The Solicitors' Journal

"More than two decades after his death, Martin Luther King, Jr.'s ideas - his call for racial equality, his faith in the ultimate triumph of justice, and his insistence on the power of nonviolent struggle to bring about a major transformation of American society - are as vital and timely as ever. The wealth of his writings, both published and unpublished, that constitute his intellectual legacy are now preserved in this authoritative, chronologically arranged, multivolume edition. Faithfully transcribing the texts of his letters, speeches, sermons, student papers, and articles, this edition has no equal." "Volume II begins with King's doctoral work at Boston University and ends with his first year as pastor of the historic Dexter Avenue Baptist Church in Montgomery, Alabama. It includes papers from his graduate courses and a fully annotated text of his dissertation. There is correspondence with people King knew in his years before graduate school and a transcription of the first known recording of a King sermon. We learn, too, of King's marriage to Coretta Scott." "Accepting the call to serve Dexter, King followed the church's tradition of socially active pastors by becoming involved in voter registration and other issues of social justice. In Montgomery he completed his doctoral work, and he and

Coretta Scott began their married life." "King's early papers document the formative experiences of a man whose life and teachings have had a profound influence not only on Americans but on people of all nations."--BOOK JACKET.

Good Roads

King James

LeBron James is a six-foot-eight gift from the basketball heavens. For the past three years he was the undisputed finest high school player in America. He was the one NBA scouts drooled over, corporations dreamt of, event promoters begged for, and now NBA fans clamor after. With appearances on the cover of Sports Illustrated and features on ESPN and in newspapers across the country, never before has a high school basketball player been so highly touted or an eighteen-year-old athlete been the subject of such fascination. In fact, no basketball player in the world has had this level of attention this year. Love him or hate him, there is no denying that LeBron James is a force on the basketball court, and his rags-to-riches story is the stuff that dreams are made of. Now, for the first time, author Ryan Jones has written a book that incorporates everything that is King James: the controversy, the athletic potential, the jerseys and the Humvee, the hobnobbing

with the world's most famous stars, the money, and, of course, the game. This is a book for every fan of LeBron James and for anybody interested in reading about an NBA basketball career in the making.

deciphering illegible handwriting, translating Irish place names, working with transcription errors, and much more. Some Irish roots travel tips, Irish immigration patterns, children name customs, a "brick wall" case study, and a list of popular Irish genealogy reference books are also included. The book ends with a few short Irish traditions and Celtic history stories told with some humorous twists. Beautiful scenic Ireland photos appear throughout the book. May you be blessed with the opportunity to travel to Ireland someday to visit your Irish ancestors' birthplaces and walk in their foot steps. Five percent of the book sales' royalties support selected Irish youth programs in Ireland.

Vito Marcantonio

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. *Monster* is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. *Monster* is now a major motion picture called *All Rise* and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young
