*Creating Circles and Ceremonies* is the accumulation of decades of circles, ceremonies, rituals, Mystery plays, initiations, rites of passage, and other magickal workings co-created by the Zell-Ravenhearts, today's foremost Wizard/Witch couple. For more than 30 years, Oberon and Morning Glory have traveled widely throughout the worldwide magickal community--participating in gatherings, conducting workshops, and creating rituals for groups large and small. They have met and made Magick with the leaders of many traditions: Celtic Shamanism, British Dianic, Italian Strega, Welsh Witchcraft, Faerie Trad, Ceremonial Magick, Ozark Druidry, the New Reformed Order of the Golden Dawn (NROGD), Hinduism, Native American tribes, Greek and Egyptian mythology, and the futuristic Church of All Worlds. Here, in one easy-to-read volume, is their collection of chants, invocations, circle-castings, quarter-callings, spells, and ceremonies. It is also a "kit" to use to assemble your own rituals, for any season or reason: Book I presents a basic ritual outline. Each element is followed by numerous examples which may be "plugged in" to customize your own ceremony. Book II gives numerous examples of actual ceremonies: Esbats (full Moons) and special occasions; Rites of Passage; Mysteries and Initiations; spells and consecrations. These can be adapted and modified as needed for any size group--from small family gatherings in your living room, to huge outdoor celebrations involving thousands of people. Book III provides an assortment of full rituals and ritual elements for celebrations of the eight great seasonal festivals called the Wheel of the Year. Versions of these have

been commemorated for millennia in most traditional cultures of the Northern Hemisphere; and today are universal throughout the worldwide Pagan community.

Fr. Michael E. Gaitley, MIC, author of 33 Days to Morning Glory, one of the most popular Catholic books of the last decade, brings us his first new book in three years. 33 Days to Greater Glory completes a trilogy of consecrations: first to Mary, then to Jesus, the Divine Mercy, and now to God, our Father. This final consecration to our Heavenly Father truly is the "greater" consecration, the one in which all others find their origin and end.

This book has a dual purpose. The first is to present a biography of Yamato Ichihashi, a Stanford University professor who was one of the first academics of Asian ancestry in the United States. The second purpose is to present, through Ichihashi's wartime writings, the only comprehensive first-person account of internment life by one of the 120,000 persons of Japanese ancestry who, in 1942, were sent by the U.S. government to "relocation centers," the euphemism for prison camps. Arriving in the United States from Japan in 1894, when he was sixteen, Ichihashi attended public school in San Francisco, graduated from Stanford University, and received a doctorate from Harvard University. He began teaching at Stanford in 1913, specializing in Japanese history and government, international relations, and the Japanese American experience. He remained at Stanford until he and his wife, Kei, were forced to leave their campus home for a series of internment camps, where they remained until the closing days of the war.

Fired by the passion to take the message of the gospel beyond the walls of the church, Jerry Cook challenges Christians to reconsider their role in society. Jerry Cook emphasizes that the church on Monday operates in the experience of the non-believer where the greatest impact for God can occur. He encourages Christians to consider themselves strategically placed by Jesus Christ to go to the non-believer rather than having them come to God. Drawing from the book of Ephesians, he challenges traditional thinking of how ministry occurs and what the church should be while presenting an exciting new paradigm of living for Christ.

### **33 Days to Greater Glory**

I was seventy when I began Morning Glory, and now I am seventy-nine years old. I come from a family of fourteen children: seven boys and seven girls. The boys' name started with L and the girls with J. I was the tenth child, born in Council Bluffs, Iowa! I grew up in Lawndale, California, and presently live in Klamath Falls, Oregon. I am married to Jim and have a son, Dan, and a daughter, Jennifer. I also have three grandsons who are a gift from God in my old age. Teaching God's word is what I have loved to do since I was eighteen years old! I love being married, being a mom, and a grandma! God has

rewarded me with sharing my memories of struggles and joys of a fleshly life, all the time aspiring to become the woman God wanted me to be. Morning Glory became an outlet to remember my past and became an instrument for my well-being in Jesus Christ. To God, I give the honor and the glory in all of heaven and in all the earth!

## About Miss Mattie Morningglory

"A down-to-earth, inspiring book about the American promise fulfilled." —President Bill Clinton "Fascinating . . . . Made me wish I had been born in the Bronx." —Barbara Walters A touching and provocative collection of memories that evoke the history of one of America's most influential boroughs—the Bronx—through some of its many success stories The vivid oral histories in Arlene Alda's *Just Kids from the Bronx* reveal what it was like to grow up in the place that bred the influencers in just about every field of endeavor today. The Bronx is where Michael Kay, the New York Yankees' play-by-play broadcaster, first experienced baseball, where J. Crew's CEO Millard (Mickey) Drexler found his ambition, where Neil deGrasse Tyson and Dava Sobel fell in love with science early on and where music-making inspired hip hop's Grandmaster Melle Mel to change the world of music forever. The parks, the pick-up games, the tough and tender mothers, the politics, the gangs, the food—for people who grew up in the Bronx, childhood recollections are fresh. Arlene Alda's own Bronx memories were a jumping-off point from which to reminisce with a nun, a police officer, an urban planner, and with Al Pacino, Mary Higgins Clark, Carl Reiner, Colin Powell, Maira Kalman, Bobby Bonilla, and many other leading artists, athletes, scientists and entrepreneurs—experiences spanning six decades of Bronx living. Alda then arranged these pieces of the past, from looking for violets along the banks of the Bronx River to the wake-up calls from teachers who recognized potential, into one great collective story, a film-like portrait of the Bronx from the early twentieth century until today.

"For what we proclaim is not ourselves, but Jesus Christ as LORD, with ourselves as your servants for Jesus sake. For God who said, 'Let light shine out of darkness,' has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. But we have this treasure in jars of clay, to show that the surpassing power belongs to God and not to us." II Corinthians 4:5-7
