one manageable volume. It is an ideal text for students new to law, helping them make the transition from secondary education and giving them the skills they need to succeed from the beginning of their degree, through exams and assessments and into their future career. The first part covers 'Sources of Law' and includes information on finding and using legislation, ensuring an understanding of where the law comes from and how to use it. The second part covers 'Academic Legal Skills' and provides advice on general study and writing skills. This part also includes a section on referencing and avoiding plagiarism amongst a number of other chapters designed to help students through the different stages of the law degree. The third and final part is dedicated to 'Practical Legal Skills'; a section designed to help develop transferable skills in areas such as presentations and negotiations that will be highly valued by future employers. The text contains many useful features designed to support a truly practical and self-reflective approach to legal skills including self-test questions, diagrams and practical activities. Students are given the opportunity to take a 'hands on' approach to tackling a variety of legal skills from using cases to negotiation. Each skill is firmly set in its wider academic and professional context to encourage an integrated approach to the learning of legal skills. Legal Skills is accompanied by an innovative Online Resource Centre offering a full range of resources including: - Video clips of good and bad 'real life' moots in action bring the subject to life - Guidance on practical exercises and questions from the book so students can test themselves on essay writing, problem solving, revision and exam skills and

Philosophy of Law: A Very Short Introduction

The Successful Law Student: An Insider's Guide to Studying Law is the ultimate companion for all prospective and current law students. Packed full of insights, advice and perspectives from current and past law students it is the only student guide to offer you the inside track on how to make the most of your law degree and your time at university. The Successful Law Student: An Insider's Guide to Studying Law is perfect for you whether you're taking a one-, two-,

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

three- or four-year degree course or planning to take a year abroad, whether you're a full-time, part-time, or mature student, or whether you'll be balancing your studies with work or other commitments. The focus is on the things that will make a big difference to your student experience, including making a smooth transition to university level study, getting the most out of lectures and feedback from tutors, advice on how to approach law exams, and finding a rewarding career. Complemented by a variety of insider voices from students and alumni, which add valuable context and real-life insight, Imogen Moore and Craig Newbery-Jones use their extensive experience as law teachers to explore the learning process and look beyond it to consider the wider definition of success, and help you manage the pressures of legal study.

Writing and Drafting in Legal Practice

This textbook presents an overview of the theory, law and practice of sentencing and punishment from penological, policy and legal perspectives. It provides an accessible account of changing attitudes as to what constitutes 'just' punishment and the methods of punishment in custody and in the community.

Glanville Williams

Do you understand the key elements of exemption clauses? Are you confused by consideration? Contract Law Directions tackles these and many more questions, introducing you to this exciting area of law.

The ideal guide as they approach the subject for the first time, this book will help them: DT Gain a complete understanding of the topic: just the right amount of detail conveyed clearly DT Understand the law in context: with scene-setting introductions and highlighted case extracts, the practical importance of the law becomes clear DT Identify when and how to critically evaluate the law: they'll be introduced to the key areas of debate and given the confidence to question the law DT Deepen and test knowledge: visually engaging learning and self-testing features aid understanding and help students tackle assessments with confidence DT Elevate their learning: with the ground-work in place you can aspire to take learning to the next level, with direction provided on how to go further An extensive Online Resource Centre provides a wide range of extra resources to further support studies, including: DT Self-test questions DT Guidance on answering essay and problem questions DT Web links DT Flashcard glossary Additional lecturer resources include: DT Diagrams from the book

Oxford Handbook of Criminology, 5th Ed. + Criminology Skills

In 2009, Harvey A. Silverglate, a prominent criminal defense and civil liberties lawyer, published his landmark critique of the federal criminal justice system, *Three Felonies a Day: How the Feds Target the Innocent*. In 2014, Sidney Powell, a former federal prosecutor in three districts under nine United States

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

Attorneys from both political parties and who has been lead counsel in 500 federal appeals, published her landmark indictment of the system, *Licensed To Lie: Exposing Corruption in the Department of Justice*, after she witnessed appalling abuses by prosecutors—more than a decade after she entered private practice. Now these two leading authorities have combined their knowledge, experiences, and talents to produce a much-needed and long-awaited blueprint for reforming the way business is conducted within the Department of Justice and in the federal criminal courts. Both Powell and Silverglate decided to join forces to write this essential and long-awaited book in order to answer the questions and the challenges that each of them has faced over the past several years: “OK,” they’ve been told. “We understand your criticisms. Now how about telling us what has to be done to restore justice to federal criminal justice.” This collaboration is their response.

Learning Legal Rules

The concept of law lies at the heart of our social and political life. Legal philosophy, or jurisprudence, explores the notion of law and its role in society, illuminating its meaning and its relation to the universal questions of justice, rights, and morality. In this *Very Short Introduction* Raymond Wacks analyses the nature and purpose of the legal system, and the practice by courts, lawyers, and judges. Wacks reveals the intriguing and challenging nature of legal philosophy with clarity and enthusiasm, providing an enlightening guide to the central questions of legal

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

theory. In this revised edition Wacks makes a number of updates including new material on legal realism, changes to the approach to the analysis of law and legal theory, and updates to historical and anthropological jurisprudence. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Successful Law Student

Tomorrow's Lawyers predicts that we are at the beginning of a period of fundamental transformation in law: a time in which we will see greater change than we have seen in the past two centuries. Where the future of the legal service will be a world of internet-based global businesses, online document production, commoditized service, legal process outsourcing, and web based simulation practice. Legal markets will be liberalized, with new jobs for lawyers and new employers too. This book is a definitive guide to this future - for young and aspiring lawyers, and for all who want to modernize our legal and justice systems. It introduces the new legal landscape and offers practical guidance for those who intend to build careers and businesses in law. Tomorrow's Lawyers is divided into three parts. The first is an updated restatement of Richard Susskind's views on the future of legal services, as laid out in his previous bestselling

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

works, *The Future of Law*, *Transforming the Law*, and *The End of Lawyers?*. He identifies key drivers of change, such as the economic downturn, and considers how these will impact on the legal marketplace. In the second part, Susskind sketches out the new legal landscape as he predicts it, including the changing role of law firms, and in-house lawyers, with virtual hearings and online dispute resolution. The third part focuses on the prospects for aspiring lawyers, predicting what new jobs and new employers there will be, and equipping prospective lawyers with penetrating questions to put to their current and future employers. This new edition has been fully updated to include an introduction to online dispute resolution, Susskind's views on the debates surrounding artificial intelligence and its role in the legal world, a new analysis of new jobs available for lawyers, and a retrospective evaluation of *The Future of Law*, Susskind's prediction published in 1996 about the future of legal services. This is the essential introduction to the future of law for those who want to succeed in the rapidly changing legal landscape.

Criminal Justice

Competition Law in the CARICOM Single Market and Economy provides a comprehensive introduction to and overview of this emerging area of law, discussing both the current context and potential directions for future development. The book provides an account of major topics in the law, including the economics of competition law; enterprise; enforcement; regulation; and obligations of member states. It traces the

How to Moot

Who would or should defend a potential murderer in court? How do professions regulate themselves? Is 'no win-no fee' an ethical system? Where is the line in a 'suitable' client-advocate relationship? Jonathan Herring provides a clear and engaging overview of legal ethics, highlighting that the issues surrounding professional conduct are not always black and white

and raising interesting questions about how lawyers act and what their role entails. Key topics, such as confidentiality, negligence, and fees are covered, with references throughout to the professional codes of conduct. Features throughout the textbook to aid student learning include the highlighting of key cases, principles, and definitions; the inclusion of a variety of viewpoints through coverage of cases, popular media, and scholarly articles; and use inclusion of 'digging deeper' and 'alternative viewpoint' boxes which encourage critical reflection and better understanding of key theories and topics. The well developed online resource centre includes Podcasts linked to the 'what would you do' chapter features, video debates, relevant updates and web links.

Conviction Machine

Legal Systems & Skills provides students with a practical guide to all the essential knowledge and skills they will need for their law degree and beyond. Divided into three core areas, it forms a foundation for legal studies and for graduate employment. Essential Legal Systems: Part I delivers a focused and practical guide to the purpose and application of law. Contemporary and holistic in approach, it covers all the essential topics in legal systems, considering social, moral, ethical, and jurisprudential perspectives. Taking learning further, it helps students to critically evaluate legal systems and their implications for individuals, businesses, and commerce. Essential Legal Skills: Part II demonstrates step-by-step approaches to acquiring and honing the

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

skills needed for the academic study of law and professional practice. Numerous visual aids and learning features help students to become adept researchers, nimble problem-solvers, dexterous writers, and competent communicators. They will acquire the tools they need to analyse, evaluate, and apply the law, and to thrive in their future careers. Essential Employability and Commercial Awareness: Part III helps students to see how their knowledge and skills can be practically applied, in the legal world or outside of it. Students are encouraged to reflect on and actively improve their commercial awareness through case studies, practice interview questions, and activities, giving them the skills to thrive in the world of work. Targeted coverage of employability, CV development, and transferrable skills helps students to approach their future careers with confidence and communicate their own competencies effectively. This book is the essential contemporary toolkit for savvy law students, enabling them to: Learn how law works; Develop the essential skills; and Apply them to succeed. Online Resource Centre This text is accompanied by an Online Resource Centre offering a range of stimulating resources, including: Self-test questions The authors' guidance on the thought-provoking questions in the book A library of web links for students Regular updates in the law

Law Express: Family Law (Revision Guide)

Among the many new skills law students have to acquire, using legal materials and solving legal

problems are possibly the most important. It was with this in mind that the authors wrote this book which could be used to support a course of study in legal method, or be used as a self-teaching guide to the subject.

Competition Law in the CARICOM Single Market and Economy

Every year thousands of people compete for employment in the UK. Employability and the ability to demonstrate the skills, attributes and behaviours required in a full-time job have become integral to securing employment and developing a career. This book aims to offer a one-stop guide to becoming employable and to careers in the Criminal Justice Sector and beyond, exploring the key organizations and employers in England, Wales, Scotland and Northern Ireland, explaining how they operate and detailing how they are changing. Written in an engaging and accessible style by four experts on employability and the Criminal Justice Sector, this book combines useful hints on becoming employable with helpful insights from those working in specific sectors. The book covers careers in: probation, the police, prisons, the courts, prosecution services and advocacy, youth justice. Packed with hints and tips, advice from current students, useful web links and lists of recommended reading, this book provides a clear guide to the career decision-making and transition processes and covers the essential elements required to making the first step towards securing a job in the above sectors. It will be essential

Employability Skills for Law Students is designed to help you: * identify the academic, practical and transferable skills that can be developed whilst studying for a law degree; * recognise the value of those skills to employers (within both law and non-law professions); * identify any gaps in your skills portfolio; * maximise opportunities to develop new skills through participation in a range of activities; * effectively demonstrate your skills to potential employers; * improve your employability prospects on graduation from university. Whether you are in your first year or your last, this book will ensure you make the most of your time at university, developing skills inside and outside the lecture theatre, so that you are in the best possible position to pursue your chosen career on graduation - as a solicitor, barrister, or a completely different profession. An interactive Online Resource Centre provides a range practical activities designed to give you opportunities to practise and receive feedback upon the skills you are developing.

Criminology Skills

Law Express: Tort Law is designed to help you to relate all the reading and study throughout your course specifically to exam and assignment situations. Understand quickly what is required, organise your revision, and learn the key points with ease, to get the grades you need. Tested with examiners and students.

Poole's Casebook on Contract Law

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

Written in response to the pressures on universities to produce highly skilled and work-ready graduates and intended to map across a three year business course, this book contains the study and employability skills students need to succeed as a business student and graduate, from essential study, presentation and leadership skills to practical advice on getting that all-important job after university. Hands-on learning aids offer exercises for group work and self-study. Readers can expect the book to: Help them adapt to a new culture and environment by setting out what is expected and what they can expect at university Help them bridge the gap between school and university by developing essential study skills such as critical thinking and time management Help them develop transferable skills that are sought after by employers including presentation skills, leadership skills and commercial awareness Give them practical advice on getting that all-important job after university with chapters on CV writing, job hunting, interviewing and networking, among others The book is full of examples drawing on the author's own personal experience with the final chapter offering words of advice from current graduates and employees working in lots of different sectors all over the world – including US, Europe, China and the UK. The book is complemented by a companion website featuring a range of tools and resources for lecturers and students, including an instructor manual and PowerPoint slides, answers and guidance on skills assessment tasks, templates and examples to download as well as additional chapter content on topics such as plagiarism and essay writing. Suitable for all students taking a business degree.

Public Law

Most young people considering studying law, or pursuing a legal career, have very little idea of what learning law involves and how universities teach law to their students. The new edition of this book, which proved very popular when first published in 2007, provides a 'taster' for the study of law; a short, accessible presentation of law as an academic subject, designed to help 17- and 18-year old students and others decide whether law is the right choice for them as a university subject, or, if they have already made the choice, what to expect when they start their law degree. It helps answer the question 'what should I study at university?' and counters the perception that law is a dry, dull subject. *What About Law?* shows how the study of law can be fun, intellectually stimulating, challenging and of direct relevance to students. Using a case study approach, the book introduces prospective law students to the legal system, as well as to legal reasoning, critical thinking and argument. This is a book that should be in the library of every school with a sixth form, every college and every university, and it is one that any student about to embark on the study of law should read before they commence their legal studies. All of the authors have long experience in teaching law at Cambridge and elsewhere and all have also been involved, at various times, in advising prospective law students at open days and admissions conferences. Listed as one of the 'Six of the best law books' that a future law student should read by the Guardian Law Online, 8th August 2012.

Law Express: Tort Law

Borkowski's Textbook on Roman Law is the leading textbook in the field of Roman law, and has been written with undergraduate students firmly in mind. The book provides an accessible and highly engaging account of Roman private law and civil procedure, with coverage of all key topics, including the Roman legal system, and the law of persons, property, and obligations. The author sets the law in its social and historical context, and demonstrates the impact of Roman law on our modern legal systems. For the fifth edition, Paul du Plessis has included references to a wide range of scholarly texts, to ground his judicious account of Roman law firmly in contemporary scholarship. He has also added examples from legal practice, as well as truncated timelines at the start of each chapter to illustrate how the law developed over

Bookmark File PDF Legal Skills Emily Finch Stefan Fafinski 3rd Edition Book

time. The book contains a wealth of learning features, including chapter summaries, diagrams and maps. A major feature of the book is the inclusion throughout of extracts in translation from the most important sources of Roman law: the Digest and the Institutes of Justinian. Annotated further reading sections at the end of each chapter act as a guide to further enquiry. Online Resource Centre The book is accompanied by an extensive Online Resource Centre, containing the following resources: -Self-test multiple choice questions -Interactive timeline -Biographies of key figures -Glossary of Latin terms -Annotated web links -Original Latin versions of the extracts from the Digest and the Institutes of Justinian -Examples of textual analysis of Roman law texts -Guide to the literature and sources of Roman law

Legal Skills

This text offers an engaging and wide-ranging account of crime and criminology. It provides a clear and comprehensive consideration of the theoretical, practical, and political aspects of the subject, including the influence of physical, biological, psychological, and social factors on criminality.

Law Express: Criminal Law

Criminology Skills covers both criminological study skills and research skills in one volume, giving students the skills they need to succeed in the study of criminology. A three-part structure covers finding source materials, academic skills, study skills, and research methodology, guiding students through a range of skills and methods which they will need to practise and demonstrate in their degree. Topics covered include finding and evaluating criminological resources, referencing and avoiding plagiarism, preparing for exams, planning a research project, data analysis and much more. Criminology Skills first helps students to establish a strong and comprehensive skills foundation before building to a

more advanced level, increasing their competence and confidence with which to approach projects. Online resources The text is accompanied by the following online resources: -Practical exercises -Animated walk-throughs showing how to use online databases -Activities to help students test their understanding of ethical considerations and of the differences between quantitative and qualitative research methods

Sentencing and Punishment

Public Law: Text, Cases, and Materials offers a fresh approach to the study of constitutional and administrative law by exploring how the law works in practice. The inclusion of extracts from key cases, government reports and academic articles demonstrates the law in action and the incisive commentary that accompanies them explains the significance of each. The expert authors have distilled their knowledge of the institutions and legal principles into concise, focused prose, and they encourage reflection through regular questions and hypothetical examples. This leading text provides students with a thorough and wide-ranging knowledge of public law, together with a full understanding of the theoretical and political debates in this fascinating and dynamic area of law. Online Resource Centre This book is accompanied by an Online Resource Centre which provides a link to the authors' Twitter feed, web links to useful sites and, for lecturers, a test bank of multiple choice questions with answers and feedback.
