John Wayne is renowned as having been a larger than life, yet his personal code was a simple one of loyalty, self-reliance, grit, honesty, patriotism and generosity. John Wayne: Lessons for My Children examines how Wayne used his beliefs to raise six lively kids into successful young adults, and how those lessons might be used by readers to help guide their own sons and daughters. Packed with reminiscences and anecdotes from Duke's children (including a foreword and an afterword), quotes and personal stories from Duke, himself, and analyses of key scenes from Duke's films, plus hundreds of touching, rousing and inspiring photos from Duke's family life as well as his films, John Wayne: Lessons for My Children is a perfect gift for dads and Duke fans everywhere. The book itself is a stunning handbook with glossy pages, and a leatherette cover to ensure the book lasts for years and years. The perfect impulse purchase for Father's Day or any day.

### **Logan the Puppy (Dr. KittyCat #7)**

Eebs isn't a very disciplined kitten. His mom warned him not to play in the forest, but he didn't listen. That's how he found himself in the Nether, a bizarre world inhabited by scary creatures. In the company of a ghost, almost cheerful witch, Eebs develops supernatural powers. Will this be enough to fight against Endernova's army, the Enderman, who want to rule over the Overworld? In order to save his friends, Eebs must become the champion of the Nether, as the prophecy

### **Beep! Beep! Go to Sleep!**

This reading scheme comprises eight titles that can be used alongside any other method of learning to read. The books are intended for beginner readers and focus on phonics. The series introduces most of the 44 sounds in the English language - 26 initial sounds, digraphs (2 letters such as ch), phenomes (blends as in str), middle blends (oo) and final blends (ing). The first 100 most used words are introduced, repeated and carried over from book to book. A further 200 words are used and repeated a minimum of 3 times each in the story in which they first appear. Extra repetition is given in the activity books through a variety of reading, writing and other activities. Through their games and activities the reader is transported to a world of make-believe. Each book begins with pages introducing particular sounds which are then used in the story.

### **Bramble the Hedgehog (Dr. KittyCat #10)**

Supercute photographs of real puppies and kittens combine with hand-drawn pink line art for a completely unique look.

### **Do Pets Go to Heaven?**

Fact: Chocolate contains the alkaloid theobromine, which in high doses can be toxic to humans, and in even small amounts can kill dogs, parrots, horses, and cats. This means that despite its name, the Kit-Kat candy bar is not a recommended snack for your kitty-cat. I wonder how many cats have died because of this confusion. Fact: The most germ-laden place on your toilet isn't the seat or even the bowl--it's the handle. The solution: Don't flush. Let the next guy worry about it. There are "just the facts"--and then there are just the facts that will frighten the bejeezus out of you. And thanks to this little gem of a bathroom book, you'll never look at the world the same way again, without, er, dry heaving a little bit. From the sneaky fish that can swim up our genitals to the E. coli bacteria lurking in the very water we drink, disturbing phenomena are everywhere we turn. Educational, entertaining, and undeniably horrifying, this book isn't guaranteed to help you, um, go to the bathroom, but it's certain to make your time there moreinformed.

### **1,001 Facts that Will Scare the S#\*t Out of You**

We'll be there in a whisker! All the little animals are excited to go for a swim in Thistle town's new pool. But Dr. KittyCat soon gets an urgent call -- Logan the

Puppy has hurt himself and needs her help. Fortunately for Logan, she and her trusty assistant Peanut are ready to rescue!

### **Nutmeg the Guinea Pig (Dr. KittyCat #5)**

Don't miss this timely contemporary young adult novel from Alex Flinn, the #1 New York Times bestselling author of *Beastly*, about a teenage boy's struggle to break free from the cycle of abuse. "Gripping." —Publishers Weekly Intelligent, popular, handsome, and wealthy, sixteen-year-old Nick Andreas is pretty much perfect—on the outside, at least. What no one knows—not even his best friend—is the terror and anger that Nick faces every time he is alone with his father. Then he and Caitlin fall in love, and Nick thinks his problems are over. Caitlin is the one person he can confide in, the only person who understands him. But when Nick's anger and jealousy overtake him, things begin to spiral out of control and Nick realizes that he's more his father's son than he wants to be. Now Nick must confront his inner demons to stop the history of violence from repeating itself. Winner of the Black-Eyed Susan Award An ALA Top 10 Best Book for Young Adults An International Reading Association Young Adult Choices List Pick A New York Public Library Book for the Teen Age Pick

## Download Free Peanut The Mouse Dr Kittycat 8

The Weekend Homesteader is organized by month—so whether it's January or June you'll find exciting, short projects that you can use to dip your toes into the vast ocean of homesteading without getting overwhelmed. If you need to fit homesteading into a few hours each weekend and would like to have fun while doing it, these projects will be right up your alley, whether you live on a forty-acre farm, a postage-stamp lawn in suburbia, or a high rise. You'll learn about backyard chicken care, how to choose the best mushroom and berry species, and why and how to plant a no-till garden that heals the soil while providing nutritious food. Permaculture techniques will turn your homestead into a vibrant ecosystem and attract native pollinators while converting our society's waste into high-quality compost and mulch. Meanwhile, enjoy the fruits of your labor right away as you learn the basics of cooking and eating seasonally, then preserve homegrown produce for later by drying, canning, freezing, or simply filling your kitchen cabinets with storage vegetables. As you become more self-sufficient, you'll save seeds, prepare for power outages, and tear yourself away from a full-time job, while building a supportive and like-minded community. You won't be completely eliminating your reliance on the grocery store, but you will be plucking low-hanging (and delicious!) fruits out of your own garden by the time all forty-eight projects are complete.
