Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

The Post Magazine and Insurance Monitor

Caution: Contains incidents of insane motorcycle antics, drug use and swearing. 'Boris has more fun on two wheels than should be legally possible.' - Richard Fidler, ABC His mother may not know it but Boris Mihailovic has lived a fast, furious, often politically incorrect life chasing the epiphanies of speed (the sensation not the drug). For Boris, motorbike riding was the rite of passage into manhood he'd been searching for. Now, nearly 40 years since he first rode a bike, the wisdom of age has provided the perspective for Boris to look back and realise some pretty wild shit went down. At the Altar of the Road Gods is about popping your motorcycle-buying cherry with an XJ650 Yamaha. It's about fines, feuds and fractures, high-sides, tank-slappers, angry police, even angrier young men, crashing, getting up, cranky girlfriends, riding faster, outlaws, and partaking in copious amounts of alcohol and drugs. It is about mateship and motorcycles. Ultimately, it is about four decades of two-wheel-related mayhem. Just don't tell Boris's mum! Be warned: may cause laughter, sleeplessness and the desire to buy a Lucifer-black Katana.

Communication Serials

My Mother Warned Me About Blokes Like Me is Boris Mihailovic's frank, fearless and fast account of a life of motorcycles, brotherhood, demons, dirt and danger. Whether you're into dirt bikes, road bikes, ride a Yamaha, scooter or Laverda: if you've ever experienced the primal rush of riding a motor bike, the pain of crashing, the suffering of healing and the epiphanies of speed, then this book is for you. My Mother Warned Me About Blokes Like Me is about friendship, treachery, girls in tight pants and motorcycles that have been possessed by Satan. It's about brotherhood, camaraderie, drugs, alcohol and being hounded by the police for daring to combine them all at once. It's about breaking the law, and racing 1000

kilometres through the night for money and thrills. It's about massive amputations, bovine stupidity, maniacal genius and the wisdom of the old. It's about chance and fate and suffering, being two people at once and being handcuffed in a Melbourne gutter. It's about being cold and crazy and hopeful and irredeemably lost. It's about impossible highs and soul-crushing lows, about demons and brothers and dirt and danger, and houses with iron bars instead of glass in their windows. Essentially it's about Boris Mihailovic's life. With motorcycles. 'His love of motorcycling, mateship and frequent, subsequent mayhem is matched by a natural writing ability that graphically, often hilariously, brings to life the two-wheeled experiences that have shaped his life Highly recommended' - 4 x 4 Magazine 'There is no requirement to love everything on two wheels to enjoy this book but it would seriously help, as our resident bike nut said about Boris: This guy lives and breathes motorbikes. He's the epitome of two wheel freedom' - Mining Chronicle
