NCERT Solutions for Class 9 English Beehive (Prose) Chapter 1 The Fun They Had

Forthcoming Books

Accessible but rigorous, this outstanding text encompasses all of the topics covered by a typical course in elementary abstract algebra. Its easy-to-read treatment offers an intuitive approach, featuring informal discussions followed by thematically arranged exercises. This second edition features

additional exercises to improve student familiarity with applications. 1990 edition.

The Last Leaf

The Eyes Have It

Lakhmir Singh's Science is a series of books which conforms to the NCERT syllabus. The main aim of writing this series is to help students understand difficult scientific concepts in a simple manner in easy language. The ebook version does not contain CD.

AV Guide

Swami and Friends

Resources in Education

"The text is suitable for a typical introductory algebra course, and was developed to be used flexibly. While the breadth of topics may go beyond what an instructor would cover, the modular approach and the richness of content ensures that the book meets the needs of a variety of programs."--Page 1.

ISC Mathematics book 1 for Class- 11

Rakesh plants a cherry seedling in his garden and watches it grow. As seasons go by, the small tree survives heavy monsoon showers, a hungry goat that eats most of the leaves and a grass cutter who splits it into two with one sweep. At last, on his ninth birthday, Rakesh is rewarded with a miraculous sight—the first pink blossoms of his precious cherry tree! This beautifully illustrated edition brings alive the magical charm of one of Ruskin Bond’s most unforgettable tales.

General Knowledge_2019

These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother’s advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

Vedic Mathematics

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. *Swami and Friends* introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

Teaching Mathematics in Secondary and Middle School

This book present proven strategies to enhance learning and reduce wasted study time in any learning situation.

Official SAT Study Guide 2020 Edition

The Cherry Tree

The New Volumes of the Encyclopædia Britannica

Nobody blends satire and science fiction like renowned luminary of the genre Philip K. Dick. This

short but utterly memorable tale tells the story of a man who is utterly convinced that the world is being overrun by aliens. Is he correct, or wildly off-base? Read "The Eyes Have It" to find out.

The Athenaeum

Paperbound Books in Print

This epoch-making and monumental work on Vedic Mathematics unfolds a new method of approach. It relates to the truth of numbers and magnitudes equally applicable to all sciences and arts.

A Book of Abstract Algebra

Lajwanti and Other Stories

S Chand's ISC Mathematics is structured according to the latest syllabus as per the new CISCE(Council for the Indian School Certificate Examinations), New Delhi, for ISC students taking classes XI & XII examinations.

Lakhmir Singh's Science for Class 8

In Lajwanti, Mulk Raj Anand focuses on a woman's predicament and struggle to find an identity for herself. Frustrated by a rigid pattern of social relationships, gender bias, religious bigotry and her own petty human foibles, her abject condition serves as a metaphor for sacrifice and servility which forms the thematic heart of these stories.

NCERT Solutions for Class 9 Social Science (History) Chapter 5 Pastoralists in the Modern World

The chapter-wise NCERT solutions prove very beneficial in understanding a chapter and also in scoring marks in internal and final exams.
