Lady Boss

Everybody wanted to go to bed with Tony Guiseppi, it had been that way since

seventh grade. And not only females, males felt that way too – they were always coming onto him, eyeing him appreciatively, inviting him to a ball game, lunch or a night on the town. Anything he wanted in fact. In fact, he wanted nothing. Tony Guiseppi had learned at an early age that looks were only the package. He knew he was exceptionally good looking. It did not impress him. Tony Guiseppi was half Italian (his father, Roberto, was a crotch-stroking, drunken native of Naples, who came to America in 1972 for a vacation and stayed), and half American (his mother, Ruth, would have been a Jewish princess if only her family had possessed money). As it was she was a waitress when his father came upon her – literally. They were married exactly one month before Tony entered the world.

World Is Full of Married Men

The New York Times bestselling book that stirred up controversy and got readers talking—and passionately debating—Eric Jerome Dickey's bold portrait of racial identity and subtle understanding of sexual intimacy. When Jordan Greene moves from the deep south to New York City, he finds more than he ever bargained for. After sharing a ride with a vivacious young white girl, a romance grows between the unlikely pair—much to the chagrin of Jordan's friends and family. Love on the other side of the color bar forces him to examine his own values and makes him stand up against what everyone expects him to do. In this brightly entertaining and emotionally complex novel, Dickey again demonstrates why he is one of the

hottest voices in African-American fiction today.
