yourself and share it with friends and family for a time of fun! Narrated by Percy Jackson, the protagonist of Percy Jackson & the Olympians series, Percy Jackson's Greek Gods tells the tale of Greek mythology. Starting from the earth mother Gaea being created out of Chaos, Riordan presents the sometimes tragic, sometimes comic but always interesting story of what the ancient Greeks believed as the history of the gods. Whimsical, arrogant, and self-centered, the gods are constantly at war or in love with each other, often leading to terrible consequences. Despite the many occurrences of rape, murder, and deceit in the original tale, Riordan makes an effort to make the story as funny and accessible as possible to children. ## **The Demigods of Olympus**

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

## **The Valley of Adventure**

Triple-crown winner of mystery's most coveted awards—the Edgar, the Anthony, and the Shamus—Rick Riordan and his Texas-style take on the crime novel have never been bigger or darker than in this latest Tres Navarre thriller. This time Navarre faces a killer as unstoppable as a force of nature. Tres Navarre had given up private investigation—and with it a violent past that had buried too many friends. Newly married, with a baby on the way, it was time to find a safer line of work. He and Maia had come to Rebel Island to celebrate their honeymoon and a new future. But no sooner had they arrived than a reminder of the past showed up in the form of a corpse shot dead in room 12. Just like that Tres finds himself flashing back on the memory of a grim childhood summer spent on the island—a summer that changed everything in his life. A summer he could never forget but never entirely remember either. And when a second corpse turns up, it's clear to Tres that the past is not dead and buried after all, but is stalking Rebel Island with unfinished business of its own. What really happened that long-ago summer, what dark secrets were kept, and who has come back to avenge them...these are the questions Tres, his brother Garrett, and the very pregnant Maia must answer—and time is running out. For a monster hurricane is about to hit Rebel Island, cutting them off from the mainland and leaving them trapped on a flooding island with the hotel's remaining guests brutally dying one by one. Tres knows better than anyone that the bloodlines of South Texas are as twisted as barbed wire. This time they're

guarding a revelation that can turn his dreams of happily ever after into the ultimate nightmare. From the Hardcover edition.
