From the Trade Paperback edition.

Merriam-Webster's Guide to Punctuation and Style

An all new edition of the best-selling language reference covers the core English vocabulary of everyday life. New words added from a variety of fields. More than 70,000 updated definitions. Over 8,000 usage examples aid understanding. Special sections include: Basic English Grammar, Irregular English Verbs, Confused and Misused Words and English Word Roots.

The Chicago Guide to Grammar, Usage, and Punctuation

"A gold mine of word histories for reference or browsing. Covers the origins of 1,500 words. Over 600 engagingly written articles. Explore the stories behind our vocabulary."

Merriam-Webster's Dictionary of Basic English

"Writing comes in grades of quality in the fashion of beer and baseball games," says James J. Kilpatrick, "good, better, and best." With the experience of a lifetime of writing, he tells us, he wants to make a few judgment calls. And Jack Kilpatrick, master of the art, is as good as his word. In the tradition of Theodore Bernstein, Edwin Newman, and William Safire, James J. Kilpatrick gives us a finely crafted, witty guide to writing well. Written for laymen and professionals alike, *The Writer's Art* highlights techniques and examples of good writing. A section of the book called "My Crotchets and Your Crotchets" comprises more than 200 personal judgment calls, often controversial, often funny, on word usage.

Books in Print, 2004-2005

A quick-reference word resource conveniently designed for 3-ring binders. Especially for students grades 5 and up. 40,000 entries for widely used words. Concise, easy-to-understand definitions and pronunciations. Brief punctuation

guide.

Webster's New Explorer Guide to English Usage

Clearly written explanations with abundant examples of correct usage make this a valuable reference for all who need to express themselves effectively in writing. Features of this Book: 1,500 articles cover the most common usage problems; Alphabetically arranged entries for easy lookups; Thousands of verbal illustrations show correct usage; Abundant cross-references direct the reader to related articles; Glossary of Grammatical Terms, Punctuation Guide, and Pronunciation Guide provide useful information

Webster's English Usage Guide

Revised edition of Webster's standard American style manual, 1985.

Merriam-Webster's Notebook Atlas

The authoritative guide to using the English language effectively, from “the

greatest writer on grammar and usage that this country has ever produced” (David Yerkes, Columbia University). The author of The Chicago Manual of Style’s popular “Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner’s lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. “[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes

you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.”—John E. McIntyre, Baltimore Sun

Merriam-Webster's Notebook Value Pack

Online sensation Grammar Girl makes grammar fun and easy in this New York Times bestseller Are you stumped by split infinitives? Terrified of using "who" when a "whom" is called for? Do you avoid the words "affect" and "effect" altogether? Grammar Girl is here to help! Mignon Fogarty, a.k.a. Grammar Girl, is determined to wipe out bad grammar—but she's also determined to make the process as painless as possible. A couple of years ago, she created a weekly podcast to tackle some of the most common mistakes people make while communicating. The podcasts have now been downloaded more than twenty million times, and Mignon has dispensed grammar tips on Oprah and appeared on the pages of The New York Times, The Wall Street Journal, and USA Today. Written with the wit, warmth, and accessibility that the podcasts are known for, Grammar Girl's Quick and Dirty Tips for Better Writing covers the grammar rules and word-choice guidelines that can confound even the best writers. From "between vs. among" and "although vs. while" to comma splices and misplaced modifiers, Mignon offers memory tricks and clear explanations that will help readers recall and apply those troublesome grammar rules. Chock-full of tips on style, business writing, and effective e-mailing, Grammar Girl's print debut deserves a spot on every communicator's desk.

Merriam-Webster's Guide to Punctuation and Style

Grammar Girl's Quick and Dirty Tips for Better Writing

Originally published in 1961 by the founder of Rodale Press, The Synonym Finder continues to be a practical reference tool for every home and office. This thesaurus contains more than 1 million synonyms, arranged alphabetically, with separate subdivisions for the different parts of speech and meanings of the same word.

The Blue Book of Grammar and Punctuation

Defines the core vocabulary of English words and phrases, and includes synonyms and brief word histories.

The Merriam-Webster New Book of Word Histories

English is increasingly becoming the world's lingua franca. If we are not native speakers of one of the many varieties of English, then we may be students of English, or use English regularly for academic or business purposes. The English Language series, which is international in focus, aims to synthesize the wealth of

existing linguistic research both on and in English. Each volume in the series is designed to present these findings in an accessible, enlightening and entertaining way not only to students of English linguistics but to learners and users of English across the globe. The English Writing System describes how writing is not simply ancillary to other aspects of language but vitally important to almost everything we do, from signing our wills to sending a text message. This book discusses the mechanics of the writing systems of English; the different ways people process words on a page and the mistakes they can make; how children and second language learners acquire these systems; the historical development of the language and the progress of writing technology: in short, the effectiveness of the writing systems of English. Combining an academic perspective from linguistics and psychology with insights into everyday spelling mistakes, The English Writing System will interest students and teachers of linguistics, literature, the English language, psychology and education.

Webster's Concise Dictionary of Modern English

-- Covers punctuation, capitalization, plurals and possessives, and more -- Includes information on copyediting and proofreading

Random House Webster's Pocket Grammar, Usage, and

Punctuation

"A guide to references commonly used in speech and writing. Explains more than 900 allusions. Entries include examples from today's leading media. A must for serious readers, language lovers, and ESL students."

Merriam-Webster's Concise Handbook for Writers

"A provocative and jaunty romp through the dos and don'ts of writing for the internet" (NYT)--the practical, the playful, and the politically correct--from BuzzFeed copy chief Emmy Favilla. *A World Without "Whom"* is *Eats, Shoots & Leaves* for the internet age, and BuzzFeed global copy chief Emmy Favilla is the witty go-to style guru of webspeak. As language evolves faster than ever before, what is the future of "correct" writing? When Favilla was tasked with creating a style guide for BuzzFeed, she opted for spelling, grammar, and punctuation guidelines that would reflect not only the site's lighthearted tone, but also how readers actually use language IRL. With wry cleverness and an uncanny intuition for the possibilities of internet-age expression, Favilla makes a case for breaking the rules laid out by Strunk and White: *A world without "whom,"* she argues, is a world with more room for writing that's clear, timely, pleasurable, and politically aware. Featuring priceless emoji strings, sidebars, quizzes, and style debates

among the most lovable word nerds in the digital media world--of which Favilla is queen--A World Without "Whom" is essential for readers and writers of virtually everything: news articles, blog posts, tweets, texts, emails, and whatever comes next . . . so basically everyone.

Merriam-Webster's Manual for Writers and Editors

Explains correct usage for punctuation, capitals, italics, quotation marks, possessives, compounds, abbreviations, numbers, notes, bibliographies, and proofreader's marks

Webster's New Essential Reference Set

This book makes punctuation more fun and easier to learn than traditional approaches do. It teaches the natural way, by example: each lesson begins with quotes that exemplify good punctuation and sentence structure. Quotations are humorous and informative, drawn from the words of notable figures--Shakespeare, Mark Twain, Jerry Seinfeld, Taylor Swift, Beyoncé, Jennifer Lawrence, and many others. Short essays accompany each lesson, showing how each punctuation mark originated and how its use has altered over time. Correct punctuation is vital for clear, accurate, and natural writing. Anyone preparing a course assignment,

applying for a job or for college admission, or doing any other formal writing needs to know the standard conventions of punctuation. Yet many people have never been taught how to punctuate. A necessary addition to any writer's bookshelf, this enjoyable book will teach readers to punctuate effectively and confidently--through over 500 memorable quotes and clear explanations of the rules.

The Writer's Art

This all-in-one reference is a quick and easy way for book, magazine, online, academic, and business writers to look up sticky punctuation questions for all styles including AP (Associated Press), MLA (Modern Language Association), APA (American Psychological Association), and Chicago Manual of Style. Punctuate with Confidence—No Matter the Style Confused about punctuation? There's a reason. Everywhere you turn, publications seem to follow different rules on everything from possessive apostrophes to hyphens to serial commas. Then there are all the gray areas of punctuation—situations the rule books gloss over or never mention at all. At last, help has arrived. This complete reference guide from grammar columnist June Casagrande covers the basic rules of punctuation plus the finer points not addressed anywhere else, offering clear answers to perplexing questions about semicolons, quotation marks, periods, apostrophes, and more. Better yet, this is the only guide that uses handy icons to show how punctuation rules differ for book, news, academic, and science styles—so you can boldly switch between

essays, online newsletters, reports, fiction, and magazine and news articles. This handbook also features rulings from an expert “Punctuation Panel” so you can see how working pros approach sticky situations. And the second half of the book features an alphabetical master list of commonly punctuated terms worth its weight in gold, combining rulings from the major style guides and showing exactly where they differ. With *The Best Punctuation Book, Period*, you’ll be able to handle any punctuation predicament in a flash—and with aplomb.

The English Writing System

Provides a concise guide to the spelling, division, and abbreviation of common words

A World Without "Whom"

For anyone who wants to make fewer (not less) grammar mistakes, a lively, effective, and witty guide to all the ins and outs of the English language, reminiscent of the New York Times bestseller *Eats, Shoots & Leaves*. Our language is changing, literary levels are declining, and our grasp of grammar is at a crisis point. From commas to colons, apostrophes to adverbs, there are countless ways we can make mistakes when writing or speaking. But do not despair! Great

Britain's most popular grammar guru has created the ultimate modern manual for English speakers on both sides of the Atlantic. In this brilliantly funny and accessible guide to proper punctuation and so much more, Gyles Brandreth explores the linguistic horrors of our times, tells us what we've been doing wrong and shows us how, in the future, we can get it right every time. Covering everything from dangling participles to transitive verbs, from age-old conundrums like "lay" vs. "lie," to the confounding influences of social media on our everyday language, *Have You Eaten Grandma?* is an endlessly useful and entertaining resource for all.

Webster's Instant Word Guide

Shrink-wrapped set contains one each of three references: Merriam-Webster's Notebook Dictionary, Merriam-Webster's Notebook Thesaurus, and Merriam-Webster's Notebook Spanish-English Dictionary.

The Best Punctuation Book, Period

The authoritative guide to using the English language effectively, from "the greatest writer on grammar and usage that this country has ever produced" (David Yerkes, Columbia University). The author of *The Chicago Manual of Style's* popular

“Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With *The Chicago Guide to Grammar, Usage, and Punctuation*, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. *The Chicago Guide to Grammar, Usage, and Punctuation* is a magisterial work, the culmination of Garner’s lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. “[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.”—John E. McIntyre, *Baltimore Sun*

The Chicago Guide to Grammar, Usage, and Punctuation

Presenting yourself effectively in writing is one of the keys to success in any field. Whether your project is a term paper or a newsletter, a catalog or an annual report, Merriam-Webster's Guide to Punctuation and Style will help you produce it with flair and finesse. This practical guide gives you quick, easy-to-understand answers to the questions you face most often in your writing.

Langenscheidt's Pocket Merriam-Webster Guide to Punctuation and Style

"New edition! Quick answers to questions about pronunciation, capitalization, plurals, and quotations. A guide to copyediting and proofreading. Special sections

of word usage and grammar. Instructions for preparing notes and bibliographies."\\

Dreyer's English

"New edition! A practical personal writing adviser. Coverage includes punctuation, capitalization, possessives, and compound words, with a special chapter on quotations. Students will especially appreciate guidance on preparing footnotes, endnotes, and bibliographies."

The Merriam-Webster Dictionary, International Edition

A witty, informative guide to writing from Random House's longtime copy chief and one of Twitter's leading language gurus--a twenty-first-century Elements of Style. We're all of us writers: We write term papers and office memos, letters to teachers and product reviews, appeals to politicians, journals, and blog entries. Some of us write books. All of us write emails. And we all want to write them better: We want to make our points more clearly, more elegantly; we want our writing to be appreciated, to be more effective; we want--to be quite honest--to make fewer mistakes. Benjamin Dreyer is here to help. As authoritative as it is amusing, Dreyer's English distills everything Random House copy chief Benjamin Dreyer has

learned from the scores of books he has copyedited into a useful guide not just for writers but for everyone who wants to put their best foot forward in writing prose. Dreyer offers lessons on the ins and outs of punctuation and grammar, including how to navigate the words he calls the confusables, such as tricky homophones; the myriad ways to use (and misuse) a comma; and how to recognize--though not necessarily do away with--the passive voice. People are sharing their writing more than ever and this book lays out, clearly and comprehensibly, everything writers can do to keep readers focused on the real reason writers write: to communicate their ideas clearly and effectively. Chockful of advice, insider wisdom, and fun facts on the rules (and nonrules) of the English language, this book will prove invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and--perhaps best of all--an utter treat for anyone who simply revels in language.

Merriam-Webster's Dictionary of Allusions

Fifteen hundred alphabetically arranged entries cover the most common problems in English usage.

Merriam-Webster's Guide to Business Correspondence

Merriam-Webster's Pocket Dictionary

Language columnist June Casagrande presents a fun and breezy guide to everything a grown-up interested in grammar needs to know. When it comes to grammar, it seems like everyone—even die-hard word nerds—feel they "missed something" in school. *The Joy of Syntax* picks up where sixth grade left off, providing a fresh foundation in English syntax served up by someone with an impressive record of making this otherwise inaccessible subject a true joy. With simple, pithy information on everything from basic parts of speech and sentence structure to usage and grammar pitfalls, this guide provides everything you need to approach grammar with confidence.

Merriam-Webster's Pocket Guide to Punctuation

A practical writing resource for fast answers to style and grammar questions. Especially for students grades 5 and up. Covers topics such as punctuation and capitalization. Includes a grammar glossary. Shows how to create notes and bibliographies.
