of Your Fertility Revised Edition

Leah was first thrust under the reality television microscope when her teen pregnancy was documented on MTV's groundbreaking series, 16 and Pregnant. Since then, fans of Teen Mom 2 have watched her life play out on the small screen—from her struggle to rise to the challenges of motherhood, through her harrowing journey to find a diagnosis for one of her twin girls with a rare form of muscular dystrophy, and the collapse of two marriages. She has learned to live under the harsh glare of media scrutiny, yet there is a truth behind the reality that the cameras have never revealed. In her unflinching and honest memoir, Leah takes readers behind the scenes and shares an intimate, often heartbreaking, portrait of her turbulent childhood in rural West Virginia, the rock bottom that forced her to reevaluate her life, and her triumphant break from toxic relationships and self-destructive cycles to live her life with hope, grace, and faith.

Boost your IVF odds (deliciously) and choose the right foods for your own successful path to parenthood.

Supporting Sucking Skills in Breastfeeding Infants

"Unleash the magic of math with Danica McKellar, her friends Mr. Mouse and Ms. Squirrel, and the exciting contraption the Times Machine!"--

The End of Men

Set in a world where a virus stalks our male population, *The End of Men* is an electrifying and unforgettable debut from a remarkable new talent that asks: what would our world truly look like without men? Only men carry the virus. Only women can save us all. The year is 2025, and a mysterious virus has broken out in Scotland--a lethal illness that seems to effect only men. When Dr. Amanda MacLean reports this phenomenon, she is dismissed as hysterical. By the time her warning is heeded, it is too late. The virus becomes a global pandemic--and a political one. The victims are all men. The world becomes alien--a women's world. What follows is the immersive account of the women who have been left to deal with the virus's consequences, told through first-person narratives. Dr. MacLean; Catherine, a social historian determined to document the human stories behind the "male plague"; intelligence analyst Dawn, tasked with helping the government forge a new society; and Elizabeth, one of many scientists desperately working to develop a vaccine. Through these women and others, we see the uncountable ways the absence of men has changed society, from the personal--the loss of husbands and sons--to the political--the changes in the workforce, fertility, and the meaning of family. In *The End of Men*, Christina Sweeney-Baird turns the unimaginable into the unforgettable.

Retrieve Believe Conceive - IVF Tracker and Planner

Taking the reader by the hand, The IVF Journal manages every stage of in-vitro fertilization, from finding the right doctor for readers' needs, to managing preparatory care and insemination, to providing simple sheets to help manage the financial aspects. Rather than bombard readers with technical jargon and complicated advice, The IVF Journal is designed to be accessible to all readers during this important time in their lives.

The IVF Diet

Trying to conceive is an exciting (read: excruciating) time in women's lives, but there is no more daunting a task during her cycle than the two week wait. It's a time when wanna-be mommas can find themselves anxious and emotionally wrecked. Enter The Two Week Wait Challenge: a handy guide to navigating the time between potential conception and the day you're able to test for pregnancy. Chock-full for easy, inexpensive self-care practices and positive affirmations, the challenge encourages women to take time for themselves (while simultaneously speeding up the 14 days) and allows their partners to be a part of the process in a loving, supportive way. Add a dash of sass and humor to help you survive and you've got a recipe for a successful (less painful) two week wait.

The Child Catchers

Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition. Supporting Sucking Skills in Breastfeeding Infants, Second Edition is the essential resource for healthcare professionals working with new mothers and infants. Using a skills approach, it focuses on normal sucking function in addition to anatomical variations, developmental respiratory issues, prematurity, and mild neurological deficits. Completely updated

and revised with new photos and images, this edition contains a new chapter, Hands in Support of Breastfeeding: Manual Therapy. Written by an internationally renowned IBCLC and deliberately multidisciplinary, it provides the entire team with both the research background and clinical strategies necessary to help infants with successful sucking and feeding."

The Winston Simplified Dictionary

This book, titled *Hilariously Infertile*, is on a mission to make others who have struggled with infertility, laugh (perhaps while their feet are still in the stirrups and their vaginas are enjoying the fresh air of the fertility clinic). It is a comedic, self-deprecating, look into the harsh, scary, and often sad world of infertility. *Hilariously Infertile* will make you laugh out loud while wishing you could have a glass of wine with the author and discuss how you relate to her story is. The author pokes fun at the infertility world, with jokes, such as, equating the constant gynecological exams to her sluttiest days in college, and wondering if her husband will be home in time to stick it (the IVF ass shot) into her butt. We follow the author's journey from trying to conceive on her own, discovering she is infertile, getting pregnant, and then doing it all again for her second child. The entire journey is marked with uproarious scenes that any woman who has ever been to the gynecologist can identify with. At times, the author's candor will surely lead the reader to conclude that the outlandish stories cannot be true. But they are, all of them. Included in the journey is a chapter on being a new mom. This chapter is funny and real. It does not boast about being a parent, to those who still may be on that path; rather, it speaks candidly about the adjustment to a new life that the author worked hard to achieve, via fertility treatments, and yet still was not ready for. There is no filter for the author of *Hilariously Infertile*. This book tells it like it is, from sex, to infertility, to being a mother and a wife. If you have thought it somewhere deep down inside, this book says it aloud.

Hope, Grace, & Faith

The award-winning journalist and author of *Quiverfull* reveals how adoption has become entangled in the conservative Christian agenda as a reflection of pro-life initiatives, explaining how child and family well-being has become a lesser priority in a market increasingly driven by profit and religious ideology.

The Two Week Wait Challenge

A practical and evidence-backed approach for improving egg quality and fertility— fully revised and updated in 2019. The latest scientific research reveals that egg quality has a powerful impact on how long it takes to get pregnant and the risk of miscarriage. Poor egg quality is in fact the single most important cause of age-related infertility, recurrent miscarriage, and failed IVF cycles. Based on a vast array of scientific research, *It Starts with the Egg* provides a comprehensive program for

improving egg quality in three months, with specific advice tailored to a variety of fertility challenges— including endometriosis, unexplained infertility, diminished ovarian reserve, PCOS, and recurrent miscarriage. With concrete strategies such as minimizing exposure to common toxins, choosing the right vitamins and supplements to safeguard developing eggs, and harnessing nutritional advice shown to boost IVF success rates, this book offers practical solutions that will help you get pregnant faster and deliver a healthy baby.

Ivf Wtf?!

With her thirtieth birthday looming, Emma Harrison finds her biological clock clanging and the elusive knight in shining armor yet to appear. She's running out of options especially after her gay best friend backs out from being her sperm donor. Of course, there's always a sperm bank but Emma fears a donor mix-up might impregnate her with the spawn of Satan. Resident company womanizer Aidan Fitzgerald is used to always getting what he wants, especially in the bedroom. When Emma spurns his advances at the company Christmas party, he's determined to have her no matter what it takes. After Aidan learns of Emma's predicament, he is quick to offer a proposition that will benefit them both.

Medieval Jewish Seals from Europe

NEW COVERThe Rockers' BabiesAfter the nightmares of our childhoods my guys and I have finally found the happiness we deserve. Shane is getting married, Drake and Jesse are going to be fathers, and I'm making my own career with Nik's encouragement. It's taken a lifetime, but finally we have moved on! I should have known better than to think life was just going to be simple from here on out. I knew from firsthand experience that right when you get comfortable and content those bitches Fate throw a curve ball into the mix. I wasn't expecting the possible tragedy that we are faced with. I'm the strong one, the one that has to help the rest of them through the tough times, but I don't know how strong I can be for them through this-Emmie

To the Moon and Back for You

A perfect gift for Mother's Day for any parent who has struggled on their journey to have a baby, Million Dollar Listing star Emilia Bechrakis Serhant's debut picture book poignantly explores her own difficulty conceiving and her life-changing experiences with IVF. I swam through the deepest ocean. I climbed the tallest mountain. Finding you was a journey. And meeting you was my greatest joy. In this picture book, illustrated by the #1 New York Times bestselling artist of A Day in the Life of Marlon Bundo, families of different shapes, colors, and sizes must cross deserts, navigate rough seasons, and climb mountains--all to find their miracle babies. Emilia's story reminds us that, despite the challenges and complications

often thrown our way, hope will always prevail. To the Moon and Back for You combines a timeless feel with a timely subject, and is poised to become a modern classic for years to come.

The Rockers' Babies

More and more couples are turning to IVF each year to help them conceive, and yet there are still many questions to be answered. "What makes IVF successful?" and "what else can we do to support our treatment?" are two of the most important queries couples can have, and here, Zita West offers solutions. Nutrition and lifestyle advice, psychological and emotional support and a positive mindset all play an important part in helping couples conceive, and can even make the difference between a successful and unsuccessful outcome. This book not only advises how to prepare for IVF, but why it's so important, and the step-by-step diet and lifestyle plan is a clear way to support your treatment.

REUNITED BY A SHOCK PREGNANCY

Michael Showalter's *Guys Can Be Cat Ladies Too* is the hilarious all-access guide to help a man comprehend, appreciate, and bond with the felines in his life. They say dogs are a man's best friend. True! But what if that man's girlfriend/boyfriend, wife/husband, or mother-in-law has a cat? Is that the end for him? Is he resigned to an eternity of estrangement from this furry creature with which he shares his life partner, his favorite chair, and his sock drawer? Showalter offers hope for men everywhere in their quest to understand and love cats. In this intimate portrait of one man's love for cats, you will learn the answers to burning questions such as: "Why are they all aloof and weird and stuff?"; "They hate me, right?"; and "Is it true that they have nine lives?" Armed with these and countless other valuable lessons, by the book's end any guy can be on the fast track to becoming a cat's best friend. Praise for *Guys Can Be Cat Ladies Too*: "Deep stuff is decorated by fabulously absurd humor." —Catster.com "So what have your cats taught you about loving yourself?" Michael Showalter: "Not a lot, I'll be honest." —Esquire.com "Fabulously illustrated." —Entertainment Weekly

Inside Out

Richard and Rosie started trying to conceive after five years of being together but, two and a half years and countless prenatal vitamins and ovulation kits later, there hadn't been even a phantom pregnancy. So began their adventure into IVF, via blood tests, sperm tests, injections and probes, becoming involuntary experts on embryology through failure, despair, persistence and success. After 4 years, 3 different clinics, 2 positive pregnancy tests and 1 miscarriage, they finally had a successful pregnancy. *GET A LIFE* is the perfect down-to-earth guide for anyone thinking of embarking on fertility treatment. It's two books in one, a book of advice for women and a survival guide for men, each chapter mirrored but with very

different experience and advice. IVF is terrifying, awful and extraordinary in equal measures for both partners. GET A LIFE shares Richard and Rosie's ride on the fertility roller coaster, bringing you the funny, emotional and physical sides of IVF. It is an invaluable guide from both perspectives on how to get through the process in one piece.

Giving Her My Baby

A "Dr. Seuss for adults" book about some very frustrated Sperm and Eggs. If you're looking for a sweet story explaining how Mommies and Daddies make babies THIS AIN'T THAT F'N BOOK. Making babies should be easy. "Any caveman can do it, it's no special feat. Insert dick in vagina and gametes will meet!" Most colonies of Sperm and Eggs have no trouble traversing wide seas to start their new civilizations in fertile lands. But for some guys and gals, nothing comes easy. Month after month, cycle after cycle, they send expeditions into the sea, trying to reach the distant New World. And month after month, THEY DROWN in the ocean's bloody waves. No matter how many times they try, their efforts keep going down the fallopian/f**king tubes. But they won't give up! If at first you don't conceive, try-try again! Written in the rhyming, illustrated style of Dr. Seuss, Down the F'n Tubes is hilarious, profane, and brutally honest. It is relatable to those who have struggled with infertility, and accessible to those who have not.

Fertility Symbols

(Click on author bio to see a video of the book) IVF can be f*cking hard! That's the truth. Yes, it's wonderful that the technology exists and you'd do anything to get that 'little person' at the end of it, but wow, why does it often feel like you're being punished when you didn't commit a crime?! You're going to be stressed at some point in this journey. And drinking alcohol is a no-no they say so what to do? Color. Coloring is a proven stress reliever, like meditation or hypnosis. IVF WTF?! contains 27 images for you to color, designed to support anyone on the IVF rollercoaster to relax, be mindful and de-stress. The phrases and images vary from simple to more complex to match your time and mood. What they all have in common is they were designed especially FOR YOU. Yes, you, the amazing woman going through it, who is often expected to just put up with all of IVF's emotional and physical demands as if it's just 'what you do'. It's not that bloody easy! And you deserve some 'MeMoments' to escape, process and have a giggle. Pick your page, get some colors and you're set. Happy Coloring! Product Details: * 27 designs on single sided bright white paper * A color test page and notes page. * Premium glossy finish cover design * Large format, roughly A4 size, 8.5" x11" pages. * For Grown-ups (even if you don't really feel like one on the inside)

It Starts with the Egg

Crohn's and Colitis are tough diseases to have. The pain, the uncertainty, and the invisible nature of Crohn's and Colitis make it sooooo stressful sometimes so how to de-stress? Color! "Crohn's and Colitis;COLOR TO COPE" has 27 images designed especially to support anyone with Crohn's disease or Ulcerative Colitis to both have a giggle and vent, as well as be inspired and stay positive! Coloring is a proven stress reliever. You can color alone or sitting with friends and family - a great way to de-stress yet be social. 'Coloring socials' (either in person or on Facebook Live) where you color together allow you to connect with others going through the same thing. The act of coloring allows the pressure to talk to be lifted which often leads to people feeling free enough to open up and really say what's on their mind. Also sharing your designs is fun! A great gift either for yourself (you deserve it) or someone you care about who is learning to live with Crohn's or Colitis disease. Product Details * 27 professionally illustrated designs for you to color * 3 BONUS frame designs for you to create your own images and express how you are feeling. * A color test and notes page * Premium Glossy Finish Cover Design * Large Format, roughly A4 size. 8.5"x11"

Hilariously Infertile

Detailing a groundbreaking technique, the Fertility Awareness Method, an illustrated, updated guide for couples facing infertility offers a natural alternative to ineffective procedures and a biologically proven method of fertility control for avoiding or achieving pregnancy.

Coloring Conception

Soon to be a Netflix Original Series! Welcome back to Virgin River with the book that started it all... Wanted: Midwife/nurse practitioner in Virgin River, population six hundred. Make a difference against a backdrop of towering California redwoods and crystal clear rivers. Rent-free cabin included. When the recently widowed Melinda Monroe sees this ad, she quickly decides that the remote mountain town of Virgin River might be the perfect place to escape her heartache, and to reenergize the nursing career she loves. But her high hopes are dashed within an hour of arriving—the cabin is a dump, the roads are treacherous and the local doctor wants nothing to do with her. Realizing she's made a huge mistake, Mel decides to leave town the following morning. But a tiny baby abandoned on a front porch changes her plans...and former marine Jack Sheridan cements them into place.

You Are Fucking Awesome: a Motivating Swear Word Coloring Book for Adults

Good Moms Have Scary Thoughts

Over 90 percent of new mothers will have scary, intrusive thoughts about their baby and themselves. What if I drop him? What if I snap and hurt my baby? Mothering is so hard—I don't know if I really want to do this anymore. Gosh, I'm so terrible for thinking that! Yet for too many mothers, those thoughts remain secret, hidden away in a place of shame that can quickly grow into anxiety, postpartum depression, and even self-harm. But here's the good news: you CAN feel better! Author Karen Kleiman—coauthor of the seminal book *This Isn't What I Expected* and founder of the acclaimed Postpartum Stress Center—comes to the aid of new mothers everywhere with a groundbreaking new source of hope, compassion, and expert help. *Good Moms Have Scary Thoughts* is packed with world-class guidance, simple exercises, and nearly 50 stigma-busting cartoons from the viral #speakthesecret campaign that help new moms validate their feelings, share their fears, and start feeling better. Lighthearted yet serious, warm yet not sugary, and perfectly portioned for busy moms with full plates, *Good Moms Have Scary Thoughts* is the go-to resource for moms, partners, and families everywhere who need help with this difficult period.

IVF Journal - IVF Gift

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—*O, The Oprah Magazine* When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Virgin River

An award-winning social scientist uses economic tools to challenges popular misconceptions about pregnancy to counsel women on how to navigate contradictory and extreme abstinence-style advice to promote empowerment, reduce risks and enable practical choices.

IVF Meal Plan

When Martha witnesses her groom cheating on her with her bridesmaid on the day of her wedding, she flees in her wedding

dress. A man on a motorcycle sees her walking in the rain and pulls over to offer her a ride. His name is Carlos Diablo. "Doesn't diablo mean the devil?" she asks him. But despite her initial misgivings, she can't resist his attractive eyes and seductive lips. So she gets on the back of his motorcycle and embraces the unknown...

Let's Pretend This Never Happened
