### **Saviour in the Saddle (Mills & Boon Intrigue) (Texas Maternity: Labor and Delivery, Book 1)**

Sir William Temple, diplomat, statesman, and writer, retired to his garden in the 1680s and wrote what has become one of the key texts, not only of gardening, but also of the English aesthetic. It was he who introduced the idea of the charm of irregularity, and who gave it the allegedly Chinese name sharawaggi. The English style of landscape gardening can be traced in a direct line to this essay, which has not been in print for over 95 years.

Tales from South America is a book of adventure, connection, and a lonely personal journey to the ends of the world. Egle, a 28-year old woman from Lithuania, sets out on a 30,000-mile solo motorcycle ride from Peru to Patagonia and back, exploring South America on two wheels. Along the way, as she journeys to the far South, she connects with local people, discovers a different South America and, in the end, a different self. Tales from South America is filled with stories about the everyday life, the weird and wonderful legends, and the extraordinary people of Peru, Bolivia, Argentina, Chile, Ecuador, and Colombia. It's also, in a way, an account of a young woman's coming of age, a glimpse into what it was like to be growing up in post-Soviet Lithuania, and a tale of a lone motorcycle adventure across one of the most magical continents on Earth.

## **How to Restore Your Harley-Davidson**

Described as the perfect fusion of poetry and garage band rock and roll (the original concept was "rock and Rimbaud"), *Horses* belongs as much to the world of literary and cultural criticism as it does to the realm of musicology. While *Horses* pays homage to the record's origins in the nascent New York punk scene, the book's core lies in a detailed analysis of Patti Smith's lyrics and includes discussions of lyrical preoccupations: love, sex, gender, death, dreams, god, metamorphosis, intoxication, apocalypse and transcendence. Philip shaw demonstrates how *Horses* transformed the possibilities of both poetry and rock music; and how it achieved nothing less than a complete and systematic derangement of the senses.

She's an ardent fan of his. He can't imagine why and yet seems to find comfort in her words. It's the first time they are together and in their hearts both are wishing, hoping and praying that the night would never end. As public interest in modern art continues to grow, as witnessed by the spectacular success of Tate Modern and the Bilbao Guggenheim, there is a real need for a book that will engage general readers, offering them not only information and ideas about modern art, but also explaining its contemporary relevance and history. This book achieves all this and focuses on interrogating the idea of 'modern' art by asking such questions as: What has made a work of art qualify as modern (or fail to)? How has this selection been made? What is the relationship between modern and contemporary art? Is 'postmodernist' art no longer modern, or just no longer modernist - in either case, why, and what does this claim mean, both for art and the idea of 'the modern'? Cottington examines many key aspects of this subject, including the issue of controversy in modern art, from Manet's *Dejeuner sur L'Herbe* (1863) to Picasso's *Les Demoiselles*, and Tracey Emin's *Bed*, (1999); and the role of the dealer from the main Cubist art dealer Kahnweiler to Charles Saatchi. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

## **BMW Boxer Twins**

For nearly 80 years, shaft-drive boxer twins have traditionally formed the backbone of the BMW motorcycle line-up. For many enthusiasts of the Bavarian marque the classic BMW twin was the R90S of 1973-76. Over the decades, successive generations of durable machines - including the R100S, fully-faired R100RS, four-cylinder K-series, high-performance R1100RS and an entire family of touring and sporting models ranging from 850 to 1200cc - would ensure the BMW boxer twins a place in the Haynes "Great Bikes" series. This book covers: historical context, racing, the wartime R75 and R69S;

the "75" series which enabled BMW to compete with the high-performance Japanese machines; the R90S, the "76" and Superbike performance; the R100RS, the "77" and the touring R100RT; smaller twins, smaller potential; the R89G/S, including a Paris-Dakar version; rationalization of the boxer range, and the new twins that included four-valve heads and electronic engine management; and technical specifications from 1969 to 2003.

## **Qur'an and Science in Depth**

Jeremy Kroeker is a Mennonite with a motorcycle. He doesn't have a funny beard and he's never even driven a buggy, but his family hails from the same Mennonite community that Miriam Toews fictionalized in *A Complicated Kindness*. From childhood through college, Kroeker attended Christian schools where he learned to think critically back to predetermined conclusions. Years later, when his faith begins to unravel, Kroeker stops short of tossing it all aside, choosing instead to leave every unanswered question hanging there on the edge of his mind. He might have gotten away with it, too, except for a drunken resolution that forces the issue of God back into his life. In the fall of 2007, Kroeker decides to ride his motorcycle across Europe and into the theocratic nation of Iran a nation ruled by God. In the end, Kroeker finds himself on a forbidden visit to the holiest Muslim shrine in all of Iran. Once inside, invisible hands reach into Kroeker's chest and rip from his heart a sincere prayer, his first in many years. And God hears that prayer. For before Kroeker can escape Mashhad, God steals into his hotel room one night to threaten him with death. At least, that's one way to look at it. Throughout the narrative, Kroeker swings from dogmatic belief in God to overwhelming doubt before finally deciding that the key to approaching God is humility. He understands that uncertainty is not only an acceptable state of mind when considering the Divine, but it is necessary. He will always fear God. But who knows? Perhaps if he keeps riding, one of these days God will speak clearly. And that frightens him, too.

An engaging, highly moving young adult biography of Lucy Maud Montgomery, the beloved author of Anne of Green Gables, the Emily series, and many more treasured stories. This year, 2002, marks the 60th anniversary of Lucy Maud Montgomery's death. Maud Montgomery was not yet two years old when she saw her mother for the last time. The journey from that day to the day Maud signed "Lucy Maud Montgomery" at the end of her first published story was long and often painful. In this compelling portrait of one of Canada's best-loved writers for young people, another beloved, award-winning young-adult author, Janet Lunn, vividly brings to life the spirit that was Lucy Maud Montgomery. Lunn shows us Montgomery's strict and lonely upbringing in rural Prince Edward Island, her eventual marriage to a man she did not love but who was deemed an ideal match, and her hard-won successes after many years of self-doubt and rejection. Throughout her life, Maud never stopped writing her journals and stories. L.M. Montgomery is undoubtedly Canada's most famous author. Today, sixty years after her death her books have been translated into nearly every language, and dozens of plays, musical plays, films and made-for-television series of her works have been produced. In 1975, a Canadian Anne of Green Gables postage stamp was issued, and in Japan, where her stories are hugely popular, there are two Anne theme parks. At the end of 1999, when lists of the last century's favourite writers were being compiled, the name Lucy Maud Montgomery led all others.

As the idea of escape becomes less feasible and less urgent, Mary finds herself adapting to the routines, traditions, and beliefs of her captors, and discovers within herself reserves of strength she hadn't known were hers. ### **Sisters' Centennial Motorcycle Ride**

In 2011, at the height of tension between the British and Iranian governments, travel writer Lois Pryce found a note left on her motorcycle outside the Iranian Embassy in London: I wish that you will visit Iran so you will see for yourself about my country. WE ARE NOT TERRORISTS!!! Please come to my city, Shiraz. It is very famous as the friendliest city in Iran, it is the city of poetry and gardens and wine!!! Your Persian friend, Habib Intrigued, Lois decides to ignore the official warnings against travel (and the warnings of her friends and family) and sets off alone on a 3,000 mile ride from Tabriz to Shiraz, to try to uncover the heart of this most complex and incongruous country. Along the way, she meets carpet sellers and drug addicts, war veterans and housewives, doctors and teachers - people living ordinary lives under the rule of an extraordinarily strict Islamic government. Revolutionary Ride is the story of a people and a country. Religious and hedonistic, practical and poetic, modern and rooted in tradition - and with a wild sense of humour and appreciation of beauty despite the comparative lack of freedom - this is real contemporary Iran.
