Microsoft Windows 98 Field Guide

Win 98 Optimizing & Troubleshooting Little Black Book

Smart Guide to Windows 98

Covers the features of Microsoft Windows 98, including the user interface, active desktop, Outlook Express, Internet Explorer, and networking

Upgrading to Microsoft Windows 2000 Professional

Michael Swanson's online discussions with literally thousands of NexStar owners made it clear that there was a desperate need for a book such as this – one that provides a complete, detailed guide to buying, using and maintaining NexStar telescopes. Although this book is highly comprehensive, it is suitable for beginners – there is a chapter on "Astronomy Basics" – and experts alike. Celestron's NexStar telescopes were introduced in 1999, beginning with their first computer controlled "go to" model, a 5-inch. More models appeared in quick succession, and Celestron's new range made it one of the two dominant manufacturers of affordable "go to" telescopes.

Administrator's Guide to Active Directory

Everything users need to study for the new Windows 98 MCSE Exam is included in this guide, plus inside details on test procedures, costs, restrictions, rules, and myths, complete details of network services, user access, plus much more.

PC Troubleshooter Resource Guide

Windows 98

The National Guide to Educational Credit for Training Programs

Windows User's Guide to DOS

The "No experience required" series structures learning through a tutorial-style approach, with practical real-world information. This title is a straightforward, skills-based guide to Windows 98, including the new Active Desktop; ExplorerView;

updates to networking, e-mail and faxing; and multimedia add-ons.

QuickBooks 2015 For Dummies

It may be true that MS-DOS is dead as a stand-alone operating system. However, command syntax, parameters, parsing commands, and troubleshooting are all handled better from the command line interface than in Windows. This textbook explores these concepts using the MS-DOS window in Windows 95 or Windows 98. A careful step-by- step approach

PC Mag

This is the ideal quick reference for beginning to intermediate users. Alphabetical listings and rich cross-referencing make it easy to find solutions to problems. In addition, its small format makes it extremely portable--appealing to travelers and users of laptop computers.

Guide to Operating Systems

These essays, written by critics of the government's efforts to regulate Microsoft, constitute an effort to put the case in the context of the ongoing debate over the role of government in managing markets - especially in technology driven new economy industries.

Rapidex Dtp Course
