A French Reader for Beginners,

Twelfth-century psalter commentary in French for Laurette d'Alsace (an edition of psalms I-L): Psalms XXXVI-L

This anthology is intended to meet the needs of students of widely varied linguistic and literary training. Specifically the editors have endeavored to make the book equally serviceable for use in three typical courses with which they are familiar: a large survey course for freshmen with three years of high-school French, a 19th century course for more advanced students, and a course in the 20th century and its background designed for upper classmen of outstanding ability. The aim of the anthology is less to provide a prescribed set of readings than to offer a wide choice of material from which selections may be made to fit the requirements of any particular course.

This book combines the Holy Bible English Edition (King James Version) and French Edition (Louis Segond 1910 Version) into one. The Holy Bible - King James Version (KJV) is an English translation of the Christian Bible for the Church of England that began in 1604 and was completed in 1611. It is also known as the Authorized Version (AV) or King James Bible (KJB). The King James Version has been called "the most influential version of the most influential book in the world, in what is now its most influential language". This translation and its subsequent distribution was

instrumental in opening the door to the spread of the truth. It is an excellent resource for bible study and spiritual fellowship. Optimized for Mobile: this book is optimized for reading on Kindle, iPhone, iPad, Android Phones and other digital devices. It contains enhanced typesetting features and a comprehensive and smart Book Navigation system. A propos de la Bible, Louis Segond 1910: La première publication de sa traduction de l'Ancien Testament est datée de 1874 et celle du Nouveau Testament de 1880. Les deux seront publiées en un seul volume pour la première fois à Oxford en 1880. Cette traduction est usuellement appelée la Bible Segond. Elle deviendra pour un siècle la référence au sein du protestantisme français. Au xxi siècle, elle est l'une des versions les plus populaires auprès des protestants et des chrétiens évangéliques francophones. Optimisé pour mobile: ce livre est optimisé pour la lecture sur Kindle, Nook, Kobo, iPhone, iPad, téléphones Android et autres appareils numériques. Il contient des fonctionnalités améliorées de composition et un système de navigation livre complet et intelligent.
