Abby and her stepbrother, Doc, must persuade Abigail Adams to disband her newly acquired crew of Caribbean pirates and return as First Lady of the White House.

Kindergarrten Bus

The Night Pirates is the best-selling picture book full of adventure on the high seas and a quest for treasure from Peter Harris and Deborah Allwright. One night, young Tom is awoken by noises outside his house. He peeps out of the window and what should he see but PIRATES. And stranger still - they're GIRL PIRATES stealing the front of his house! Tom joins their adventure across the high seas to an island where some rather lazy and silly grown-up pirates are guarding their treasure. Not very successfully! Tom and the girl-pirates make a surprise attack and are soon off on the seas once more with the treasure! This swashbuckling pirate story from Peter Harris and Deborah Allwright has become a modern-day classic. Great fun to read-aloud and entertaining for both boys and girls, The Night Pirates is a bedtime story to inspire the imagination. This wonderful picture book will celebrate its 10th anniversary on 2015.

Miss Smith Under the Ocean

Roger is too jolly to be a pirate. He does not scowl, growl, or strike fear into sailors' hearts like his pirate friends. So poor Roger is sent away whenever there is any real pirating to be done. Then one day, in the middle of a great battle, Jolly Roger

cooks up a wonderful idea . . . and pirate ships will never be the same again!

The Pirate Who Couldn't Say Arrr!

Jeremy Jacob joins Braid Beard and his pirate crew and finds out about pirate language, pirate manners, and other aspects of their life.

Pirates Love Underpants

The nuclear family is under siege as never before. With the dramatic increase in divorce, illegitimacy and single parenthood, we are witnessing the voluntary breakup of the minimal family unit on a massive scale. Meanwhile many people question whether marriage should be defined as a relationship between a man and a woman, and some are trying to sever the idea of marriage and procreation completely. Bestselling author William Bennett believes that we are engaging in a reckless and radical social experiment that, unless it is firmly resisted, will have calamitous consequences. In this strong and vigorous, but sophisticated and informed defense of the traditional nuclear family, Bennett argues that we urgently need to reestablish the idea of marriage as an arrangement between a man and a woman, monogamous and freely chosen, a place of sexual and emotional intimacy, affection and friendship. Marriage should be the institution through which children are conceived and born, loved and disciplined, nurtured and raised. And marital permanence must once again become normative, a high ideal, something to which people commit and strive to maintain. Bennett argues that we are willfully and frivolously casting aside one of our greatest historical achievements under the illusion that we can cheerfully deconstruct the traditional family and then one day decide to pull back from the brink. Having blithely tossed these precious things aside, we will find that we cannot so easily summon them back. Yet Bennett's book is not a jeremiad or a gloom-and-doom scenario but a positive affirmation of family life and an argument for why a certain traditional understanding of the family leads to greater human flourishing and happiness.

Howard Pyle's Book of the American Spirit

When Michele and Michael visit Bath, North Carolina, they make new friends as they search for the missing head of Blackbeard--a prop from a historical pageant--and learn about the notorious buccaneer and other pirates.

Castles, Pirates, Knights and Other Learning Delights

The exciting true story of the captaincy, wreck, and discovery of the Whydah — the only pirate ship ever found — and the

incredible mysteries it revealed. The 1650s to the 1730s marked the golden age of piracy, when fearsome pirates like Blackbeard ruled the waves, seeking not only treasure but also large and fast ships to carry it. The Whydah was just such a ship, built to ply the Triangular Trade route, which it did until one of the greediest pirates of all, Black Sam Bellamy, commandeered it. Filling the ship to capacity with treasure, Bellamy hoped to retire with his bounty — but in 1717 the ship sank in a storm off Cape Cod. For more than two hundred years, the wreck of the Whydah (and the riches that went down with it) eluded treasure seekers, until the ship was finally found in 1984 by marine archaeologists. The artifacts brought up from the ocean floor are priceless, both in value and in the picture they reveal of life in that much-mythologized era, changing much of what we know about pirates.

Shiver Me Letters

A boy's small paper boat—and his large imagination—fill the pages of this wordless picture book, a modern-day classic from the creator of Pardon Me! that includes endpaper instructions for building a boat of your own. A little boy takes a boat made of newspaper out for a rainy-day adventure. The boy and his boat dance in the downpour and play in the puddles, but when the boy sends his boat floating down a gutter stream, it quickly gets away from him. So of course the little boy goes on the hunt for his beloved boat—and when the rain lets up, he finds himself on a new adventure altogether. This seemingly simple story from Daniel Miyares is enriched with incredible depth and texture that transcend words.

Abigail Adams, Pirate of the Caribbean

A new activity book inspired by Long's hilarious, bestselling picture books "How I Became a Pirate" and "Pirates Don't Change Diapers." Features include coloring pages, activities, pirate tattoos, and Cannonball! card game. Consumable.

This Little Pirate

Second Grade Essentials provides practice in these important concepts: -addition -subtraction -measurement -fractions -dictionary skills -spelling patterns -consonant blends This workbook gives children the practice they need to apply skills both in and out of the classroom. Prepare your child for classroom success with Second Grade Essentials. This workbook supports learning in three important areas: -reading -math -basic skills Filled with skill-building practice, Second Grade Essentials challenges children to apply learned skills to real-world experiences while communicating effectively and thinking critically. The Essentials series for prekindergarten to second grades helps build a strong foundation for a successful educational journey. Each practice page features a "One Step Further" activity to encourage your child to apply skills in everyday experiences, and each workbook includes a "Games and Activities" section to enhance the learning process with fun puzzles, mazes, and more.

Pirates on the Farm

The Pirates Next Door, written by Denette Jenkins Fretz and illustrated by (TBD), tells the tale of five brazen pirates who swap high seas adventures for life on a farm. When your neighbors are mischievous pirates, calamity becomes commonplace. Each member of the unadventurous Sanders family must choose how to respond to the pirates and their antics. Mother forms a Ban the Buccaneers Brigade, eight-year-old Joey imitates everything the pirates do, his older sister

keeps her distance, and Dad quietly helps the outcasts find their “land legs.” Humor encases the story’s theme of loving eccentric neighbors as yourself.

100+ Ways to Recognize and Reward Your School Staff

Miss Smith's class can't wait for story time. When their teacher reads from her incredible storybook, the worlds she describes come alive-literally! So when the class takes a field trip to the local aquarium, reading magic brings favorite nautical characters to life, including Long John Silver and the Swiss Family Robinson. From swimming with the Little Mermaid to rescuing their treasured storybook from scurvy pirates, it's another rollicking reading adventure Miss Smith's class - and readers - won't soon forget.

Shark in the Park

Bubble Kisses

Incorporating leveled reading within each script, readers theatre plays offer teachers the flexibility to include readers of every ability in the same read-aloud play. * 15 plays with staging illustrations and activities for three different grade levels of readability: 4th grade and lower, 5th-6th grade, and 7th-8th grade * A readability-level chart broken down by character, based on vocabulary and the Flesh-Kincaid scale, as well as by word lists for graded readability

Blown to Bits

Who can resist the temptation of singing an echo? These 30 echo songs encompass a wide variety of subjects, including seasons and holidays, yodeling, growing up, homonyms, self?ge, and more! Singers may echo the leader provided on the SoundTrax CD or take turns being leaders themselves. Recommended for grades K-4. Chord symbols and suggested classroom activities provided. SoundTrax CD includes two versions of each song performance with a leader and accompaniment only. What a perfect way to develop independent singing and listening skills in your young students!

I Sing, You Sing, Too!

Two bands of pirate pigs fight over a box, but when they raise the white flag and open the box together, they find a treasure to share.

In-Transit Passenger

Yo ho ho! It's the first day of kindergarten. Just imagine all the fun things to learn and experience! And who better than a pirate captain to drive the bus to school? He's ready to share all the rules one needs to know to ride the bus and to get along with mates at school. But with the anticipation of the first day of school there also comes a bit of anxiety. And it turns out that being a big, blustery pirate captain is no guarantee against feeling insecure and a little frightened in strange and uncomfortable situations. Who can help a rough and tough pirate captain get over his fears and back to driving the school bus? Using humor and pirate-speak, Kindergarrten Bus addresses some of the concerns and anxiety that many children feel on their first day of school or at the start of any new undertaking.

Henry and the Buccaneer Bunnies

Leave behind who society tells you are and discover your real self by becoming an In-Transit Passenger. If you left behind what was familiar and went back to your authentic self, where might that lead? In "In-Transit Passenger," the main character leaves behind an unfulfilling life at a law office in order to find greater meaning and a more meaningful life. A seemingly routine trip by boat suddenly turns into something much more significant, taking the protagonist back in time to those "in-transit" moments of the past and in turn to a truer and more authentic self. Can a simple trip change you by becoming so much more? Become your own In-Transit Passenger by embarking on your own next voyage today.

How I Became a Pirate

All pirates say 'Arrr!' except for one. Discover how Red Legs Lamar learns to say 'Arrr!' as you travel with him on an adventure across the seas to roar this most famous of pirate expressions! Miss Smith has a knack for telling tales when she reads from her incredible book, the stories literally spring to life! Then one day Miss Smith is late for school. The principal takes over and things get out of hand. The classroom is swarming with storybook characters from princesses to pirates to the three little pigs? All it takes is one spectacular teacher.

Pirate Jack Gets Dressed

The first novel in award-winning historian James L. Haley's brilliant adventure series featuring young midshipman Bliven Putnam as he begins his naval service aboard the U.S.S. Enterprise. It is 1801 and President Thomas Jefferson has assembled a deep-water navy to fight the growing threat of piracy, as American civilians are regularly kidnapped by Islamist brigands and held for ransom, enslaved, or killed, all at their captors' whim. The Berber States of North Africa, especially Tripoli, claimed their faith gave them the right to pillage anyone who did not submit to their religion. Young Bliven Putnam, great-nephew of Revolutionary War hero Israel Putnam, is bound for the Mediterranean and a desperate battle with the pirate ship Tripoli. He later returns under legendary Commodore Edward Preble on the Constitution, and marches across the Libyan desert with General Eaton to assault Derna—discovering the lessons he learns about war, and life, are not what he expected. Rich with historical detail and cracking with high-wire action, The Shores of Tripoli brings this amazing period in American history to life with brilliant clarity.

Bright Not Broken

Let's go on an adventure with Tiny Travelers Jack, Ella, Noah, Izzy, and their cat, Lucky, as they set sail on the high seas to find the buried treasure! Your own tiny traveler will love to join them on their journey, and follow the clues to find the

treasure in this amazing interactive book. There's a letter to read outlining their quest, a fold-out treasure map, a fabulous pop-up pirate ship, and more to inspire imagination and encourage creative play in all would-be pirates.

The Whydah: A Pirate Ship Feared, Wrecked, and Found

The future of our society depends on our gifted children—the population in which we'll find our next Isaac Newton, Albert Einstein, or Virginia Woolf. Yet the gifts and talents of some of our most brilliant kids may never be recognized because these children fall into a group known as twice exceptional, or "2e." Twice exceptional kids are both gifted and diagnosed with a disability—often ADHD or an Autism Spectrum Disorder—leading teachers and parents to overlook the child's talents and focus solely on his weaknesses. Too often, these children get lost in an endless cycle of chasing diagnostic labels and are never given the tools to fully realize their own potential. Bright Not Broken sheds new light on this vibrant population by identifying who twice exceptional children are and taking an unflinching look at why they're stuck. The first work to boldly examine the widespread misdiagnosis and controversies that arise from our current diagnostic system, it serves as a wake-up call for parents and professionals to question why our mental health and education systems are failing our brightest children. Most importantly, the authors show what we can do to help 2e children, providing a whole child model for parents and educators to strengthen and develop a child's innate gifts while also intervening to support the deficits. Drawing on painstaking research and personal experience, Bright Not Broken offers groundbreaking insight and practical strategies to those seeking to help 2e kids achieve their full potential. Diane M. Kennedy, author of *The ADHD-Autism Connection*, is a longtime advocate, international speaker/trainer, and mother of three twice-exceptional sons. Rebecca S. Banks, M.A., co-author of *The ADHD-Autism Connection*, is a veteran educator, national speaker/trainer, and mother of two twice-exceptional children. Temple Grandin, Ph.D., is a professor, prolific author, and one of the most accomplished and renowned adults with autism in the world.

Cannonball!

The captain of this brave and bumbling pirate crew has ordered them to capture the entire alphabet--and they'll walk the plank if they're missing a single letter! Now these swashbuckling mateys are embarking on an alphabet adventure unlike any other, and they won't (ahem, can't) rest until they've found an A, a Z, and everything in between. June Sobel's hilarious text and Henry Cole's adventurous animal pirates harmonize in an irresistible book for alphabet-learning, pirate-loving kids everywhere.

Pirates Activity Book

Ahoy, matey! Join jaunty pirate Captain Jack as he uses every color of the rainbow to pick out his outfit in this bright and bold read-aloud. It's the crack o' dawn, and dapper Pirate Jack is ready t' get dressed for a day out on the high seas with his motley crew. He'll need every color of the rainbow to make his outfit complete—from his itchy gray long johns and his toasty pink socks to his bright red sash and his cozy purple coat. And he won't be forgettin' his black eye patch and trusty brown peg leg, either! But just as he's about to step outside, he realizes he's still missing one color: green! Thank goodness a certain feathered friend is ready to jump from her swing and onto his shoulder to complete his colorful look. Squawk!

Tiny Travelers: Let's Be Pirates

In this book you'll learn how to: tap into your passion as a teacher - even when you're less than excited about the subject; develop creative presentations that capture your students' interest; establish rapport and a sense of camaraderie in your classroom; transform your class into a life-changing experience for your students. --from back cover.

Wilson library bulletin

This book provides school administrators with practical, easy-to-use, and inexpensive ways to reward and recognize the efforts of their staff. More than 100 ideas are divided into three categories based on the amount of effort they require. Recognizing and rewarding your staff can be as simple as writing a heartfelt thank-you note to a bus driver or as unexpected as taking a teacher's grading duty for a night. This invaluable guide will help principals and superintendents everywhere bring out the best in their teachers and staff members. The best part is that rewarding and inspiring your staff will be rewarding and inspiring for you too. Dr. Emily E. Houck is the former superintendent of the Scott Valley Unified School District in California.

The Night Pirates

Every day, billions of photographs, news stories, songs, X-rays, TV shows, phone calls, and emails are being scattered around the world as sequences of zeroes and ones: bits. We can't escape this explosion of digital information and few of us want to—the benefits are too seductive. The technology has enabled unprecedented innovation, collaboration, entertainment, and democratic participation. But the same engineering marvels are shattering centuries-old assumptions about privacy, identity, free expression, and personal control as more and more details of our lives are captured as digital data. Can you control who sees all that personal information about you? Can email be truly confidential, when nothing seems to be private? Shouldn't the Internet be censored the way radio and TV are? Is it really a federal crime to download music? When you use Google or Yahoo! to search for something, how do they decide which sites to show you? Do you still

have free speech in the digital world? Do you have a voice in shaping government or corporate policies about any of this? Blown to Bits offers provocative answers to these questions and tells intriguing real-life stories. This book is a wake-up call To The human consequences of the digital explosion.

The Art of Game Design

Spectrum Language Arts encourages creativity and builds confidence by making writing fun! The four-part lessons, perfect for students in kindergarten, strengthen writing skills by focusing on the parts of speech, word usage, sentence structure and more! A Writer's Handbook can be found at the end of the workbook and offers helpful writing tips. It features easy-to-understand directions, is aligned to national and state standards, and also includes a complete answer key. Today, more than ever, students need to be equipped with the essential skills they need for school achievement and for success on proficiency tests. The Spectrum series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the Spectrum workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.

The Gingerbread Pirates

Anyone can master the fundamentals of game design - no technological expertise is necessary. The Art of Game Design: A Book of Lenses shows that the same basic principles of psychology that work for board games, card games and athletic games also are the keys to making top-quality videogames. Good game design happens when you view your game from many different perspectives, or lenses. While touring through the unusual territory that is game design, this book gives the reader one hundred of these lenses - one hundred sets of insightful questions to ask yourself that will help make your game better. These lenses are gathered from fields as diverse as psychology, architecture, music, visual design, film, software engineering, theme park design, mathematics, writing, puzzle design, and anthropology. Anyone who reads this book will be inspired to become a better game designer - and will understand how to do it.

Hello Hi-lo

Roger, the Jolly Pirate

From singer, actress, and dancer Vanessa Williams comes a sweet, sparkling story about a young girl whose beloved pet fish has wonderful, magical powers. She gives me bubble kisses, bubble kisses as she swims by in the water. She never misses with her bubble kisses. And I'm so glad I got her. A young girl adores her goldfish, Sal. But Sal is no ordinary pet: while she can't fetch a ball or curl up on a lap, she can give bubble kisses that transform the girl into a mermaid and transport her to a world of underwater adventures. There, beneath the sea, they play, sing, and dance with other mermaids. The catchy, breezy, rhymed tale is perfect for bedtime, and the book includes a CD plus a link to a digital download.
