### **McGraw-Hill's GED Language Arts, Reading**

The Critical Response to Mark Twain's Huckleberry Finn contains articles, reviews, and scholarly essays spanning the period from the original publication of the novel in 1885 to the present. The collection reflects the major literary trends and issues of response to the book--such as persistent attempts to ban it, literary criticism concerning its ending, and many thematic interpretations. Among essayists included are literary figures such as T. S. Eliot and Twain scholars Walter Blair, Leo Marx, and James Cox. Champion provides an introductory overview on the range and issues of critical response, a feature on adaptations of Huckleberry Finn, and a bibliography of additional scholarship.

## **El-Hi Textbooks & Serials in Print, 2005**

Ashford, LeCroy, and Lortie's ground-breaking book offers students a balanced, integrated introduction to human behavior in the social environment. Lively and comprehensive, this book succeeds by helping students connect foundation knowledge with practice concerns. Clarified through the introduction of study tables and concept maps (at the end of each discussion behavior in the development chapters), the authors look at biopsychosocial development across the life span using an integrative multidimensional approach, discussing integrative practice, theory, treatment, and services throughout. This multidimensional framework provides a concrete tool for the reader to assess human behavior from a perspective that truly reflects the values and knowledge base of the social work profession. Together, the book's solid coverage of foundation knowledge, integration of the biopsychosocial dimensions for assessing social functioning, its multidimensional framework, and its use of case studies to illuminate the applied aspects of HBSE content--along with the authors' consistent attention to diversity--successfully combine to give readers a meaningful, exciting experience.

ARGUMENT! marries solid instruction in critical reading and analysis, argument, and research strategies with a visually engaging and dynamic design. ARGUMENT! teaches students how to read with a critical eye, how to think about and respond to the ideas of others, and ultimately how to craft their own effective, relevant, and engaging arguments. With ARGUMENT! students will learn how to acknowledge and respond to the complex arguments (both visual and textual) that exist all around them in addition to entering debates with their own strong and thoughtful voice.

Marty will do anything to save his new friend Shiloh in this Newbery Medal-winning novel from Phillis Reynolds Naylor. When Marty Preston comes across a young beagle in the hills behind his home, it's love at first sight—and also big trouble. It turns out the dog, which Marty names Shiloh, belongs to Judd Travers, who drinks too much and has a gun—and abuses his dogs. So when Shiloh runs away from Judd to Marty, Marty just has to hide him and protect him from Judd. But Marty's secret becomes too big for him to keep to himself, and it exposes his entire family to Judd's anger. How far will Marty have to go to make Shiloh his?

### **Mark Twain's *The adventures of Huckleberry Finn***

A series of sidesplitting adventures from the iconic American writer. Originally published over one hundred years ago, *Roughing It* tells the (almost) true story of Mark Twain's rollicking adventures across the United States. A hilarious account of how the author tried finding wealth in the rocks of Nevada, it was published before his most famous works and shows why he would grow to become one of the most

beloved American writers of all time. The story follows many of Twain's early adventures, including a visit to Salt Lake City, gold and silver prospecting, real estate speculation, a journey to the Kingdom of Hawaii, and his beginnings as a writer. Through his attempts to strike it rich, he meets a motley crew of colorful people, while weaving through humorous mishaps and standing through it all with the endearingly good humor for which he's famous. The memoir showcases Twain's razor-sharp wit (as well as a healthy imagination), which would later become his trademark style in *The Adventures of Huckleberry Finn*, *The Adventures of Tom Sawyer*, and *A Connecticut Yankee in King Arthur's Court*. From stagecoach travel to the etiquette of gold hunting, *Roughing It* makes a classic addition to your Mark Twain library and is a perfect example of how funny the world can be when you're traveling with the right person.
