The Works of William Shakespeare: King Lear

Monthly Bulletin

Book Reviews

Powerful tragedy of an aging king, betrayed by his daughters, robbed of his kingdom, descending into madness. Perhaps the bleakest of Shakespeare's tragic dramas, complete with explanatory footnotes.

The Works of William Shakespeare: King Lear. Othello. Anthony and Cleopatra. Cymbeline

The Works of William Shakespeare

This Critical Guide helps students sift through and make sense of nearly three centuries of Lear criticism, providing insight into different assessments of the play's merit and its place within Shakespeare's work and the canon of English literature. Highlights include excerpts from the neoclassical and Romantic receptions of King Lear -- material from John Dryden, Samuel Johnson, Samuel Taylor Coleridge, and Victor Hugo -- and a discussion of recent and current trends in criticism of the play.
