Alastair Hudson's *Equity and Trusts* is an ideal textbook for undergraduate courses on the law of trusts and equitable remedies. It provides a clear, current and comprehensive account of the subject through which the author's enthusiasm and expertise shine through, helping to bring to life an area of the law which students often find difficult. Beginning with the core principles, Alastair Hudson reinforces the key points by means of clear examples throughout each chapter, helping students to build and develop their own knowledge of equity and trusts. A set of lively, discursive essays reflecting on the law then begin to outline the broader political, social and economic context of the subject and encourage the reader to begin to engage with their own critical analysis. The eighth edition of *Equity and Trusts* will be edited and updated to include discussion of the key developments in the subject since publication of the seventh edition in 2012, including the latest case law and potential for regulation relating to cohabitation and shared ownership as well as cases arising in the light of the enforcement of the Charities Act 2006.

Landmark Cases in Equity continues the series of essay collections which began with Landmark Cases in the Law of Restitution (2006) and continued with Landmark Cases in the Law of Contract (2008) and Landmark Cases in the Law of Tort (2010). It contains essays on landmark cases in the development of equitable doctrine running from the seventeenth century to recent times. The range, breadth and social importance of equitable principles, as these affect commercial, domestic and even political matters are well known. By focusing on the historical development of these principles, the essays in this collection help us to understand them more clearly, and also provide insights into the processes of legal change through judicial innovation. Themes addressed in the essays include the nature of the courts' equitable jurisdiction, the development of

Key Cases: Equity & Trusts

Trusts and Equity

The Principles of Equity and Trusts offers a refreshing, student-focused approach to a dynamic area of law. In the fourth edition of his best-selling textbook, Professor Graham Virgo brings his expertise as a teacher to deliver an engaging, contextual account of the essential principles of trusts and their equitable remedies. Virgo states the law in plain terms before building on an area of debate and encouraging students to fully engage with the inherent issues within the subject. Concise and authoritative analysis enables students to grasp the principles of trusts, develop the confidence to engage fully with the subject area, and excel in their studies. Virgo approaches the topics with unparalleled clarity and provides the academic rigour for which this text has come to be relied upon. Combining expert knowledge and comprehensive coverage, The Principles of Equity and Trusts is the ideal companion to a course in trusts. Online resources The textbook is accompanied by extensive online resources aimed at supporting and enhancing student's knowledge of the topics learned within the book. This includes self-test and scenario-style questions, videos from the author, web links to key cases, articles and statutory materials, and flowcharts and diagrams exploring legal concepts. There will also be updates to changes in the law that

explore key developments in the subject area.

Equity and Trusts

Text, Cases and Materials on Equity and Trusts has been considerably revised to broaden the focus of the text in line with most LLB core courses to encompass equity, remedies and injunctions and to take account of recent major statutory and case law developments. The new edition features increased pedagogical support to outline key points and principles and improve navigation; 'notes' to encourage students to reflect on areas of complexity or controversy; and self-test questions to consolidate learning at the end of each chapter. New to this edition: is a detailed examination of The Civil Partnership Act 2004 and the Charities Act 2006 important case law developments such as *Stack v Dowden* (constructive trusts and family assets), *Oxley v Hiscock* (quantification of family assets), *Barlow Clowes v Eurotrust* (review of the test for dishonesty), *Abou-Ramah v Abacha* (dishonest assistance and change of position defence), *AG for Zambia v Meer Care & Desai* (review of the test for dishonesty), *Horley Town Football Club* (gifts to unincorporated association), *Re Loftus* (defences of limitation, estoppel and laches), *Templeton Insurance v Penningtons Solicitors* (Quistclose trust and damages) and many more are new chapters on the equitable remedies of specific performance, injunctions, rectification, rescission and account are extracts from the Law Commission's Reports and consultation papers on 'Sharing Homes' and 'Trustee Exemption Clauses' as well as key

equity course. The text deals with express trusts, resulting and constructive trusts, the duties of trustees, breach of trust and tracing, commercial uses of trusts, charities, equitable remedies and trusts of homes. Extensive updates have been made to the text to consider several major new cases decided since the last edition, including: *Cobbe v Yeoman's Row*, *Thorner v Major*, *Stack v Dowden*, *Jones v Kernott*, *White v Shortall*, *Re Lehman Brothers International*, *Brazzill v Willoughby*, *Mills v Sportsdirect.com*, *Breakspear v Ackland*, *Sinclair Investments v Versailles*, *Curtis v Pulbrook*, *Kaye v Zeital*, *Annabel's v HMRC*, *Porntip Stallion v Albert Stallion Holdings*, the new law on super-injunctions, the Companies Act 2006 and the Perpetuities and Accumulations Act 2009. The law of trusts is built on simple basic principles. The approach of this book is to begin with a clear presentation of those principles before guiding the reader through the more complex issues which are the focus of examinations in this subject. The lively text includes a large number of straightforward examples to make the discussion of the general law more accessible. questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. Beginning Equity and Trusts is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes.

Tort Law

Incorporating recent case law developments, the second edition of Equity and Trusts in Australia provides undergraduate and Juris Doctor students with a current and accessible introduction to Australian equitable and trust law. Expanding upon first edition content, the text includes greater depth of topic discussion, explanation of key theories and terminology, while demonstrating how these are applied in practice. Chapters including Fiduciary Obligations, Resulting Trusts and Constructive Trusts have been reworked to strengthen the text's coverage of all facets of equity and trusts law. Equity and Trusts in Australia, second edition links key doctrines to their wider relationship with the law, making it a fundamental text for students embarking on this area of study for the first time.
