The Secret of the Seven Seeds

A skill-building edition of the classic story about the life cycle of a flower is told through the adventures of a tiny seed that floats across the sky, nestles in the ground and grows into the giant flower it was always meant to be. Simultaneous.

The Desert and Its Seed

In the Unashamed Bible study, written by Chonda and her brother Mike, a former Pastor and director of Branches Counseling Centers, you will explore the genesis of shame (hint: there is fruit involved), and how the disciples wrestled with choices that caused them to struggle with shame. Looking through the lens of Scripture, Chonda uses her keen insights and humorous observations to identify the differences between shame and guilt, blaze a path to overcoming shame, and become a world changer. From Chonda: If you are like me, you have become accustomed to moving quickly through most things. But to fully digest God's Word, you need quiet times, slow processes and deep reflection. This Bible study is an invitation to gather with some girlfriends for a fun and meaningful conversation about our struggle with shame. Or, you can brew a cup of coffee and spend some quiet time with this study and a God who loves you and wants to free you from shame.

Does a Kangaroo Have a Mother, Too?

At a birthday party, Curious George discovers how hard it is to hit a pinata without being able to see. He sets out on a trek around the city with the help of Charkie, the dog, to explore using his other senses. When he returns to the party, George applies his heightened senses to make a direct hit at the pinata! Activities include fun suggestions for exploring your senses and a five senses quiz.

Brown Bear and Friends

When she is forced to leave Vietnam, a young girl brings a lotus seed with her to America in remembrance of her homeland. "Exquisite artwork fuses with a compelling narrative--a concise endnote places the story effectively within a historical context--to produce a moving and polished offering."--Publishers Weekly

La semillita (The Tiny Seed)

"Each true story in this series by outstanding authors Janet and Geoff Benge is loved by adults and children alike. More Christian Heroes: Then & Now biographies and unit study curriculum guides are coming soon. Fifty-five books are planned, and thousands of families have started their collections! Braving danger and hardship, David Livingstone crisscrossed vast uncharted regions of Africa to open new frontiers and spread the message of the gospel to all who would listen (1813-1873).

Goggles!

Of course they do -- just like me and you! From baby kangaroos, called joeys, to baby elephants, called calves, every kind of animal has a mother. Inside this playful and colorful book you will see all sorts of different babies with their mothers, all with one thing in common: Their mothers love them very, very much -- just like your mother loves you! Come right in and meet the family -- the animal family, that is -- in words and pictures by Eric Carle.

The Greedy Python

King's Kids: The King's Big Idea

A brilliant new Eric Carle picture book for the artist in us all Every child has an artist inside them, and this vibrant picture book from Eric Carle will help let it out. The artist in this book paints the world as he sees it, just like a child. There's a red

crocodile, an orange elephant, a purple fox and a polka-dotted donkey. More than anything, there's imagination. Filled with some of the most magnificently colorful animals of Eric Carle's career, this tribute to the creative life celebrates the power of art.

A Home for Pearl Squirrel

The Empty Pot is Demi's beloved picture book about an honest schoolboy A long time ago in China there was a boy named Ping who loved flowers. Anything he planted burst into bloom. The Emperor loved flowers too. When it was time to choose an heir, he gave a flower seed to each child in the kingdom. "Whoever can show me their best in a year's time," he proclaimed, "shall succeed me to the throne!" Ping plants his seed and tends it every day. But month after month passes, and nothing grows. When spring comes, Ping must go to the Emperor with nothing but an empty pot. Demi's exquisite art and beautifully simple text show how Ping's embarrassing failure is turned triumphant in this satisfying tale of honesty rewarded. An IRA-CBC Children's Choice. An American Bookseller "Pick of the Lists."

The Roaring Nineties: A New History of the World's Most Prosperous Decade

Curious George and his friend are going on vacation on an airplane. At check-in, the ticket clerk gives George a toy airplane to play with, but he soon loses it and has a few adventures trying to find it again. What an exciting start to his vacation! Learning concepts: modes of transportation Level one in Houghton's new Curious George reader line means that the text is minimal and simple, perfect for readers learning to sound out words while looking at the art for visual clues.

Movies R Fun!

This is the major autobiographical statement from Nobel laureate André Gide. In the events and musings recorded here we find the seeds of those themes that obsessed him throughout his career and imbued his classic novels *The Immoralist* and *The Counterfeiters*. Gide led a life of uncompromising self-scrutiny, and his literary works resembled moments of that life. With *If It Die*, Gide determined to relay without sentiment or embellishment the circumstances of his childhood and the birth of his philosophic wanderings, and in doing so to bring it all to light. Gide's unapologetic account of his awakening homosexual desire and his portrait of Oscar Wilde and Lord Alfred Douglas as they indulged in debauchery in North Africa are thrilling in their frankness and alone make *If It Die* an essential companion to the work of a twentieth-century literary master.

Curious George Pinata Party (CGTV Reader)

When a little boy plants a carrot seed, everyone tells him it won't grow. But when you are very young, there are some things that you just know, and the little boy knows that one day a carrot will come up. So he waters his seed, and pulls the weeds, and he waits First published in 1945 and never out of print, this timeless combination of Ruth Krauss's simple text and Crockett Johnson's eloquent illustrations creates a triumphant and deeply satisfying story for readers of all ages.

Snoopy Takes Off!

Inspired by the #1 hit worship song by Chris Tomlin, this precious story teaches children about our Father God's unconditional love and acceptance and that the only gift God wants is our hearts. Grammy Award-winning music artist, Chris Tomlin, and Pat Barrett (Housefires) team up to tell the story of a little bear named Tucker whose life is forever changed when he learns just how great the King's love is for him. When Tucker's friends need help, he journeys to see the King who lives in a castle where the door is always open. Along the way, Tucker encounters a variety of humorous animals filled with ideas about what the King is like. Then finally, he meets the King who runs to him with open arms. This read-aloud storybook for 4- to 8-year-olds: Shows young children the character of God through a fun adventure story Teaches that God loves His children no matter what Encourages kids to have a relationship with their Heavenly Father and to ask for His help in prayer Sparks family discussions about who God is Makes a calming bedtime read with its warm message of God's caring heart With whimsical art created by Lorna Hussey, this inspiring story will leave children, young and old, reassured that God is a good, good Father, and they are loved by Him.

A snake is too greedy for his own good in this book and CD package illustrated by children's book legend Eric Carle and narrated by award-winning actor Stanley Tucci. In this classic picture book from Richard Buckley and Eric Carle that includes a CD with audio narration by Stanley Tucci, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the eaten animals befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. This humorous tale about manners, respect, and friendship will delight readers—and listeners!

If It Die

How one of the greatest economic expansions in history sowed the seeds of its own collapse. With his best-selling *Globalization and Its Discontents*, Joseph E. Stiglitz showed how a misplaced faith in free-market ideology led to many of the recent problems suffered by the developing nations. Here he turns the same light on the United States. *The Roaring*

Nineties offers not only an insider's illuminating view of policymaking but also a compelling case that even the Clinton administration was too closely tied to the financial community—that along with enormous economic success in the nineties came the seeds of the destruction visited on the economy at the end of the decade. This groundbreaking work by the Nobel Prize-winning economist argues that much of what we understood about the 1990s' prosperity is wrong, that the theories that have been used to guide world leaders and anchor key business decisions were fundamentally outdated. Yes, jobs were created, technology prospered, inflation fell, and poverty was reduced. But at the same time the foundation was laid for the economic problems we face today. Trapped in a near-ideological commitment to free markets, policymakers permitted accounting standards to slip, carried deregulation further than they should have, and pandered to corporate greed. These chickens have now come home to roost. The paperback includes a new introduction that reviews the continued failure of the Bush administration's policies, which have taken a bad situation and made it worse.

The Lotus Seed

This appears to be only a frightening story filled with mysterious events, but it is the simple wisdom at its core that works the magic in this traditional ghost story from Latin America.

Rooster is Off to See the World

Fans of Miss Rumphius will adore this gorgeous picture book which introduces the kind, nature-loving Miss Maple, who celebrates the miracle in each seed. Miss Maple gathers lost seeds that haven't yet found a place to sprout. She takes them on field trips to explore places to grow. In her cozy maple tree house, she nurtures them; keeping them safe and warm until it's time for them to find roots of their own, and grow into the magnificent plants they're destined to become. Eliza Wheeler's luminous paintings feature gorgeous landscapes, lush foliage and charming details. Her tender story celebrates the potential found in each seed—since even the grandest tree and most brilliant flower had to grow from the smallest of seeds. Celebrate every season with Miss Maple, from Earth Day to graduations to harvest festivals.

Curious George Takes a Trip (CGTV Reader)

An undiscovered modern Argentinian classic, based on the tragic lives of the renowned Raúl Barón Biza (a wealthy politician and notorious writer) and his wife Rosa Clotilde Sabattini *The Desert and Its Seed* opens with a taxi ride to the hospital: Eligia's face is disintegrating from acid thrown by her ex-husband while they signed divorce papers. Mario, her son, tries to wipe the acid from Eligia's face, but his own fingers burn. What follows is a fruitless attempt to reconstruct Eligia's face—first in Buenos Aires, thereafter in Milan. Mario, the narrator, becomes the shadow and witness of the reconstruction attempts to repair his mother's outraged flesh. In this role, he must confront his own terrible existence and identity, both of which are bound to an Argentina he sees disintegrating around him. Based on a true, tragic family story, Jorge Barón Biza's *The Desert and Its Seed* was rejected by publishers in Buenos Aires and was finally self-published in 1998, three years before the author committed suicide. Written in a captivating plain style with dark, bitter humor, *The Desert and Its Seed* has become a modern classic, published to enormous acclaim throughout the Spanish-speaking world and translated into many languages.

Love from the Very Hungry Caterpillar

Let's face it, reading sucks . . . but movies are fun! In this children's picture book parody for grown-ups, Pixar writer and artist Josh Cooley presents the most hilariously inappropriate—that is, the best—scenes from contemporary classic films in an illustrated, for-early-readers style. Terrifying, sexy, and awesome scenes from such favorite films as Alien, Rosemary's Baby, Fargo, Basic Instinct, Seven, The Silence of the Lambs, Apocalypse Now, The Shining, and many more are playfully illustrated and captioned to make reading fun and exciting for kids who never grew up. A sly celebration of the things fans love most about these legendary films (and movies in general), this is one book that probably should not be read at bedtime.

Plant the Tiny Seed

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSD's path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmann's trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experience may be our planet's best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to

comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.
